

**TEN PER CENT OFF TO YOU, FOR A QUICK PAYMENT!**  
 For the payment of your account between now and Thanksgiving Day. If you owe ten dollars, pay nine; if twenty-five, pay \$22.50; if \$50, pay \$45; if \$100, pay \$90. It's money in your pocket for a quick payment. Owing to the short crops, low prices and hard times, this proposition is offered to help all of those people who are anxious to pay their bills. Today is the time to ACT.

**F. H. S. NEWS NOTES**

This is the week for monthly tests. Monthly tests count as one-third of the month's work, therefore the month's grades will to a great extent depend upon the test grades.  
 The grades for last month were not nearly so good as they should have been. Great improvement should be made this month if we are to have the best school year that we have ever had as far as grades are concerned.  
**Last Friday's Chapel Talk**  
 Last Friday morning the most important part of the program was a talk by Miss Hillhurst from Greenville. The most particular thing that she talked about was a story in a book written by Miss Ruth Slattery, the title of the book was "Yes or No." These two little words spell success or failure for every one. Would Napoleon have said "yes" had he known his destiny? Would we say "no" to our conscience when it tells us to do a thing if we knew where we would end up?  
 Miss Hillhurst told the story of a girl who always said yes, when she knew that she should, no matter how great the ridicule upon her might be. This girl made a great success in life. One of her boy companions always said no because he was ashamed to say yes. In later years he regretted saying no but he cannot wipe that black mark out of his life because it is firmly imprinted here. Therefore we should always consider what might possibly happen before we say yes or no.

**"PASSION PLAY" TO BE SHOWN IN ROCKY MOUNT ON NOVEMBER 14 AND 15**

Rocky Mount gets the great Freiburg "Passion Play" for two days starting Nov. 14th, being brought to that city by the First Methodist church and presented at the High School auditorium.  
 Groups and parties are being organized to attend from a radius of 65 miles. The event is looked upon in Rocky Mount as the outstanding Civic Event of 1930.  
 Only 32 leading cities of America have seen the great Freiburg "Passion Play" in their sublime spectacle the "Passion Play", as presented in English at the High School Auditorium, two nights and one matinee, beginning Nov. 14th; the special students reduced price matinee will be on Saturday, Nov. 15th, at 2:30 o'clock.  
 This excellent organization will be brought to Rocky Mount and presented at a scale of prices unheard of before for a production of this magnitude, but the reduced prices will be more than balanced by the tremendous increase in attendance. Mail orders are arriving daily, and large numbers of people from out of town are to be guests in the City at some time during the run of the play.  
 The prices arranged especially for this engagement will be \$1.00, \$1.50 and \$2.00, and special attention will be given out of town groups attending in a body. "Passion Play" headquarters, 142 South Main Street, telephone 140.
