Conference Ordered on School Bills Sales Tax Passes Us Last Hundle

Sine Die Adjournment Louare Not Generally Expected Until Next Week With Some Holding Dissenting View

Raleigh, May 12 .- After finally enacting the highly controverted three per cent general sales tax into Forty-Four Week Plan law by adopting the conference revenue bill report on its third reading yesterday, the Senate last night sent the public school machinery bill to conference by refusing to concur in the 25 House amendments.

pected that the conference report the institute's directors had recomwill be of such a nature as to post- mended to the industry a work-week pone sine die adjournment until next in cotton mills not to exceed 40 hours week. The confereee are expected to during what Sloan referred to as the report today.

last night as to the outcome of the plan is to become effective in House amendments for supplements order to permit readjustment of orfor vocational education and barring ganization and clearance of orders supplements in districts in default taken on present costs, based on at the time of the supplement.

The House amendments exempting Cherokee, Currituck and Martin counties from supplement provisions were expected to remain in the bill. Elimination of those amendments would require additional readings in the House, where the problems of a quorum may become acute next week. It is not expected that any con-

ference report adopted will require additional readings in the House, but presiding officers of both bodies have held that the minth month amendment is material, which means that a report embodying that provision cannot be finally passed in the Senate before Monday, even though the re-came to a successful close on Well proud of the fact, and you would be tions. port be adopted by both bodies today nesday night of this week.
