

When The Coolidge Boys Arrived

Calvin - President Coolidge John Mrs. Coolidge

This newspaper, with space in its office and the country, printed paragraphs about the Coolidge boys that were to play on the White House lawn. Well, here they are, a surprise for newspaper correspondents as well as their own father, the President and their mother. On the left is Calvin, Jr., who was working in a tobacco field near Northampton, Mass., when his father was sworn in as President. John, his brother, was in a military training camp.

Directors County Cham. Commerce Monthly Meeting

The regular monthly meeting of the directors of the Pitt County Chamber of Commerce was held in the organization's headquarters last night.

Judging from the expressions given, each member present was thoroughly in accord with the scope of the work now being done.

Creamery Suggested

J. R. Turnage, of Ayden, suggested that plans be formed for a creamery. He stated that if such an enterprise was established in Greenville, the hard surface roads and trains would make it possible for cream to reach the plant each morning by 1:30.

However, before any enterprise of this nature could be definitely decided upon, two things are absolutely necessary: First, pastures. "We have wonderful pasture lands" continued Mr. Turnage. "Without sufficient feed, cows cannot be kept with a profit. Second, after we have sufficient pastures, before we can operate a creamery, we must have a goodly number of high grade cows."

Every one present was in a unit that a creamery plant on this base would be bound to succeed. The different ones present pledged themselves to begin immediate agitation of this subject, with a view to moulding opinion in its favor.

With every one speaking a word in its behalf, with the farmers beginning now to plant pastures and during the year to purchase cows, 12 months from today one easily sees a creamery located in Greenville and drawing milk from various sections of Pitt.

Attending this meeting, all of whom spoke enthusiastically about

the plans of the Chamber of Commerce in the development of the county, were: D. L. Turnage, Greenville; J. R. Turnage, Ayden; F. J. Forbes, Greenville; J. H. Coward, Ayden; F. L. Clodfelter, Greenville; W. E. Preater, Grimesland.

FALKLAND NEWS

Falkland, Oct. 10.—The Parent-Teacher association of the Falkland school held its first regular meeting of the school year in the school building on Friday, October 6. The topic for the program was "The Love of Books," the idea being carried out by readings and impersonations of well known books by several of the school children. Miss Paterson, in the absence of Professor Goodwin, gave the outline of plans for procuring a school library.

Following the program was a short business meeting at which time new officers were elected. The officers elected were as follows:

President, Mrs. Sellers M. Crisp; first vice-president, Mrs. G. A. Pittman; second vice president, Miss Ida Holland; secretary, Miss Olive; treasurer, Mrs. G. H. Pittman.

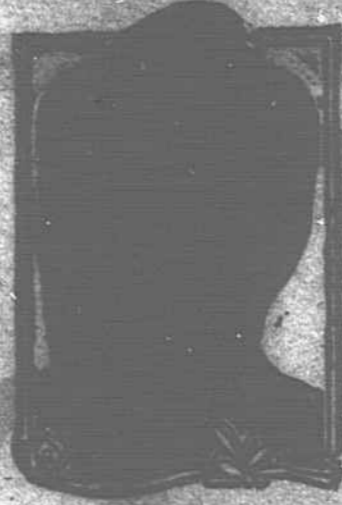

At the recommendation of Professor Goodwin, the association decided to give a social amount each month for public school meals in the school, this work to be done by Miss Lucy Cherry Crisp.

The next meeting will be held on the third Friday in November. Mrs. Blanche Woods of Farmville, spent the week-end at the home of her sister, Mrs. C. H. Davis.

Mr. and Mrs. Edward Manning of Bethel, were Sunday visitors in the home of Mrs. Martha Pierce. The many friends of Mrs. J. Frank Parker extend to her their deepest sympathy in the loss of her mother, Mrs. Quinn Moore of Rowland.

On Friday, October 6, at 7:30 p. m., a community sing was held in the Falkland school building under the

SUFFERED MANY YEARS WITH FEMALE TROUBLE PE-RU-NA LIKE A GIFT FROM HEAVEN

Mrs. Katie Scheffel, R. F. D. No. 5, Lowell, Ohio

"I have been suffering for years with female trouble. Was operated on five years ago. It relieved me some but I did not regain my strength. Two years later was taken sick and bedfast several months. I treated a long while without much relief. I was discouraged, my mind affected, so nervous I could neither eat or sleep and unable to do anything."

