

FALKLAND NEWS NOTES

Falkland, Feb. 12.—The members of the Woman's Auxiliary of the Falkland church held a very successful Rummage sale on Saturday, Feb. 2nd. The sale was held in P. G. Mayo's store and many interesting "Antiques" were sold at a mere fraction of their original value. Everybody seemed pleased, the customers at their bargains and the ladies at the sum of thirty dollars realized from their sale.

On Thursday evening, Jan. 31st, the Senior Christian Endeavor Society held an informal reception at the home of Mr. and Mrs. S. M. Crisp in honor of Rev. and Mrs. Chas. A. Lawrence. Each guest was requested to place his name and address and a good wish for Mr. and Mrs. Lawrence in a little book provided for that purpose—and the little book was presented to Rev. and Mrs. Lawrence as a reminder of their many Falkland friends. Later in the evening Glenn Scott and Brown Mayo came in with a big box, which, when it was opened, disclosed a silver buffet set, fruit bowl and candle sticks—a gift to Mr. and Mrs. Lawrence from the Sunday School and the Junior and Senior Christian Endeavor societies. Prof. O. K. Goodwin made the speech of presentation, saying, in part, "It is impossible for us to tell you how we appreciate what you have meant to us, and how much we regret that you are leaving us, but we hope that this little parting gift may speak these things for us, and our good wishes follow you to your new home in the city of Richmond, Va."

Miss Mary Lethia Fleming and Mr. Henry Brown, of Macclesfield, were married in Tarboro on Saturday afternoon, Feb. 2nd. This Marriage came as a surprise to their friends. Altho she has only recently moved to Falkland, Mrs. Brown has made many friends here who regret to see her leave our community. Mr. and Mrs. Brown will make their home in Weldon.

Mrs. C. H. Mayo has returned from a visit to her sister in Richmond, Va.

Brown Mayo spent last week-end in Farmville

Mrs. Chas. A. Lawrence left for Richmond on Saturday, Feb. 9th, after spending a week with her parents Mr. and Mrs. S. M. Crisp. Rev. and Mrs. Lawrence will be at home at 2308 Barton Avenue, Richmond, Va. He will have the pastorate of the Overbrook Presbyterian Church in that city.

There will be a regular meeting of the Parent-Teachers' Association at the School building on Friday night, Feb. 22nd, at 7:30 o'clock. A patriotic program in keeping with the day will be provided.

On Wednesday night, Feb. 6th, a number of the members of the Presbyterian church had a picnic supper together in the School building. After supper Rev. A. J. Crane talked over with them the possibility of securing a full-time pastor for the Falkland church, and as a start to this end, a canvassing committee was appointed to visit all the church members to tell them of the plans and secure their co-operation.

A concert was given in the School auditorium Friday, Feb. 8th, at 7:45 P. M., the program being made up of songs and choruses by sixteen boys and girls from the High School Glee Clubs, Readings, and a Piano Solo. The numbers receiving most applause were an old English folk song, "O, no, John," sung by Ida Mae Gregory, Maggie Brown, Elbert Peaden and Alou Dunn; and a reading "Almost Beyond Endurance," given by Mattie Little.

For Humanity's Sake

The first number of the daily paper issued by Henry Ford, the motor car manufacturer, had a splash headline across the front page: "What Can We Do For Suffering Humanity?"

A rival paper had an answering line the next day: "Put Another Spring In The Cushions, Henry."

CIRCLE I PRESBYTERIAN AUXILIARY MEETS

Mrs. W. G. Sheppard was hostess to her circle on Monday afternoon at 3:00 o'clock.

After the scripture lesson and chain of prayers led by the president, a course in Home Mission Study was discussed. The course was agreed upon and next meeting will be the beginning of this interesting study.

A regular business session followed in which several committees were appointed.

We hold respects for the honest guy, which thought he could—but couldn't,—but we shun the geezer that didn't try—that said he would—and he wouldn't. . . . We learn to love the brave-hearted chap that struggles to win—and doesn't,—while we clean ignore the spineless yan, that told us he was—when he wasn't!

There's allers applause for genuine fire that licks ambition kindled. . . . But we hiss the sperit that didn't aspire—that shrunk and foiled—and dwindled. So, here's the message I'm tryin to spread: There's glory in righteous battle—But—dern the valor that's under the bed, when the bullets commence to rattle!

No matter whether we win or not—we never should cease the fightin'. . . . The flickerin' candle is soon forgot, that blinks when it out to brighten! Hurrah for the racer with nose to the wind,—that DID when they said he couldn't! There ain't no room for the weak-kneed rind, that wavered—and—finally wouldn't!

Reducing the cost of farm improvement—

land-clearing, ditching and tree-planting

THE use of explosives on the farm is increasing rapidly because dynamite does lots of heavy work cheaper and better than anything else. Many farmers around here have found this out.

DUMORITE, the new du Pont explosive, for land-clearing and tree-planting, gives uniformly effective results at very low cost.

RED CROSS EXTRA is an old standby—used by farmers everywhere for all-round use, except for ditching in wet soil.

DU PONT STRAIGHT DYNAMITE, 50% to 60% strength, is the explosive to use for ditching work.

Du Pont Dynamites are low in cost and do the work better and quicker. We keep complete stocks on hand. Let us figure on your requirements.

SEVERE CRAMPING SPELLS, PAINS IN BACK AND SIDES

"My trouble has been periodic cramping spells," says Mrs. C. C. Draper, of Atlanta, Texas. "For several years these have come on me so bad that I had to quit my work and go to bed. Every month I would stay in bed from one to two days. The pains in my back and sides were awful. This went on for several months after I was married until, one time when I was having a bad spell, my husband suggested that I try Cardui. I said I would try it, so he got me a bottle at the store and I began to take it. "It seemed like I improved from the very first dose. When I had taken one bottle I was very much better. I did not cramp so hard the next month and I ate and slept better. I was not nearly so nervous, either. I thought Cardui was fine, so I continued the treatment until I had taken five bottles, at which time I felt completely well. I had no more cramping spells at all, and my health was as good as anybody's. I am feeling fine now and I give all the credit to Cardui, for I had been suffering for years before I took it." Cardui is a vegetable extract, containing no harmful ingredients. It is made from mild-acting medicinal herbs with a gentle, tonic, strengthening effect upon certain female organs and upon the system in general. Its users have testified to its special value at the time of entering womanhood at maturity and at the time of the change of life. For over 40 years, Cardui has been tested in use by thousands of women who have written to tell of the great benefit they have received from it. For over 40 years, medical authorities have recommended one of the principal ingredients of Cardui in the treatment of certain female complaints. Cardui, the woman's tonic, tested by time, is today the product of many years of experience and investigation. It is manufactured in up-to-date laboratories by the most modern and sanitary methods of pharmaceutical science and is for sale by all druggists.
