Ham Smothered in Sweet Potatoes Casserole dishes are always popular with the home maker. They are easy to prepare and usually afford an attractive way to serve a number of foods from one dish. The bureau of home economics, U. S. Department of agriculture, suggests this method of combining sweet potatoes and ham in such a dish: 1 slice of smoked ham cut into slices for serving, 3 cups raw sliced sweet potatoes, 1 tablespoon butter or lard frying, 2 tablespoons sugar, 1 cup hot water. Broil the pieces of ham lightly on both sides and arrange them to cover the bottom of the baking dish. Spread the sliced sweet potatoes over them, sprinkle with sugar. Add the hot water and extra fat. Cover the dish and bake slowly until the ham is tender, basting the potatoes occasionally with the gravy. Brown the top well.
