

Ready for Hop—New York to Paris

The stage is all set for the next big air feat, a non-stop flight—New York to Paris, and here are the three famous aviators who will pilot the great triple-motored giant Sikorsky plane. They are Captain Berry, Fonk and Snody. They plan to cook dinner in New York and eat it in Paris.

CROP BRINGS IN NEAT SUM

Co-Ops Distributing \$316,000 in Few Days

Raleigh, Sept. 7.—The sale of 20,000 bales of Co-op cotton, the residue of the 1925 crop, at a higher price than was expected, has enabled the North Carolina Cotton Growers' Co-operative association to make an additional payment to members of 15 cents per 100 pounds or \$118,799.90.

Checks for this, along with checks for the First Year Reserve Fund totalling \$168,630.55, and checks for the interest on the Reserve Fund for three years, totalling \$28,475.56, will be put into the mails within the next few days, making a total of \$315,906.01 going to the farmers of the State just as the time for extra expense in harvest nears.

The Cotton Co-operatives still have a reserve fund of \$659,581.87 on hand.

Delivery to the Co-ops, of portions of the 1926 crop has already started. B. F. Spivey, of Maxton, delivering the first bale.

An advance of sixty per cent of the market value of the staple is being made this year by the cotton co-ops, in North Carolina.

Efforts to Pick Up Hat Costs His Life

Danville, Va., Sept. 6.—An effort to pick up a hat he saw lying in the middle of the road, caused Thomas Jones, of Edgewood, Henry county, to lose his life yesterday on the national highway near Boones' mill. He was riding in a car driven by George Franklin at the time. Franklin slowed down as he approached the hat and Jones swung off the car, tripped and fractured his skull against the concrete surface, dying in a Roanoke hospital.

LOCAL BANK CATCHES FORGER THIS MORNING

Greenville, Sept. 7.—The Greenville Banking and Trust Co. this morning had a check presented at one of their windows for cash. It was immediately noted by the teller that the check was forged. The man, giving his name as Norman Hyman, from Oak City, was held and an officer summoned. He is now in custody in the city jail.

It is natural to expect that there will be some so foolish as to think that they can take advantage of the rush during the opening of the market and dishonestly gain something by it. However, all the banks and warehouses are on the lookout for such and will have to turn them over to the law to be an example to others.

During the last tobacco season four persons were arrested and convicted of forgery in Greenville. Not one of them got by with it.

CUSTOM MADE CLOTHES Cost No More Than Ready Mades, But What a Difference in Appearance

There is only one you! In all the world there is no man who is your exact duplicate in proportions and measurements. Apparently there are many—but a fraction of an inch here and there makes a vast difference in the fitting of clothes.

That is why men who care always have their suits custom made. A suit off the shelf—with the trousers taken up a little and the vest adjusted fails to satisfy them.

Wear custom made, hand tailored to your measure clothing. The indication of good taste—invariably the choice of gentlemen.

The belief that custom made clothing is expensive is erroneous. You get more sit—wear and quality for your money, plus exclusive patterns and weaves of materials.
