RECORD BREAKING TOB SALES

The Farmville tobacco market Thursday experienced the largest volume of offerings for any single day in its history, according to local veteran tobaccoists. As sales were blocked it was impossible to obtain official figures, but estimates placed the total volume of offerings near a quarter of a million pounds. Prices were declared to be holding up well and meeting general satisfaction.

The rush is due to considerable rain the first three days of the week, during which time farmers were unable to do anything but work up a lot of their tobacco. Sales Friday were about as usual, with no block.

SPLENDID REVIVAL AT ARTHUR

A two weeks' evangelistic meeting closed at Arthur Methodist church Sunday night, September 14. Many testified that it was the best meeting that Arthur church ever witnessed. We read in Acts 2:1, that "When Pentecost was fully come they were all with one accord in one place." Then we read further that three thousand souls were saved on that occasion. That one place, one accord, one purpose, united prayer, and willingness of the disciples for the Holy Spirit to have His way with them was the secret of the wonderful conviction by the Holy Spirit, and His bringing to the hearts and minds of the people the saving grace of Jesus Christ. The people of Arthur, irrespective of denomination, showed this spirit in our meeting. There had been organized a men's prayer meeting and a women's prayer meeting group, and these federations of laymen and laywomen held community prayer meetings two or three times a week prior to our meeting, and helped wonderfully to prepare the way and the atmosphere for the meeting. The Saturday night services were turned over to the federations of Arthur and Greenville. These meetings consisted of songs, prayers and personal testimonies. The religion of Jesus Christ is a personal matter and a personal relationship to Jesus Christ and strong men and women gladly confessed their Lord and told the congregation what a great Savior He is and what He means in their lives and homes. Such testimonies were offered throughout the meetings. The people had definite prayer lists and prayed earnestly and worked zealously to bring the careless and indifferent into a closer fellowship with their best Friend and lead the unsaved into a knowledge of His saving grace and power. Thirty names were handed to the pastor as a common prayer list, and 21 made profession of Jesus Christ.

The Methodist church received 11 at the close of the meeting and there are others who will join both our church and other churches.

Our special series of meetings will begin here in Farmville the first Sunday in October. Mrs. L. C. Stiedley of Gastonia, will be with us as a Bible teacher, personal worker, and will have charge of the music. Mrs. Stiedley has ably assisted some of the most noted evangelists of our country.

The public is cordially invited to participate and help in these meetings. The purpose of the meeting will be to help men and women, boys and girls, of the community without any stress of denominational lines.
