

Heavy Sales And Good Prices Here

Sales On Local Warehouse Floors Already In Excess Of Total Sold During Last Year

Heavy sales continue on the local tobacco market, 15,689,004 pounds of the golden weed having been offered for sale here up to Armistice Day. To date this year's sales are over a million in excess of what was sold here during the entire season of 1926. Larger sales and good prices continue on the floors of local warehouses. Medium tobacco seems to be in demand and averages are higher on this grade than at any time since the opening.

N. C. Woman is Slain in Richmond

Remains Of Mrs. Elsie Holt Snipes Are Interred IN Princeton

Richmond, Va., Nov. 17.—Mrs. C. A. Holt, of Princeton, N. C., does not believe that her daughter, Mrs. Elsie Holt Snipes, pretty music teacher, killed herself. She so stated today in commenting upon the killing of her daughter.

"I do not believe she killed herself because she was too afraid of dying," said Mrs. Holt. "She always had a perfect horror of death although she embraced Christianity early in life and for a number of years was an active church worker. She was a member of the Methodist church at Princeton and sang in the choir there."

Accompanied by her husband, Mrs. Holt arrived here last night to claim the body of her daughter who died early yesterday morning at Stuart Circle hospital of a pistol shot wound in the head which John Wesley Faison secretary and manager of the Heritage Country Club, and a marriage man with five small children held on suspicion of having murdered her, claim that she inflicted herself. The body was taken to North Carolina this afternoon for burial in the family plot at Princeton tomorrow morning.

Mrs. Holt confirmed a report today that L. A. Snipes, husband of her daughter, had obtained a divorce and had since remarried. Temperamental differences, she said, caused her daughter and Snipes to come to the parting way. "It looked," said Mrs. Holt, "that they never could agree on anything." Snipes is said to be living in the vicinity of Burlington, N. C., working in a veneer mill.

Mrs. Snipes received the fatal wound in her apartment at 3181 Hanover Avenue several hours before she expired. Faison who had been going with her for several months was in the apartment at the time although he claims he did not witness the shooting.

husband's affinity although aware of the alleged intimacy between the two she took the attitude that it would soon come to an end, she is quoted as having said. She is also credited with making the statement that Mrs. Snipes recently told her that she would destroy herself before breaking up Faison's home.

According to Mrs. Holt, her daughter earned a living for a time by playing the piano in a theatre at Smithfield, N. C., after separation. She came here several years ago and had since earned a living by teaching music. She has two young sons who are said to be with their father.

Besides her parents, four brothers and four sisters survive. All reside in Princeton and vicinity except one sister.

Faison who spent last night in jail in default of \$10,000 bond furnished surety today and returned to his home. He is scheduled to be given a hearing in police court November 30. Police discovered in Mrs. Snipes' apartment today a diary which she had been keeping for several months. One line from the diary read: "We loved together until 2 a. m. on the grounds of the club."

Coroner Whitfield is planning to conduct an inquest into the case tomorrow.

ARMISTICE DAY CELEBRATED QUIETLY AT FARMVILLE

Armistice Day was a holiday quietly observed here. The tobacco market and stores were closed for the day. A number of large flags, purchased recently by the merchants, flying from the curb on Main street gave the town a festive air. A musical program was given in the High School auditorium by pupils in the morning.

Few Forest Fires in Dist. No. 4

Forestry Department Is Doing Splendid Work In This District

Only one or two forest fires have been reported in each county of this district during October. In addition to favorable weather conditions, this can be attributed to increasing carefulness on the part of farmers and hunters.

Work of the Wardens during the month was directed toward securing new men into the personnel with the following satisfactory results: Greene 33, Lenoir 6, Pitt 10, Wilson 13.

Warden fire schools were held in Greene, Pitt and Wilson counties, where wardens discussed the forest, fish and game work. A new idea was incorporated at the Greene meeting in Snow Hill, when an imaginary fire was laid out in the woods, and a crew of fire fighters under District Forester Sipe demonstrated the best methods of placing it under control.

The regular Department exhibit was displayed at fairs in Woodland, Weldon, Tarboro, Elizabeth City and New Bern. This display consists of a forest scene showing an actual fire and a contrast of a burned area and an unburned woods. Up-to-date fire fighting equipment was also shown. It is estimated that 60,000 people saw the exhibit.

Several prosecutions were conducted against violators of the forest laws. Kilby Hill, Agent of the Va. Box and Lumber Co., was convicted of firing the woods in Superior Court at Kingston and fined \$50.00 and costs. A negro was convicted in Greene County for refusing to assist Deputy Warden Forrest in extinguishing a fire. Two men in Wilson County were convicted by County Warden Pearce and in addition to their fine were forced to pay the extinction cost of their fire which amounted to \$10.00.

The forestry work is improving slowly and the favorable weather conditions this fall should enable the wardens to do work which will tend to prevent fires from occurring next spring.

Send us your next order of job work and let us prove that our claim is not idle talk.

MAJOR BENJAMINE MAY

CHAPTER D. A. B. Mesdames C. E. Townsend, P. E. Jones and Miss Annie Perkins were hostesses at the regular monthly meeting of the Major Benjamin May chapter D. A. B., on Saturday afternoon at the home of Mrs. Jones.

