 The attention of our readers is called to the big advertisement of the J. & J. Furnishing Co. appearing in this issue. They announce the beginning of a sale on their summer stock and are offering many bargains in high grade merchandise at this time. Read their advertisement for further particulars.  
 Messrs. J. M. Hoggood, J. Y. Monk, R. H. Knott, L. R. Bell, Col. C. S. Cook, H. W. Turnage, R. A. Fields and Editor G. A. Rouse attended the opening of the South Carolina tobacco market the first of this week, making the trip cross country in automobiles. They report prices good on tobacco. They report prices good according to the quality of the tobacco on the floors of the markets visited.

**NOTICE OF THANKS**  
 I wish to take this method of expressing my deep appreciation to all of my friends for their thoughtfulness and kindness to me in the hour of my great bereavement, the loss of my mother. The many beautiful floral offerings and the expressions of sympathy bespeak to me your thought and friendship, and are deeply appreciated. DR. W. M. WILLIS.

**Local Ki-Klux-Klan Donates To Orphan**  
 At the presentation of a concert by the children of the Methodist Orphanage, Raleigh, given recently in the Methodist church here, the local order of the K. K. K. presented the children with the sum of forty dollars, showing to some extent their interest in this great work.  
 The donation was presented by several of their members who marched to the church in a body, wearing their robes of spotless white. The donation was gladly received by the pastor of the church in behalf of the children.

**IN HONOR OF MISS SUCHAN**  
 On Wednesday morning Miss Margaret Davis entertained some of her friends at a lovely party in honor of Miss Ruth Suchan, of Henderson. Four tables were arranged and hearts dice were enjoyed from ten to twelve o'clock.  
 The porch was lovely in its colorful decorations of potted plants and cut flowers.  
 Miss Rachel Monk was for score prize, two dainty handkerchiefs. Handkerchiefs were also presented to the honor guest.  
 Little Miss Mary Frier Rouse, in her graceful manner, assisted by Miss Eva Mae Turnage, served a fruit salad, saltines, pickles, sandwiches and iced tea. After which they all departed, declaring Margaret to be a charming hostess.

**Attend Meeting**  
 A. J. Moye, president, and D. E. Ogleby, secretary - treasurer of the Farmville National Farm Loan association, attended the meetings of the 516 local associations of the Carolina, Georgia and Florida last week held at the Columbia Federal Land Bank for the purpose of discussing the business of making long term loans. Howard C. Arnold, president of the bank, told the delegates that farmers in these four states have borrowed more than \$77,000,000 through these associations since the bank was established nine years ago.  
 "This means that more than 36,000 farmers have been served with first mortgage running in most instances for 25 years, at the lowest rate of interest prevailing in the southeast. Most borrowers have gotten their money at 7-8 per cent, the rate prevailing at present. Further, the fee for inspection, searching title and other work incident to making a loan are the lowest charged anywhere in these four states."  
 "It has been conservatively estimated that borrowers are saving at least two per cent annually which would mean a total of more than \$1,600,000 each year.  
 "I am glad to say that farm land in these states is again beginning to sell. We have sold about 100 farms and still have some for sale on very easy terms—20 per cent down, 60 per cent carried on a long term Federal Land Loan at 5-7-8 per cent, and a second mortgage at the same low rate of interest. A tenant or other farmer can buy these farms on these terms, operate them and pay for them more cheaply than he can rent. The farms are almost all located in Georgia and South Carolina, but we have a few in Florida and North Carolina."

**Church Notes**  
**THE CHRISTIAN CHURCH**

**What Are You Doing for Their Future?**  
 When your children grow up and start into the world "on their own" competition will be greater and a living harder to make.  
 It is just as much your duty to provide for their future as it is their present and lend every advantage and aid you can give them will make their life's path smoother, brighter.  
 Take education for example. You from your own experience can see how valuable a good education is, even today. The world makes room for brains pays well for intelligence. Tomorrow a college education will be absolutely essential to success. Just as essential as a high school or graded school education is today.  
 It is your duty to provide the necessary financial means for higher education. By starting a savings account now, and making small deposits you will be astonished how it will grow into large funds and make your children's future a guaranteed success.

## Veteran cars shed their carbon

**New lubricating oil proves it with Buicks, Packards and others**

**A TEST** on a Buick for carbon deposit with the new "Standard" Motor Oil showed amazing results. When the car was examined before the test there were heavy accumulations of carbon on cylinder heads and pistons. The new "Standard" Motor Oil was then put in the crankcase and the car ran 2,969 miles. Again it was examined. Most of the carbon had disappeared—the slight amount remaining was easily wiped off with a cloth.  
 The new oil is a perfect all-round lubricant, giving a complete piston seal, smoother operation at all speeds, cooler motor, increase in oil mileage of 12% to 40% and in gas mileage of 15% to 20%.  
 Verify these astounding results with a crankcase full of "Standard" Motor Oil in your own car. You can actually see the difference.  
**STANDARD OIL COMPANY (New Jersey)**

**7 Advantages of "Standard" Motor Oil**

1. Constant lubrication.
2. Minimum friction.
3. Less "working time" means less wear on all parts.
4. More miles per quart of oil.
5. Better fuel economy.
6. Keeps the motor clean.
7. Antioxidizing.
