

**Farmville Basketball
Results of Late Dates**

On December 14 Farmville High School Girls' Basketball team journeyed to Tarboro and played a fast, snappy game of basketball against the speedy Tarboro team. The score was 7 to 7 at the end of the first half. The game was not decided until the last few minutes of play when the Tarboro girls piled up a margin that was not overcome. The entire Farmville team deserve credit for their splendid showing.

The final count was 17 to 22 in favor of Tarboro. The girls are practicing daily in order to take revenge when Tarboro returns the game sometime soon.

The boys' team played Rocky Mount on the local court on December 15 and held their opponents to a 13 to 13 score. Rocky Mount refused to play an additional five minutes in order to break the tie thereby forfeiting the game to Farmville 2 to 0.

Rocky Mount presented the five man defense in such an effective manner that our boys scored only two field goals.

The football tactics of the Rocky Mount players caused their defeat because of the numerous fouls committed.

On December 21 the local team defeated Tarboro High School team 46 to 0.

The baffling accurate passes made by the local boys bewildered their opponents and scoring was easy.

Not contented to play high school teams the local boys took on a team composed of local college boys. The first game went to the college boys to the tune of 22 to 9. The Farmville Lions came back strong and took the next two games by the score of 23-12 and 14-12.

After defeating the college teams the Lions began looking around for more teams to conquer. Winterville attempted to invade the Lions' den, but was thrust back to their winter quarters by the overwhelming score of 60-6.

The Lions have been tamed only three times this season, twice by Nashville and once by Mount Pleasant.

The Lions are still roaring. Ayden Seminary School will play the local boys here on Friday night, January 11 at 7:30 sharp.

Easy, Son, Easy—

An Iowa youth who became much interested in boxing while in service, took his father to a boxing show the other night, the son willingly paying the admission.

"Now," said the son, when they were well seated, "you're gonna see more action for \$3 than you ever saw in all your life."

"I don't know, son," said the father, "is was all I paid for my marriage license."

Poena Machine
We dare the sassy heavens with our magic wooden wire, and we want to see your machinery—any time we want to sing: we have done away with hoses, and divorced the nutley cow, and we cultivate our 'older with an automatic plow. I reckon there's no limit to the energy of men—why, we shove aside old Biddy—for a varnished, wooden hen! Here's our patent noiseless cooker that performs without a fire—an' begosh, we're sending messages without a sign of wire! We can hear the festive yodler on the plains of Timbuctoo—or feast on jazz from Newelle, any time we turn the screw—Simply tune the family fidget—any time you have the chance—mebbe ketch a Congo nigger, or a gazabo in Frahee!! I ain't surprised at anything in this flamboyant life—they tell me they are testin' out an automatic wife!!!

Nervous Break-Down

MRS. ANNIE LANGE, of R. F. D. 1, Burlington, Tex., writes as follows regarding her experience with Cardui: "Some time ago I had a nervous breakdown of some kind. I was very weak and so nervous. I had fainting spells and suffered a great deal, but more from the weak, trembly, no-account feeling than anything else. I knew I needed a tonic, and needed it badly. I began the use of Cardui to see if I couldn't get some strength, as I knew of other cases that had been helped by its use. I soon saw a great improvement, so I kept it up. I used seven bottles of Cardui, and can say the money was well spent, for I grew well and strong. Am now able to do all my housework and a great deal of work besides."
If you are weak, run-down, nervous and suffer from the ailments peculiar to women, it is very likely that Cardui will help you, in the way it helped Mrs. Lange and has helped thousands of others, during the past 40 years.
Ask for, and insist on, Cardui.

Reducing the cost of farm improvement—
land-clearing, ditching and tree-planting

THE use of explosives on the farm is increasing rapidly because dynamite does lots of heavy work cheaper and better than anything else. Many farmers around here have found this out.

DUMORITE, the new du Pont explosive, for land-clearing and tree-planting, gives uniformly effective results at very low cost.

RED CROSS EXTRA is an old standby—used by farmers everywhere for all-round use, except for ditching in wet soil.

DU PONT STRAIGHT DYNAMITE, 50% to 60% strength, is the explosive to use for ditching work.

Du Pont Dynamites are low in cost and do the work better and quicker. We keep complete stocks on hand. Let us figure on your requirements.
