FOUNTAIN NEWS NOTES

Misses Ethel Burkhead, Glenn Smith and Nannie Pat Dozier will spend this week end in Norfolk.

Mr. and Mrs. E. Beasley and Dr. W. C. Mercer, of Ahsokie, spent Sunday in Fountain with Dr. and Mrs. E. B. Beasley.

The many friends of Mr. R. A. Fountain and Mrs. W. L. Goodwyn wish to extend their sympathy to them and families because of the death of their brother, Mr. Charlie Fountain, of Leggetts, also to Mr. J. P. Killebrew and all family connections as to the death of their father, Mr. Jim Killebrew, who had been paralyzed several years.

Miss Daphne Owens spent last week end with her parents, Mr. and Mrs. W. D. Owens.

Miss Alley Louise Fountain was at home from Peace Institute Monday to attend the funeral of her uncle, Mr. Charlie Fountain.

Mrs. Turnage Entertains Alumni Chapter.

The Alumni Chapter met with Mrs. F. D. Turnage on Thursday evening, Feb. 3rd. This was a very important meeting as they had the election of new officers. Mrs. C. L. Owens succeeds Mrs. W. L. Goodwyn as president; Mrs. Carl Gay was re-elected vice president; Mrs. W. L. Goodwyn succeeds Mrs. B. L. Stokes as secretary and treasurer, and Mrs. J. M. Horton was re-elected reporter. At the close of business, Mrs. Turnage entertained with two tables of bridge and one table of rook. Mrs. Horton having made high score at bridge was presented with a lovely Madeira tray cloth and Mrs. H. J. Johnson, who made high score at rook, was presented with a lovely vase. Mrs. Turnage served hot coffee and apple custard with whipped cream.

Musical Trio Entertain Friends.
At the fiddlers convention a few weeks ago a band composed of Miss Nellie Wade and Messrs. T. K. Fountain and Lester Baker won first prize, which presented them with an idea of

entertaining their friends and truly met with the approval of the number that were so fortunate as to be invited. They entertained with two tables of bridge and two tables hearts. Mr. Lester Baker made high score at bridge and Mrs. T. K. Fountain high score at hearts, being presented with a box of bath powders and handkerchiefs respectively. Miss Wade and Mr. Fountain with piano and saxophone furnished delightful music during the time the others were being served with ice cream and cake, with Hallowe'en favors on plates. It was indeed a delightful occasion.

Mrs. J. E. Gay Hostess To The Woman's Club.

The Woman's Club met on Tuesday afternoon, Feb. 1st, with Mrs. J. E. Gay, with eleven present. It was a very interesting and helpful meeting, as the program was based on ways of decorating and beautifying the interior of homes. Mrs. Carl Gay gave a very interesting talk on the ways and means of buying furniture and furnishing homes. Mrs. George Jefferson discussed interior decorating, showing different cuts of draperies and what kind to use for different style windows. Mrs. J. M. Horton gave a demonstration of hooked rugs, which was also very interesting. At the close of the meeting Mrs. Gay served cream and cake.

Celebrates Sixth Birthday.

Master Edgar Case, son of Mr. and Mrs. O. E. Case, celebrated his sixth birthday last Saturday by entertaining about fifteen of his little friends at a party. The children had much fun pinning the donkey's tail on Master Frank Owens won the prize and little Miss Hannah Barrett Campbell won the "booby." The children enjoyed various games for an hour, after which they were invited into the dining room. The table was pretty with its decorations of pink. The birthday cake was quite tempting with its six pink candles. The children were served cream, cake, pop corn and home made candy.

Boy is Victim of Fall

While playing around and using the back fence for a tight rope, a boy of eleven lost his balance and fell to the ground. His wrist was so badly strained and swollen that he lost entire use of it for over a week. Remedies of various kinds failed to give the lad relief to any degree. His worried parents at last procured a bottle of Harnford's Balsam of Myrrh. A few applications quickly reduced the swelling and the pain. Hundreds of others have found relief in similar cases by using this great remedy.

Harnford's Balsam of Myrrh is a liniment and an antiseptic. It is recommended especially for use in serious cases of old sores, cuts, burns, bruises and sprains of any kind. Sold at drug stores.

"Two years ago I began using 'AA Quality' Fertilizer on cotton, corn and soy beans and have obtained most excellent and satisfactory results. This year I used 400 pounds under cotton and picked 1500 pounds per acre. It gives me pleasure to recommend it."
—O. D. Layden

Elizabeth City, N. C., May 24, 1926
"It is a pleasure to state that I have been using 'AA Quality' Fertilizer of varied analyses on different crops for the past three years and must say that the results obtained from the use of them have been most satisfactory."
—Zenas Jennings

Give your farm a chance—its profit-producing powers will astonish you

ANY soil will produce some kind of crop, but when it's given a real chance, when it's properly fertilized, it comes back with profit-making yields that fatten the bank balance and make farming a paying business.

For over 60 years "AA Quality" Fertilizers have been piling up unequalled crop records—on all crops, hereabouts and everywhere. Thousands of testimonials from farmers prove this.

selection of the world's best raw materials.

Only materials from the most carefully selected sources are used in the manufacture of these famous fertilizers. They are thoroughly blended—cured—and then screened. That's why they are always in perfect mechanical condition and why they produce such satisfactory and profitable crops for farmers everywhere.

Give your farm a chance to work for you—use "AA Quality" Fertilizer.
