S. C. GROWERS WILL SOON GET 2ND PAYMENT

Successful Sales By T. C. C. A. Followed By Cash On By November 15th

The second cash payment to South Carolina members of the Tobacco Growers Cooperative Association will be made as soon as checks can be prepared which will not be later than November 15th, according to announcement by the directors of the Tobacco Cooperative held in Richmond, Va., Oct. 30th.

The South Carolina directors will name the date and places of distribution and also meetings and celebrations of the co-operative tobacco farmers of South Carolina.

Sales to all of the big domestic companies at prices that are highly satisfactory to the directors were reported at last Monday's meeting and weekly deliveries to the association are now running between ten and fifteen million pounds.

Attorneys of the Association were directed to proceed to bring legal action at once against all contract breakers to protect the interests of loyal members in every tobacco growing county of the three Sates.

The rapid growth of strong local associations in Virginia and North Carolina was reported by M. O. Wilson, Secretary and Field Service Director of the Tobacco Growers Cooperative Association, and the decision of the board this week to aid the formation of locals in South Carolina as well as Virginia and North Carolina will undoubtedly bring the number of well organized units of the Association to over a thousand in the three States during the present month.

S. D. FRIZZELL.

FOR SALE—One Victrola oak finished box and cover, as good as new. Cost $50, will sell together with 11 choice records for $25. Also one 60 gallon kerosine oil tank for $5. Apply for information to Enterprise office.

ORGANIZATION OF KLAN IN PITT COUNTY

At the request of the Ku Klux Klan of [illegible] decided to give a public organization [illegible] Farmville on Tuesday night, November 7th, at 8 o'clock. The following address [illegible] Maj. Gen. Bryan, Col. E. C. Yellowly and Dr. O'Hagan were the selection [illegible]

We realized fully what we were against and what we had to risk in the preservation of the Anglo-Saxon race against the cruelty of base, unjust and tyrannical legislation and unbearable conditions created by the hordes of diabolical greed and half crazed adventurers that swarmed down from the North to use the negro for their own selfish and despicable ends. These Carpet Baggers aided by the native Scallawags poisoned the minds and brutalized the inoffensive negro and converted many of them into human beasts by the promises of rich rewards in land and mules and loosed them armed and inflamed upon the sacred privileges of the suffering Southern people.

In all history, no people ever suffered such torturous humiliation as endured such woe as the people of the South during this period of reconstruction of 1866 to 1870. God only knows what the result would have been, had the atrocious reconstruction schemes of these treacherous politicians, who conceived it and engineered it gone into a successful consummation.

The Ku Klux Klan about this time was beginning to get active in their operations all over the State. Alarmed Gov. Holden so that he [illegible] Tennessee, enthusiasts and Northern Carolina Scallawags got busy and [illegible] Judge Kerr, Dr. Reed, [illegible] Turner and others and placed them in jail, with a lot of colored and all the Republican county, superior and supreme, refused to [illegible] of habeas corpus. Gen. Ransom [illegible] from Weldon to Elizabeth City [illegible] 100 miles to get Federal [illegible] broke the writ and [illegible] him. When they created [illegible] Shotwell, tried him by [illegible] Chamber before a negro jury [illegible] Federal Judge from Baltimore [illegible] was true to the Albany penitentiary for ten years. President Grant [illegible] found out that it was persecution [illegible] pardoned him.

Our Scallawag United Countian [illegible] decided to put in his little [illegible] so he issued warrants for forty [illegible] here of Pitt county that with [illegible] Sheriff to hand them over to the [illegible] Federal court to [illegible] Chief Justice were served [illegible] (Secretary and Chief Commissioner Cox was having on [illegible] of a Mr. Woodward [illegible]

FIRE OF UNKNOWN ORIGIN DESTROYS THE LARGE STORAGE TOBACCO WAREHOUSE HERE.

Warehouse and Over $100,000 Worth of Tobacco Completely Burned Up. Fire Company Saved Nearby Buildings.