After the flag salute and creed the ritual was led by Miss Perkins. A report of the Finance committee was given by Miss Ellen Lewis. During a discussion of the medal to be offered high school pupils for the best paper on "Wherein Lies the Greatness of the Constitution of the U. S. A.," Miss Perkins made a spirited talk on the Constitution quoting Judge Stacy in his address at the State Federation meeting in Durham when he stated that "the individual is the constitution." Plans for an antique exhibit in December were laid, planting of trees and shrubs encouraged, (especially the planting of black walnut trees), and the regent, Mrs. T. C. Turnage, gave a synopsis of her talk at the District meeting on Crossnore School and of the wonderful work Mrs. Sloop is doing for the mountaineers. A committee was appointed to collect clothing to send there. Marking the old Tory hole at Elizabethtown, as suggested by the regent at the District meeting, was discussed. Flowers and flags were reported as placed on graves of World War heroes of the community on Armistice Day. Echoes of the District meeting held in Kinston November 9, were given by Mesdames C. E. Moore and U. H. Cozart, of Wilson, and Miss Tabitha deVisconti.

The program was as follows: "Elements of Colonial Character," by Miss Mary Barrett; talk by the regent on "The Sources of American Ideals in Commemoration of Armistice Day"; selection "Armistice Day—Nine Years After," read by Mrs. G. M. Holden; in excerpt read by Mrs. M. V. Jones from a statement by Dr. John A. Simpson, veteran Raleigh educator, concerning a future war and his prediction of the breakdown of Christianity in such an event. Mrs. R. T. Martin read Gov. McLean's proclamation for Armistice Day. A lesson on the Constitution of the U. S. A. closed the interesting program.

Mrs. Louise Harris and Miss Lida Tyson were welcomed as new members. A social course with coffee was served by Miss...

Peanut Exposition To Be Held At Ahoskie

Plans Being Made For This Annual Event In Carolina And Virginia

A great program is being fast perfected for the Second Annual Eastern Carolina and Tide Water Virginia Peanut Exposition which will be held in Ahoskie the week of December 5th. All of Northeastern North Carolina and Tide Water Virginia are keenly interested in the success of this annual event, which was held for the first time last year at Windsor, N. C., this being the second exclusive Peanut Exposition ever held in the United States so far as can be found out. The people of this section are going to make every effort possible to make it the very big success that it is entitled to be. A five-cent proposition has become a real industry and these Peanut Expositions are held annually to keep the great fact before the minds of the people of Eastern North Carolina and Tide Water Virginia.

The Exposition will open on Monday night, December 5th, at 6 o'clock with a mammoth parade. This parade will be unusual in that it will be held at night. The Virginia Electric and Power Company has agreed to light the streets of Ahoskie as bright as day, so that the floats can easily be seen and which will make it a very unique occasion for all of Northeastern North Carolina and Tide Water Virginia. The Pageant that will be held on Monday night relating to the Peanut and its growth in Northeastern North Carolina and Tide Water Virginia will be one of the biggest events ever held off in this section. Under the able leadership of Mrs. Francis Winston, of Windsor, N. C., more than 500 people are being trained for this big event. Every member of the cast will be seen in the parade on Monday night in costumes. This within itself will be worth going miles to see.

The other part of the program goes to make up a real big and well-arranged entertainment for the five days. Ahoskie's talent that will appear on the program will be the Russian Cossack chorus. Fourteen male voices will be heard Tuesday afternoon and Tuesday night, Wednesday until 5 o'clock.

A good program is being arranged especially for the colored people for this day. Wednesday night will be the mammoth Style Show featured by the singing of Miss Betty Bodie of Radio fame known throughout the whole Southland as the Georgia Blues. She has been booked for Wednesday night, Thursday at the Mid Winter Dinner, Thursday afternoon, Thursday night and Friday afternoon and Friday night. Another feature attraction will be little Miss Roberta Wynne, the youngest acrobatic dancer in America. Only six years old and yet she performs with great skill. Little Miss Roberta has appeared in the leading theatres in New York City and in Norfolk, Raleigh and other large towns of the United States. She will be on Thursday night, Friday afternoon and Friday night. A thrilling act will also be put on every afternoon and every night by the Barlow family, made up of a family of real entertainers and performers. A ten piece orchestra will be booked to give concerts every afternoon and every night during the entire week of the Exposition. By no means the Senior and Junior Queens Contest will be a small part of the program. It has always proved very popular to have Eastern North Carolina and Tide Water Virginia beautiful girls take part in this annual event. This year the Junior Queens have been added to the contest. This will stimulate interest and bring out more admirers of candidates. Another feature will be the Baby Clinic which will be held on Thursday afternoon. Prizes will be offered for the most perfect boy baby and the most perfect girl baby. The ages of these will run from eighteen months up to thirty six months old. The local doctors of Ahoskie have kindly consented to assist in putting over the clinic. This is open to any of the candidates in Eastern Carolina and Tide Water Virginia. For information about this write Mrs. C. A. Ross, Ahoskie, N. C. Monday night has been designated as Ahoskie night. Every body in Ahoskie is urged to come and welcome those who will come from the other towns and counties.

Tuesday has been designated as Hertford Day; Wednesday up until 5 o'clock will be designated as colored peoples Day; Thursday is Virginia Day. All towns in Virginia are urged to send large delegations on Thursday. Friday will be school childrens day. Schools within easy reach of Ahoskie are asked to let the children out Friday afternoon in time to attend the Exposition. The Basket Ball Tournament this year will be a great drawing card as heretofore. Schools that are participating entering in this contest should notify the Secretary Manager, N. G. Barrett, Kinston, N. C.
