On Best Thursday and Friday, Ock. 30th and 31st, the American Legion. will stage the sensational comedy drama of rookie life and is a scream from start to finish. It is not only a rollicking comedy but has also a great deal of patriotism and is staged in a very spectacular manner . It is, without a doubt the greatest show ever offered by an amateur east. It is put on under the direction of the Universal Producing Company, and everywhere the show is acclaimed an unusual success. The scene is taid in the company street of Camp Shove Off, with an army barracks as a background. Special scenery and costumes for the production are being shipped here by the company. It is a unique and sensational production.

The story of "Corporal Hagen" centers around Red Eagen, an Irish doughboy played by Lath Morris, and his screamingly funny Jewish bucdy, Izzy Goldstein, played by Julian Rumley. Eagen and Goldstein have been in the army only thirty days, just long enough to think that they know it all and know nothing. They pretend to be very brave and in fact are very scared when anyone is ground. Red Eagen is looking for a big promotion because he told his girl Sally O'Neil, played by Elizabeth Fields, that he was going to be a captain. However instead of getting a captains job, he Red has to hide to keep her from Red, thru an accident, captures the infant. spy, saves his girl and is promoted to She avows that she had not abban-Cornoral.