"We tried several doctors but one after another gave up my case as hopeless. Finally a good friend advised me to try Pe-ru-na. I did. It relieved me almost immediately. Your medical department said I was suffering from chronic catarrh of the system. I began taking your medicine in March, 1914, and continued until August. I took ten bottles of Pe-ru-na and three bottles of Man-a-lin and felt like a new person. Your medicine seemed like a gift from Heaven. It was like coming from darkness into light."

"We have used your medicine since for coughs, colds and grippe with good results. We will always keep on hand. I weigh twenty-five pounds more than I ever did and sleep well and can do a good day's work. Everybody says I look fine. Even the doctors are surprised. I cannot thank you enough and will always recommend Pe-ru-na to sufferers from catarrh."

MRS. KATIE SCHEFFEL, R. F. D. No. 5, Lowell, O.

Mrs. Scheffel is only one of many thousands of women in the world who owe their present health to Pe-ru-na. The record of this medicine is a proud one. Pe-ru-na has held the confidence of both sexes for fifty years or more.

If your trouble is due to a catarrhal inflammation in any organ or part of the body, do like Mrs. Scheffel. Try Pe-ru-na. Trust upon having the original and reliable remedy for catarrhal conditions. You won't be sorry.

Ask Your Dealer About This Old-Time Tried Remedy

services of the Woman's Auxiliary. In spite of forbidding weather a good crowd gathered and sang new songs and old with enthusiastic enjoyment. A pleasant feature of the evening was a group of solos sung by Miss Mavis Evans, Mr. Walter Sheppard, Mr. Ola Forbes and Miss Lucy Crisp. Mrs. Chas. A. Lawrence provided the accompaniment for the evening, while Miss Crisp acted as leader. A street offering amounting to \$10.00 was received and was placed in the Auxiliary fund for a heating plant for the new church.

Altamaha Presbytery will meet in Falkland October 23, 24 and 25, and the village is busy with plans and preparations for the entertainment of the ministers and laymen who will visit Falkland at that time.

RAPID GROWTH HAS COME TO BAPTISTS

75 MILLION CAMPAIGN HAS LENT STRENGTH TO EVERY DEPARTMENT OF W.C.A.R.

RESULTS IN SOUTH NOTED

Home and State Missions, Schools, Orphanages, Hospitals and Relief Report Marvellous Advances Under Forward Movement

DR. B. D. GRAY, 7th Baptist Convention Secretary Home Mission Board South

Suggesting the growth which the Baptist 75 Million Campaign has brought to the general work of Southern Baptists, it is reported by the general headquarters of the movement that during the four years that have intervened since the Campaign was inaugurated in 1915, the general union has gained 57 district associations, 281 active ministers, 5,083 local churches, 1,337 Sunday schools with 459,233 pupils, 2,638 Young People's Unions with 229,917 members, and 1,296 Women's Missionary Union organizations, 222 baptisms, 124,286 persons. At the same time the churches have given \$22,776,527 more to missions, Christian education and benevolence than they did during the corresponding period prior to the Campaign, and have increased their investment in local church property by \$2,458,112.

Wrecked U. S. Destroyers on Rocks

This remarkable photograph shows four of the seven U. S. destroyers smashing to pieces on the rocks of Point Houch, Cal., where they ran aground in a fog in one of the most unusual catastrophes of the sea. Twenty-three lives were lost—while more than seven hundred gobs and officers were being saved through heroic efforts.

HOME COMFORTS WITH ECONOMY

Heaters enjoys solid comfort combined with The Home that is heated by Loth's Hot Blast strictest economy.

The entire outside surface is of metal and radiates heat in all directions. The down-draft burns all the gases that escape as smoke in under-draft heaters, as well as its coal, so that none of the fuel is wasted.

LOTH'S HOT-BLAST

That is why Loth's Hot Blast gives more heat on soft coal than ordinary heaters give on anthracite, and saves one-third on your fuel bill.

LOTH'S HOT-BLAST is made in 14, 16, 18 and 24 inch fire pot sizes. The U. S. Fuel Administration recommended this type of heater to conserve fuel.
