## RESULTS OF FARMVILLE BALL CLUB

Farmville's winning streak was broken into the past week when on Thursday, June 14th, Farmville was defeated by Warsaw on the latter's diamond by the score of 3 to 2.

On Friday, June 10th, Farmville crossed bats with the "hard to beat" Mount Olive team on their ground, and in one of the most interesting as well as errorless games of the season, Farmville won by the close score of 2 to 1.

On Saturday, June 11th, Farmville was again defeated. This time by Wendell, a member of the Bright Leaf League, on their grounds. In reality, however, Farmville should have won by a 2 to 1 score, but due to frequent errors made by some of Farmville's infielders, the game was lost in the tenth inning by a score of 3 to 2.

Then again on Monday, June 13th, Farmville lost again to Warsaw by the score of 3 to 0.

The local boys played in the hardest luck in this game of any during the entire season. It was surely an off-day for nearly every man on the field. Errors after errors were made and Warsaw didn't fail to take advantage of them all. Since then, however, Farmville has made some change in its lineup, and expects to put up a better fight to win from now on.

On Thursday, June 16th, Farmville ran away with Mount Olive by the score of 12 to 0.

Strickland, on the mound for Farmville, was in fine form, striking out eight men.

Griffin, the Mount Olive pitcher, was knocked out after a thorough bombardment by the entire Farmville club. This is the first straight win for Farmville against this club.

Batteries: Farmville, Strickland and Faulkner; Mount Olive, Griffin, Martin and Hood.

Part in Honor of Misses Lewis and Baker, of June 14th.

On the evening of June 14th, Misses Ellen Lewis and Nannie Bryan Parker entertained in honor of Misses Irene Taylor and Ruby Baker at the beautiful country home of Miss Lewis.

The guests, who began arriving at an early hour, were received by the hostess and served refreshing fruit punch.

Soon the porch and grounds were filled with the merry-makers, everyone enjoying the different forms of amusements, especially the conversation contest.

A most delicious and plentiful ice course was served and at a late hour the guests departed declaring such an all-round good time had never been spent by them before.

Farmville, N. C.  
June 15, 1921.

Dear Bill:

It was too bad you live so far away that you couldn't get here for the party last night. It was a big party too, but then you'll agree to that when I say that Ellen Lewis and Nannie Bryan Parker entertained at Ellen's beautiful country home. The party was in honor of Irene Taylor and Ruby Baker. You know school is up for a while and they leave for their homes today, so this was a farewell to them.

We were served punch, the "winey punch" that makes life sweeter, and then we had several kinds of amusements, but the one that was enjoyed most was the Conversation Contest, yes sir, Bill, it happened that three or four couples forgot to listen for bells, so that's the reason I know it was enjoyed.

Well, after a little all of us had the chance of seeing how much ice cream we could eat, everybody had all they wanted and I also noticed that somebody ate so much that one of the boys had to lead her his coat. I guess they forgot about armstrong babies.

After the ice course the folks began leaving. I was wondering if the ice cream had been served in place of the punch how many would have wanted for the punch, and I am wishing

that Nannie Bryan and Ellen could have another party soon, cause everybody had a big time.

If you don't get this letter let me know and I'll write again next week, until then,  
I am,  
JINGO.

I am,  
JINGO.

Was Very Weak

"After the birth of my baby I had a back-ache," writes Mrs. Mattie Crosswhite, of Glade Spring, Va. "I was very ill, thought I was going to die. I was so weak I couldn't raise my head to get a drink of water. I took . . . medicine, yet I didn't get any better. I was constipated and very weak, getting worse and worse. I sent for Cardui."

TAKE

# CARDUI

The Woman's Tonic

"I found after two bottles of Cardui I was improving," adds Mrs. Crosswhite. "Six bottles of Cardui and . . . I was cured, yes, I can say they were a God-send to me. I believe I would have died, had it not been for Cardui." Cardui has been found beneficial to many thousands of other cases of womanly troubles. If you feel the need of a good, strengthening tonic, why not try Cardui? It may be less what you need.
