**You Can Easily Kill and Prevent Bed Bugs**

You can't be too careful about these horrid pests. No home is safe unless you take the right precautions. But Joe Brand's **Bee Brand** Insect Powder will keep them off and it's safe and easy to use.

Sprinkle thickly on springs and mattresses into cracks and crevices. It's a clean powder that can't be rubbed off. It kills them before they lay their eggs. Use Bee Brand before bed time.

It also kills flies, mosquitoes, roaches, water bugs, moths, lice on fowl, and many other household and garden pests. Get Bee Brand at all drug stores, hardware stores, and grocery stores. Household sizes, 10c and 25c. Other sizes, 50c and \$1.00. Puffer gun, 10c.

If you prefer to use a spray, use **Bee Brand** Insect Spray. It's a clean, safe, and effective spray. It kills them before they lay their eggs. Use Bee Brand before bed time.

**Billious dull feeling**

"MY old stand-by is Theford's Black-Draught—I have used it off and on for about 20 years," says Mr. W. S. Reynolds, of R. F. D. 2, Arcadia, La.

"I get bilious and have a bad taste in my mouth. My head feels dull. I don't just feel like getting around and doing my work. I know it isn't laziness, but biliousness.

"So I take a few doses of Black-Draught and when it acts well, I get up feeling like new—full of pep and ready for any kind of work."

"I can certainly recommend it." In case of biliousness and other disagreeable conditions due to an inactive liver, Black-Draught helps to drive the poisonous impurities out of the system and tends to leave the organs in a state of normal, healthy activity.

Black-Draught is made entirely of pure medicinal roots and herbs and contains no dangerous or harmful mineral drugs. It can be safely taken by everyone.

Sold everywhere. Price 25c.

**Can Still Get By on Old License Plates**

Raleigh, July 29.—No orders have been issued for inspectors of police officers to arrest motorists not displaying the new license tags. Commissioner of Revenue Doughton stated yesterday. He added it probably would be the end of the week before orders would be issued making those with old tags subject to arrest and fines.

Mr. Doughton's statement was occasioned by reports from Charlotte that R. M. Moore, state automobile inspector in that city, had received orders to begin arresting those without the new plates. Mr. Doughton said no such order had been issued to Mr. Moore or any other inspector.

**RESOLUTIONS—J. W. HEYES**

The vestry of Emmanuel church met Monday night, July 26th, for the transaction of certain business and in accepting Mr. Heyes' resignation from his charge here offered the following resolution:

"Be it Resolved, That in the loss of Rev. Mr. Heyes, a man of rare intellect and attainments, marked natural ability and magnetic personality we are deprived of a true friend, a good citizen and the church of a strong standard bearer.

Genial and pleasant in his manner, possessed of high and noble instincts, faithful and honorable in all of his dealings, such characteristics have made many true, close and lasting friendships. His matchless reading and interpretation of the Scriptures and magnificent sermons are indelibly impressed on the mind of those so fortunate as to hear him from time to time. Throughout our acquaintance and association with Mr. Heyes we have found him to be a generous, sociable, sympathetic, broad minded, public spirited, energetic fellow being, imbued with the Divine Spirit. An intensely humane impulse made all human beings love him. He looked to and lived by the noblest things in life. Pure in heart, pure in thought, pure in action, he constantly held up before his fellow beings this standard of citizenship, 'Unspotted before the world'.

In retiring from his charge here he goes to a larger field of service and usefulness, in keeping with his former record of progress since coming within the diocese and honoring us with his presence.

We mourn his loss, we congratulate those he will now serve. He goes with our best wishes, our love, our esteem, our admiration, for this sterling, noble qualities that he goes to constantly unfold.

 A. S. SYNUM, Sec.

**Trucks too feel the difference**  
 New lubricating oil shows gas saving of 17.9%

**HUNDREDS of road tests on many types of cars and trucks prove that the new "Standard" Motor Oil gives astounding results.**

A 2 1/2 ton Mack truck, for instance, ran 1,573 miles from September 24th to October 22d, 1925, showed 22.8% increase in oil mileage; 17.9% increase in gas mileage; smoother operation at all speeds; no carbon accumulation; better all round lubrication.

These results can be verified in your own car. Just get your crank case filled at a "Standard" Service Station dealer. Then expect results. You can actually feel the difference.

**7 Advantages of "Standard" Motor Oil**

1. Constant lubrication.
2. Minimum friction.
3. Less "breaking-down" under load or at high speeds.
4. More miles per quart of oil.
5. Better hill climbing—smoother operation.
6. Negligible carbon.
7. Actual saving in gasoline.
