

How To End a Cough Quickly

Specialists say to actually end a cough in the shortest possible time the medicine should not only soothe and heal the soreness and irritation, but should also loosen and remove the phlegm and congestion which are the real cause of the coughing. When this is done the worst cough quickly disappears.

This "Discovery" method has been brought to perfection in the prescription known as Dr. King's New Discovery for Coughs. A few drops stop the soreness, loosen phlegm, and people who have had it are able to sleep at night for coughing usually get their full night's rest even after the first dose. It has been very successful, too, for children's spasmodic coughs, for bronchitis, laryngitis, bronchial asthma and hoarseness. On sale at all good druggists. Ask for

The Original Rexall ONE CENT SALE!

WHAT IS A ONE - CENT SALE

It is a sale where you buy an item at the regular price—then another item of the same kind for 1c. As an illustration: The standard price of Jontel Face Powder is 50c. You buy a box at this price and by paying 1c more, or 51c, you get two boxes. Every article in this sale is a high class standard piece of merchandise, just the same as we sell you every day at regular prices and have sold you for years.

This sale was developed by the United Drug Co. as an advertising plan. Rather than spend large sums of money in other ways to convince you of the merit of these goods, they are spending it on this sale in permitting us to sell you a full size package of high standard merchandise for 1c. It costs money to get customers. The less taken on this sale will be well spent if the goods please you.
