RED CROSS CHAPTER RE- PORTS ON MONTH'S WORK

Several Interesting Occurrences
Discussed at Meeting Tues.

**MISS WOOTEN RESIGNS
IN LETTER TO BOARD**

Resignation Was Not Accepted
in Absence of Competent

The Pitt County Chapter A. R. C. held its meeting in the Chapter's office on Tuesday morning, June 17th. A letter from Miss Fannie Wooten was read in which she tendered her resignation as chairman of the chapter and as chairman of the executive board, as she is out of town for the summer and cannot carry on the work. This resignation was not accepted for the board realizes that it has had in Miss Wooten a faithful and loyal worker and the members want to keep her as their chairman. Mrs. Richard Williams, the vice chairman agreed to carry on the work until the chairman returns in the fall.

The treasurer asked that someone be appointed to audit his books the latter part of June as that is one of the regulations of the Red Cross. The acting chairman was instructed to appoint someone to do this.

Miss Meyers, the public health nurse spoke of her work and asked for the co-operation of the Red Cross members and especially of the chairman of the branches throughout the county. When anyone hears that she will be in their community please give her all of the publicity possible. On some of her visits she finds that her coming has been made public only a few hours before she arrives. Her

talk is primarily to young mothers but the whole community invited.

A motion was made and carried that the Pitt County Chapter have a celebration for the soldiers and sailors of the late war on the Fourth of July. This will include the colored as well as the white men but the colored people of the county will look after their men and they will be fed in a different warehouse. There will probably be a parade led by a band; a short speech, and then a barbecue dinner. The dinner will be served to the soldiers and sailors only and not to their families.

It was decided that the committee to raise money consist of one member from each branch in the county, and that the members of this committee be given power to call upon anyone else to help them. Instead of taking the money from the Chapters' treasury it is desired to raise the money outside. Each branch is urged to raise some of this money, and this should be sent to the treasurer by the last of June at the latest. Authority was given the chairman to appoint all necessary committees to make this celebration a credit to Pitt county and to make the boys feel that we are glad to have them back. As it is hard to estimate the number of soldiers to be here in the County the chairman of the branches are asked to estimate the number in their community and send it to the secretary of the chapter. There will be no invitations sent directly to the boys but they are all invited to come and if possible wear their uniforms.—Greenville Reflector.

WILSON HOPES TO RETURN TO NATIVE SOIL DURING JUNE

President Will Probably Leave
Paris for America Latter
Part Month.

Washington, June 18.—President Wilson hopes to leave Paris for Washington on June 24 or 25 if the Germans sign the peace treaty.

Immediately after his arrival in Washington, the President will address congress. After clearing up pressing official business he will start on his "swing around the circle" early in July.

It was said at the White House today that the President expected to spend three weeks on his speaking tour, explaining the peace treaty and the league of nations covenant. He expects to visit the principal cities over the country.

The President has made known a desire that his audiences during his tour be composed largely of opponents of the league of nations plan rather than his supporters. He also informed White House officials that he might discuss the league covenant in public addresses.

No Worms in a Healthy Child

All children troubled with worms have an unhealthy body which induces poor blood, and as a rule there is more or less physical debility. GROVES TASTELINE will take care of this trouble in two or three weeks with entire satisfaction. It leaves the stomach, yet acts a tonic and stimulant to the body.

