Pierson or Nat Dunn Farm, Subdivided, Located on Enfield-Ringwood, Enfield-Glenview, and Enfield-Roads, One Mile from Enfield, 6 Miles from Whitakers and 12 Miles from Halifax, N. C.

DESCRIPTION OF PROPERTY TO BE OFFERED.

Splendid small farms, Pierson or Nat Dunn Farm, subdivided, on Enfield-Ringwood, Enfield-Glenview and Enfield-Bellamy's Mill-Road, one mile from Enfield, N. C., six miles from Whitakers, N. C., and twelve miles from Halifax, N. C. Excellent neighborhood with all conveniences, nearly at your door furnished by Enfield, N. C., which is only one mile distant. The best schools in the State are located in this city. School facilities should certainly be considered by the man with a family in buying a farm. The buildings consist of one main dwelling, six rooms in excellent condition; ten tenant houses, six in excellent condition, four in fair condition; with the main dwelling there are large barns and all necessary outbuildings and with each of the settlements there are ample buildings for farm purposes. All of these buildings are in fair condition. The entire farm is practically level, but sufficiently rolling to make it well drained. Wells supply it abundantly with water. There are sufficient buildings on the place, however, should the buyer desire additional, there is sufficient timber on the place to erect these, an abundance of young timber; an unlimited supply of cord wood sufficient for farming purposes.

There is a gin house located on this place which is one of the finest in this section, being equipped with all necessary equipment. Some fruit trees on the place sufficient for home consumption. Leading to the main dwelling is one of the most beautiful cedar avenues anywhere in this section. Certainly an ideal home for any man.

By all means inspect these small farms today. Good land for the production of any and all crops grown in this section—a splendid tobacco market only one mile away. Terms to be announced on day of sale place this within your reach. This is the first time farm has ever been offered subdivided, or as a whole, to the public. This is absolutely your first and last chance and if you are at all interested it will pay you to attend this sale TUESDAY, SEPTEMBER 23RD, at 10:30 A. M.

FRIDAY SEPTEMBER 19, 1919

How It Was Twenty Years Ago.

Nobody swatted the fly.
Nobody had appendicitis.
Nobody wore white shoes.
Cream was five cents a pint.
Cantaloupes were muskmelons.
Milk shake was a favorite drink.
Advertisers did not tell the truth.
You never heard of a "tin Lizzie".
Doctors wanted to see your tongue.
The hired girl drew one-fifty a week.
Farmers came to town for their mail.
Nobody "listened in" on a telephone.
Nobody cared for the price of gasoline.
Folks said pneumatic tires were a joke.
The butcher "threw in" a chunk of liver.
Straw-stacks were burned instead of baled.
Jules Verne was the only convert to the submarine.
You stuck tubes in your ears to hear a phonograph, and it cost a dime.—Pike County Republican.

Salesman Wanted—Lubricating Oil, Grease, Specialties, Paint, Part or whole time. Commission basis. Man with car or rig preferred.—Riverside Refining Company, Cleveland, Ohio.

New Berns.—Much interest is being manifested in the proposed knitting mill for this city. The machinery has been prepared for shipment, and as soon as the necessary labor has been arranged for, same will be shipped and installed immediately.

Winston-Salem.—President W. N. Reynolds, of the R. J. Reynolds Tobacco Company, confirmed a rumor to the effect that this company had purchased a large cigarette plant (building and equipment) located at Jersey City, N. J. The purchase price was about \$1,000,000.

Tarboro.—The merchants of Tarboro through the Tarboro Merchants' Association have requested the mayor to appoint a committee to make a local investigation of prices. They feel quite confident that there is no profiteering among the merchants.

Little time and no trouble

You can always serve delicious, creamy biscuits as long as there's a sack of Occo-nee-chee Self-Rising Flour in the pantry. Very little time and no trouble with this flour. Because the baking-powder, salt and soda are already in it and in just the proportions to bring about perfect results.

What a relief to know that waffles, biscuits, hot-cakes will be good every time with Occo-nee-chee. The cost is unusually low too, because it's cheaper to buy the extra ingredients this way. Get a sack of Occo-nee-chee Self-Rising Flour—it's a constant help to all housekeepers.
