

## Helps Sick Women

Cardui, the woman's tonic, helped Mrs. William Eversole, of Hazel Patch, Ky. Read what she writes: "I had a general breaking-down of my health. I was in bed for weeks, unable to get up. I had such a weakness and dizziness, ... and the pain was very severe. A friend told me I had tried everything else, why not Cardui?... I did, and soon saw it was helping me. After 12 bottles, I am strong and well."

TAKE

# CARDUI

The Woman's Tonic

Do you feel weak, dizzy, worn-out? Is your lack of good health caused from any of the complaints so common to women? Then why not give Cardui a trial? It should surely do for you what it has done for so many thousands of other women who suffered—it should help you back to health.

Ask some lady friend who has taken Cardui. She will tell you how it helped her. Try Cardui.

## FOREIGN BORN ARE NOW TAUGHT THRIFT

Course in Americanization is Enlarged So as to Include Special Lesson on Saving Habit.

Thrift is now one of the subjects being taught to thousands of foreign-born workers who are attending Americanization classes throughout the United States in factories, shops, churches and night schools.

As a majority of the attendants at these classes speak but little or no English, the study of language constitutes one of the principal subjects taught, a half hour drill being held at each session. The method was devised for the National Y. M. C. A. and is published by that organization. The lessons are short, consisting of about twenty simple sentences on everyday matters, and a class is taught by repeating one sentence at a time after the teacher, who illustrates it with motions and objects.

"I look at my watch," says the teacher, who takes out his own watch. The class repeats this in chorus, then individually. The next sentence deals with numbers and the telling of time. All sentences are linked together, and each teacher at least one new word with connectives. At the end of the lesson it is shown to the class in printed form on a chart.

At the request of the Treasury Department, a special thrift lesson dealing with War Savings Stamps has been written and is now in the hands of American secretaries of the Y. M. C. A. all over the country. This lesson is an excellent illustration of the method by which thousands of foreign-born workers are now learning English, and it is as follows:

Yes—John has some money.  
Pats—He puts it in a stocking.  
Says—Jim says: "It is not safe."  
Answers—John answers: "No! I will not."  
Looks—Pats looks for his money.  
Is Stolen—The money is stolen.  
Saves—John saves more money.  
Asks—He asks: "How can I keep my money?"  
Says—Jim says: "See this, John."  
Shows—Jim shows him a book of War Savings Stamps.  
Says—John says: "Where did you get it?"  
Says—John buys some War Savings Stamps.  
Pats—He puts them in a book.  
Says—John says: "This is safe and good."  
Says—John buys more stamps.  
Says—He says: "America is safe and so is my money."

## THE LUCKY THREE

Only three men out of every hundred have a savings account at the age of forty-five, ninety-seven per cent of them losing their entire savings in some reverse.

Are you taking a chance, thirty-three to one, on being one of those ninety-seven? Or are you making sure that you will answer "present" when the roll of three is called? It's just as easy as to be in the safe place as in the first—if you think. Ninety-seven men out of every hundred don't think, saving haphazardly, if they save at all, and investing in securities of which they do not know the value.

Government securities are absolutely safe, pay a high rate of interest and are easily obtainable in small denominations. Have regularly scheduled payments made to you to be made the lucky three.

## STOCKHOLDERS GET U. S. THRIFT APPEAL

Corporations Mail War Savings Stamp Notice When Sending Out Dividends.

Not only is thrift becoming a part of the general education of the people of small and moderate means who are being taught and encouraged to cultivate habits of wise saving and sensible spending; efforts are being made to attract to the thrift campaign the stockholders of practically every large corporation in the United States.

Already twenty-six of the largest corporations in the country have agreed to mail with notices of dividend payments to stockholders inserts calling attention to the desirability of investing their stock earnings in War Savings Stamps. These corporations which have an exceedingly wide distribution of stock are among the largest dividend paying corporations in the United States.

Some of them already are mailing thrift inserts to their stockholders, and others have agreed to do so upon the next dividend date. The inserts which stockholders receive along with their dividend notices are as follows:

"Double your resources by investing savings regularly.

"Did you ever stop to consider how easily and rapidly you can accumulate a considerable sum by investing small amounts regularly at compound interest?

"You can begin at once by investing all or part of your savings in War Savings Stamps of the 1919 issue which you can buy in any amount up to \$1,000. They bear four per cent interest, compounded quarterly.

"If you should have an unexpected call for ready cash before your stamps mature, January 1, 1924, you can redeem all or any number of them at any time, for the full purchase price, plus interest.

"No other investment offers such an attractive combination of safety, income, redeemability and convenience.

"Beware of small expenses; a small leak will sink a great ship," said Franklin. He knew.

## KEEP ON SAVING

300 War Savings Stamps bought this year will be \$1,000 in 1924 for that new office equipment, new car, postgraduate course in a specialty, payment toward a home, for the youngsters' education, or against a rainy day.

100 Stamps now will be \$500 then, for advancement or protection; and 50 will be \$250.

Fix your own mark of your needs or desires and get there via W. S. S. W. S. S. pay more than 4-1/2 per cent and are absolutely safe and convenient investments for the busy man or woman.

Put Your Family on Safety Lane.

"Broken eggs can not be mended." Neither can "cashed-in" War Savings Stamps grow to their maturity value.

War Savings Stamps are better than money, because they earn more money.

# HEY!! YOU FORGOT YOUR GREEN FLAG OIL!

IT'S A TERRIBLE RISK TO "FORGET" OIL—AND IT'S A WORSE RISK TO FORGET "GREEN FLAG" OIL

If 90% of engine troubles were traced to their source, it would be found that inefficient and underquality lubrication was the "scape goat."

SO DON'T FORGET TO "OIL UP"—and if you'll keep "GREEN FLAG" MOTOR OIL in mind when you lubricate, you've got maximum efficiency in lubrication. You can't buy better, and you'll pay no more for this "named" oil, than the kind you get when you drive up and say "give me a quart of oil."

Too little regard to lubrication is the common fault of the man or woman who drives a car.

We are stating no news when we repeat what the greatest engineers in the country have said—that "Oil is the life of the engine." Without proper lubrication, and QUALITY lubrication, rapid depreciation takes place, sometimes irreparable.

An automobile motor and engine are finely made, expensive pieces of mechanism, deserving of the greatest care. It is this care that gives them long life, satisfactory operation, and genuine pleasure.

There are a number of first-class Dealers in this county who are exclusive agents for "GREEN FLAG" MOTOR OIL. It will pay you to drive out of your way to reach one. The following named dealers in this county will supply you with "GREEN FLAG" MOTOR OIL—

Farmville Auto Service Co.  
Farmville, N. C.