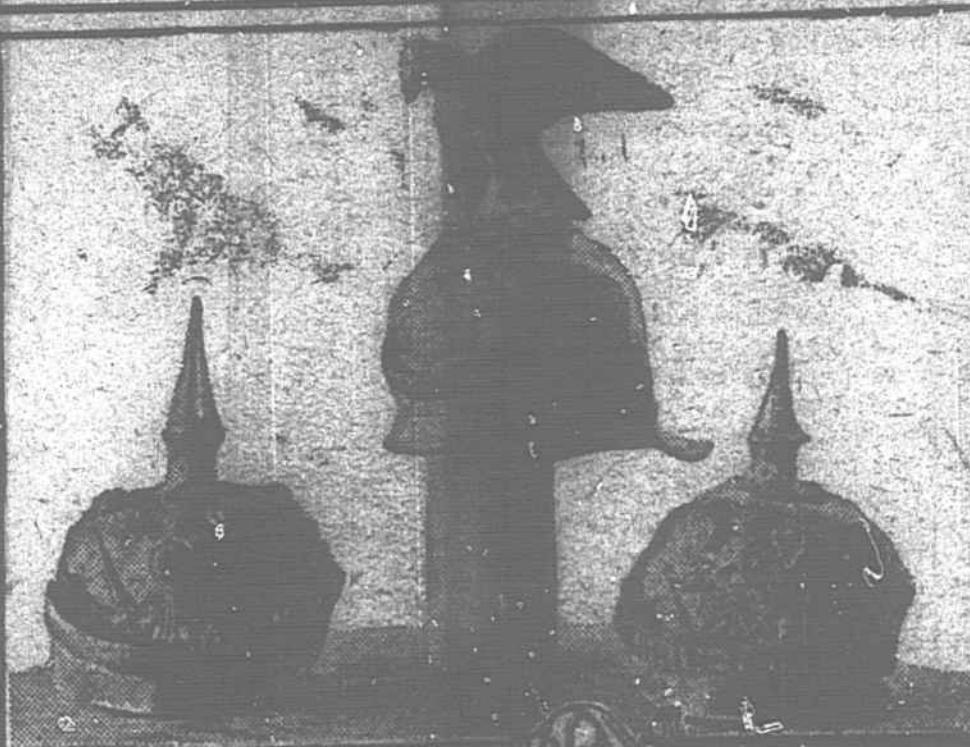

Preparing to Fly.

Messrs. M. A. Bishop, and J. J. Privette, Jr., left today for New York where they go to purchase a Wright flying machine of the same pattern and size of the one that has been to this city twice recently from Camp Bragg.

The machine will be ready for delivery in ten days at Roosevelt Field on Long Island, and these young men expect to bring it back with them on a flying trip and will stop enroute at Langley Field and at Washington. When they reach home the machine will be kept at the Country Club and will be one of the features of that interesting place.

Lieut. Bishop won fame and renown in France where he operated a scout machine. He was wounded in action. He is accounted a number one aviator.—Wilson Times, June 13th.

Helmets Worn by German War Lords on Exhibit at Methodist Centenary Celebration

THREE helmets, absolutely true to life, were worn by the former Kaiser William of Germany, Von Bethmann Hollweg and General Ludendorff, will be on exhibition in Columbus, O., as a part of the Methodist Centenary Celebration, June 20 to July 13. They were brought out of Germany during the revolution by Lowell Thomas, world traveler and explorer, whose travolouges will be given in Columbus as a feature of the celebration.

Thomas entered Germany at this most critical period, without gov-

ernor or authority of any kind. To do this he was forced to hide out for days on the border. He was turned back twice, but on his third attempt succeeded in getting past a Swiss guard. He made some wonderful pictures in Berlin, showing street riots and the general chaos of the city at that time.

In addition to these views and incidental lectures, Mr. Thomas will show pictures taken in Palestine at the time of General Allenby's occupation. Thomas accompanied the British troops on this expedition.

ALLIED TROOPS TO MARCH INTO GERMANY IN BATTLE FORMATION IF NECESSARY

While There Are No Indications

They Be Fighting They Are Ready for It

Germans Not Disposed to Sign But Fear the Result If They Do Not

Nothing official has yet become known as to what action the German government will take regarding the peace treaty. At Weimar the document is being carefully studied by the National Assembly's peace commission.

Unofficial reports are that there is great dissatisfaction on the part of the German Cabinet members and high German officials over what are considered the extremely hard terms. It is said a large majority of the cabinet members are opposed to signing the treaty, but are fearful of a reign of Bolshevism and consequent chaos in the country should they decline.

German newspapers take a dark view of the doctrine, whether signs or not. The newspapers oppose signing let their pessimism run to the extent of expecting a resumption of hostilities by the Allies Monday if the armistice is permitted automatically to end.