Fire of unknown origin destroyed the Big Four Tobacco Warehouse here Tuesday morning about 3 o'clock. The fire broke out about the center of the building and when discovered by the night watchman at Monk & Hodgood's Warehouse the flames were leaping through the roof.

The building was a large wooden structure and when the fire company arrived the fire had gained such headway that it was beyond control. The big La-France engine worked heroically but in vain to save the building. The firemen, however, succeeded to save the buildings around it. There [illegible]

[illegible] said, "Everybody please be quiet." The Doctor then asked the commissioner ten minutes to explain why forty of the best men in Pitt county had been thusly dragged from their homes. The commissioner granted the request and asked the Doctor to come up higher by him that the people could see him. Dr. O'Hagan after a minute's pushing got to the Judge's seat, and commenced as follows:

"My good friends from Wayne, Green and [illegible] counties, it is a keen pleasure to me to be able to explain why these forty men have been brought forty miles from their homes. Calvin Cox, U. S. Commissioner from Pitt county, should have tried this case in Pitt county, and I denounce him as a contemptible villain and scoundrel for not obeying the warrant issued by him at their homes. At this moment Commissioner Robinson rose and said "Dr. I must ask that you do not indulge in any personalities as we do not want any trouble." "Dr. O'Hagan said, "Mr. Commissioner, you are unnecessarily alarmed. Every villian in the group is as familiar with being denounced as a thief, a villain and a scoundrel in his own county, as you can be with being called a gentleman in Goldsboro. When I want to compliment them, I call them thieves and scoundrels. See the glow upon their countenances, produced by this sensation. If every villain in that group was to [illegible] as the world would be [illegible] called upon to give up a prayer for [illegible] would you, God that they [illegible] with a conscience. If it was not for the love and respect I have [illegible] from the [illegible] know him [illegible] it got hotter and [illegible]

LADIES' NIGHT A BIG NIGHT AT ROTARY CLUB.

Local Rotarians Give Hallowe'en Party in Honour of Farmville Graded School Faculty.

Last Tuesday night was ladies night at the local Rotary meeting and besides them, which they had as guests the teachers of the Farmville Graded School corps of [illegible] the number present to [illegible] three.

The guests were met at the hallway by the reception committee and ushered into the [illegible] where they were greeted by the Rotarians and their wives. The rooms were artistically decorated with corn stalks and pine and yellow chrysanthemum mums used in profusion.

A Southern contest was first engaged in, Miss Annie Perkins winning the prize. After the presentation speech by Mr. J. W. Holmes, a most deplorable accident (?) occurred when Mr. Walter Sheppard who was holding the prize—a handsome piece of glass—stumbled and it crashed on the cement floor. After the invocation by Rev. Padgett, a delightful three course dinner was served by six "bewitching" little witches; Edna'l Joust Harris, Sarah Mewborne, Evelyn Horton, Sally May Smith, Nancy Bynum and Mildred Bynum.

Mr. Walter Sheppard acted as toast-master and carried out this part in an enjoyable manner.

Between the courses an address of welcome was given by President Paul Jones. Miss Annie Perkins responding in her witty and original way. Stunts, songs and toasts added much to the enjoyment of the evening. A solo by Miss Bess Tyler, with Mr. Alfred Moore at the piano, was GREATLY enjoyed.

One of the most exciting stunts was the drawing contest the lucky number drawing an infant, Mr. J. T. Thorne was the winner and was greatly disappointed (?) when l'enfant turned out to be a tiny black kitten. Mrs. Chas. Donaldson, a Rotary-Ann coo-bird, gave two beautiful selections.

A gruesome murder tale was told by Miss Lillian Fields, who passed the murdered victim's brains, eyes, hair and other remains among the guests for their inspection. The inspection was made amid shrieks and cries for the room was darken for this stunt.

After the singing of "Good Night Ladies," cheers were given the Rotarians by the teachers and the guests departed declaring this to have been the best of many things.
