None in New York City is estimated to cost \$2,000,000 a year, and think what some fine amounts would be if we were full.

Many people have a problem in their minds and wonder just what they can do to help the poor without giving up their own comforts.

At present the modern methods of giving are several steps before the old method that they haven't made a single mistake in contributing much.

Cards, Envelopes, and Postage stamps are the best ways to do this. The Center, Monte Carlo, to receive the money, and the rest of the time of the day.