While there is nowhere any indication that if circumstances compel the Allied troops to advance further into Germany there necessarily will be fighting, the American, British and French troops will be prepared for any eventuality. If a further invasion becomes necessary the troops will march into Germany in battle formation.

Habitual Constipation Cure

In 14 to 21 Days
"LAX-ITS WITH PEGGIN" is a specially prepared Syrup-Tonic-Laxative for Habitual Constipation. It relieves promptly, but should be taken regularly for 14 to 21 days to insure regular action. It stimulates the bowels and relaxes them so the patient is able to move the bowels, get rid of the constipation and have a healthy body.

DISTRICT AGENTS PLAN TO HOLD CONFERENCE MONTHLY

Plan To Meet Here Second
Tuesday of Each Month
Hereafter

SCARCITY OF HAY IN NORTH CAROLINA.

Why Doesn't North Carolina Grow Its Own Hay?

Beginning a series monthly conferences, district agents of the Agricultural Extension Service met yesterday at the State Department of Agriculture building with the state agents and Director B. W. Kilgore, to discuss the most important features of farm and home demonstration work in North Carolina.

Beginning with this meeting

Director Kilgore plans to hold one on the second Tuesday of each month for the purpose of uniting and co-ordinating all phases of extension activity.

An especial effort will be made to gain a complete working plan between the man and woman agent in the different counties

so that a program may be outlined and followed that will be of the greatest benefit to the farmers and their wives.

Most of the morning session was devoted to the question of community organization. Plans were discussed for taking up some definite lines of work all over the state. In the afternoon, these individual cases where extension work is not moving satisfactorily were discussed and time

for putting them on a good working basis.

The agents took up the matter of co-operating to make the Farmers' State Convention on August 27, 28 and 29 a success. One of the important parts of this convention will be a feature inaugurated by the men and women agents, and plans for this part of the program were heard. The boys' short course for club members which will be held at the State College just before the Farmer's Convention was also given some consideration.

—News & Observer.

or cow peas and grass, the very finest, hay—two crops a year. If it is not desired to grow two crops of hay in one year corn can be planted after the clover and will make a good crop without any fertilizer.

These are questions that should interest every Southern farmer, and one, under our changed labor conditions, that is bound to claim our attention.—Roanoke Chowan Times.

The Quinine That Does Not Affect The Head
Because of its tonic and nutritive effect, LAX-
ITS WITH PEGGIN (Salts) can be taken
by anyone without causing nervousness or headache. L. W. G. Co., Louisville, Ky.

NORTH CAROLINIANS

BACK FROM FRANCE

Goodly Number Came in On
The Transports Santa Maria
and Seweezae

ley, John R. Lockley, Wilmington.

Aboard the Suwanee, members of the 344th field artillery, were the following North Carolinians:

Second Lieut. Lewis G. Hicks, Wilmington; Privates James F. Amick, Liberty, Virgil M. Eubanks, Concord; Paul Smith, Casey; Camp Johnson, Four Oaks; T. L. Jones, Odessa; L. L. Mull, Morganton; James E. Riddell, North Charlotte; Almon E. Stanley, Fireway, and Sgt. Wm. E. Deal, 34th Infantry, Hickory; Sergt. D. B. Stanley, Suwanee; Private Ivy R. Lackey, Hildebrand.

The troops from the Suwanee departed early this morning and arrived for Camp Jackson, where they will undergo the disinfecting process before being sent to other camps for demobilization. Every State in the Union, with the exception of Arizona, was represented in the 344th field artillery, aboard the Suwanee.

Red Cross Chapter to Give Home-Coming Celebration on 4th of July.

At a meeting of the executive board of Pitt County Chapter of American Red Cross this morning it was decided to have an entertainment on the Fourth of July to welcome the soldiers of Pitt County. Those who hear of this celebration will please tell all of the soldiers they see and ask them to be present to Greenville on July 4th and if possible to wear their uniforms.
