For All the Family

We have used Black-Draught ever since we have had a family and that was shortly after 1874," says Mr. E. A. Brantletter, of St. James, Mo. "It is my first remedy when any of us gets sick. . . . We use Black-Draught for colds, liver and stomach complaints.

In Missouri, I think it is this for indigestion or for headache. It is a splendid family remedy. My wife uses it for any stomach ailment, indigestion and biliousness. We never let the house be without it if I know it. We also give it to the children for children's complaints, colds or fever.

MONK'S WAREHOUSE Advises Early Selling

Now that there remains only a little over two weeks before closing down for the Christmas holidays we would advise our friends and customers to marker the remainder of their crop as fast as they can during this time, as tobacco never seems to sell as well after Christmas as before.

Prices have been some better with us the past few days. Bring us your next load.
