Bryan Says Nothing Bearing on Any Ambition He May Entertain for a 4th Presidential Nomination.

Washington.-A split between Pres dent Wilson and William J. Bryan over whether the league of nations should be made an issue at the coming election topped off the Jackson day deliberations of the democratic party

It came at the Jackson dinner, as the climax of a day in which San Francisco had been chosen as the meeting place of the democratic national convention on June 28, and it charged the aid with political electri-

President Wilson, in his message read to the diners, assembled in two separate halls, declared that the "clear and single way out," was to submit the question to the voters as "a great and solemn referendum."

The disagreement between the Presstate, the first in public view since It provides for evangelistic work Mr. Bryan left the cabinet because he in America and the foreign fields, did not agree with the President's proper financing of hospitals and course in the diplomatic negotiations homes, liberal awards to struggling with Germany, was thus disclosed as colleges, for the fighting of social and a fact, although it had been rumored rents of national politics.

President Wilson in his message shall be changed by a board of review said nothing whatever about a third to be appointed with equal represent term for himself and neither did he tation of all denominations, without make any formal announcement of the consent of the denominational his intended retirement to private life, as some had forecast he would Mr. Bryan said nothing bearing on any ambitions toward a fourth presidential nomination.
