Buick's remarkable combination of modish, graceful beauty—maximum head-room—and ability to clear the ruts—is the direct result of the Buick double-top frame.

This brilliant advancement, pioneered by Buick months ago, places Buick far ahead of other cars in beauty, safety and all-around roadability.

**Long Troubled  
by  
Constipation**

"Black-Draught has been a family medicine with us for fifteen years," says Mr. F. M. Huntley, of Neosho, Mo. "I read about it first in the Ladies Birthday Almanac and what I read there sounded so convincing I made up my mind to try Black-Draught, as I had been troubled with constipation for a long time.

"I found Black-Draught to be the ideal medicine for this trouble. It gave me quick relief. Frequently I had had headaches and pains due to toxic poison. By taking a course of Black-Draught I gave my system a thorough cleansing, and I have had little or no trouble since then.

"Now, if I am becoming constipated, I take several small doses of Black-Draught, and am very soon feeling better."

Cost only a cent a dose.

**Why Do Girls of Today  
Rouge Their Cheeks?**

Rouge is as much a part of the modern young lady's toilet as water applied in the morning; it serves to erase the effect of a late hour dance and present an appearance of youth and good health so desirable now-a-days.

Your home has had a six months' session of fighting the effect of wind, rain, storm and sunshine. A good coat of PAINT will erase the dingy drab appearance gained in its battle with the elements and will make it look like a new place—a source of pride to you, your family and your city or section.

Sherwood Williams Paint is made for this purpose. Although it costs a little more in the can, it is cheaper in the long run. Don't paint your house with apple sauce. There is a faker in the can of cheap paint.

If you think of doing some painting this season and need paint, come to see us and buy the best—which is—**"SHERWOOD WILLIAMS"**
