**"LOVE"**

Reward is found in the love of God and man.

I am interested in the subject of love, for God is love and God says we should love one another. "God so loved the world that He gave His only begotten Son that whosoever believed in Him should not perish, but have everlasting life."

Now, are we doing as God has commanded us to do, or are we lacking in this? I think there can be no better way of serving God than through our fellowman. If my dear mother who has crossed the river of death could only speak to you all she would tell you how I have always been interested in this great subject. One of the greatest men can be interested in, I think. How I loved and obeyed her from childhood on through life until God called her home. That name, "mother," will ever be dear to me. I feel like mother love is next to Godly love.

Do we love God with all our heart, strength and soul? Do we love our neighbor as ourself? I feel like that is one great drawback to most of us, we haven't the love and sympathy for each other. People are too cold and indifferent toward each other. How can we enter the kingdom of heaven living as many of us are doing today?

Now friends, listen, please, at this time we need love and truer love for I believe that to be sure cure for sin.

I believe that many suicides could be prevented, many homes saved from sin and degradation if we loved each other as we should and let people know that we are interested in each other's welfare. No we haven't time, we are too busy trying to gain the whole world. Something we will never do, even though we live to be old. We are thinking too much of style and the wicked ways of the world. We are not considerate enough of each other.

My sentiment is if you have flowers for your friends and loved ones don't wait until they are dead and the coffin lid is placed over their face. Give them while the year living that they may enjoy their beauty and fragrance.

I have been discouraged many times in my life, just where I didn't know what steps to take. If some friend had come to me not costing them a penny, and given me only a smile and a kind word. Telling me they thought of me some time it would have brightened my life a great deal. I believe there are many people that have had the same experience. Now friends, I think it is high time we were thinking seriously over this. Let us examine our hearts closely and I think we will want to lead a better life.

Now as to dealing with the Bible God's word is a very serious matter. We should not trifle with it. We shouldn't deceive our friends and try to make them think we are what we are not. There's one thing sure we can't deceive God. We should let our lights to shine before men that they may see our good works and glorify our Father which is in heaven.

There are different ways of sin besides taking strong drinks. The Bible says the tongue is an unruly member. We shouldn't criticize and backbite our neighbors, make them think we are one thing when we are another.

The Bible says, "Get the mote out of thine own eye."

How many of us are making any sacrifice to help anyone that needs help? We should be uplifting and upbuilding. Help some fallen brother, let them know that God loves them yet and is ever ready to forgive their sins. Even though their sins are as scarlet, they shall be made white as snow.

Putting down our neighbor, telling his faults will not build us up at all. There are too many that are simply trying to discourage us. My motto is to love and I am sure that will win when everything else has failed. Love conquers sin, love banishes hate and fear, love lifts man to light and life. Friends, we can't have religion until we get that precious mercy and make out of our hearts. My hope is to see a more churchy than Christian. Now, how many of us are living up to this?
