Bank of Farmville Pays Dividend and Sets Up Surplus and Reserve

Annual Stockholders Meeling Held Thursday Report of Cashier D. E. Oglesby Shows Bank Has Shown Steady Progress. Stockholders Granfied With Results.

The annual meeting of the stockholders of The Bank of Farmville was held in the directors' room of the bank Thursday afternoon at 2 o'clock. President R_ L. Davis presided over the session. A majority of stock was represented either in person or by proxy. A four per cent dividend was declared and paid to its stockholders.

The report of Cashier D. E. Oglesby was one of the most illuminating and satisfactory in years. It showed the institution to be in a most healthy condition with brightest prospects for continued development and expansion in the future.

The report showed that net earngiven at \$1,203,627.48.

The report also showed that since erecting their handsome bank building fall farrow of pigs for next winter's in 1921, which cost \$152,500, \$77,500 meat. Spring farrowed pigs, that is of this amount had been charged off, say in April; can be made to weigh reducing the building to only \$75,000.

In addition to the dividend paid to this year, a surplus of \$5,000.00 was lard just as good. set up and \$4,520.62 was placed to the account of undivided profits. The remaining \$5,000.00 of the total earnings for the year was credited on the account of furniture and fixtures.

President Davis and Cashier Oglesby both expressed gratification at the be fed out and shipped with the March progress made by the bank during and April carlot shipments of poultry. the past, and felt sure the future held Last year more than 30,000 lbs. of much greater prospects. Several of the stockholders spoke briefly commending Cashier Oglesby and other 40,000. There are now two modern officers of the bank for the spendid progress reflected in the showing of condition of the bank.

Farm Notes

(By E. F. Arnold, County Agent) We as farmers are not etting the world afire with our hog and hominy program, but we are hammering away. Since last June we have immunized more than 5,000 head of hogs, shipped three cooperative cars and have more corn to feed hogs on for the spring market than we have ever had. Plans are under way now to feed several cars of hogs for April shipments. Farmers who have a few hogs they would like to feed out ings of \$18,520.62. Resources were should get in touch with this office and line up for the spring carlot shipments. It does not pay to keep last more than 200 pounds gross which should be big enough for any normal stockholders at their annual meeting man. The meat is sweeter and the

Poultry Work Moves Forward We are still plugging along at our program of more and better poultry on the farms of Pitt County. This week orders were placed thru this office for 2000 baby chicks which will poultry was shipped from Pitt County and this year we hope to make it poultry houses going up in Pitt in months, the Pitt County Medical County.
