THRIFT A VIRTUE

Instill It Young! Instill It Deep!

Every father is qualified to teach and stress the importance of thrift—whether he be personally a success or failure. If he is a success—he has known and practiced THRIFT. If he has failed, he has acquired a keen appreciation of the value of money. He knows wherein Thrift pays.

Many successful careers have started with the habit formed by dropping pennies into small home-saving banks and many fathers have talked thrift until they acquired it themselves.

When the home bank is full—deposit the saving here. We pay 4 per cent interest on savings accounts.
