#### BE AN EARLY BIRD IN THE ENTERPRISE "CIRCULATION DRIVE"

##### HOW TO START—THE IDEA IN A NUTSHELL

A BUSINESS PROPOSITION—The Farmville Enterprise "Circulation Drive" is purely a busi-  
ness proposition whereby valuable awards of brand new 1924 Model Automobiles, and a liberal cash  
commission will be made to those who do the best work in securing the most votes on paid-in-  
advance subscriptions to The Enterprise.

Spare time is all that is required for the pleasant task of calling on one's neighbors and friends  
collecting the renewal subscriptions and inducing those who are not now subscribers for the paper to  
do so and become one of The Farmville Enterprise's readers and boosters.

It does not cost one penny to compete for the prizes.

All can compete for the prizes. It is not necessary to be a subscriber to The Farmville En-  
terprise in order to try for the prizes.

In fact all that is required of one is a desire upon their part to own a magnificent automobile,  
free of cost, coupled with a determination and a will to succeed, backed up by red-blooded work  
among friends during the next few weeks. Get in on the ground floor—Enter your name now!

So that every person who takes an active part in securing subscriptions in the "Circulation  
Drive" will be rewarded. Those contestants who are not awarded one of the regular prizes will be  
paid a commission of 10 per cent in cash upon all subscription money collected and turned in by them.

In order to qualify for the commission payment, the contestant must remain active in securing  
subscriptions until the end of the campaign, according to the rules and regulations. Thus, there will  
be no one who participates in the "Circulation Drive" who will not be compensated for his or her  
time and effort and will be handsomely rewarded.
