by the House and 'favorably reported by the Senate committee. In addition more payments to wheat farmers under a contemplated second acreage reduction would bring the total well above a billion dollars.

Officials revealed that the only \$200,000,000 of this would be paid out of the Treasury if their plans carry through, the balance being due to come from processing taxes. Secretary Wallace even planned repaying this sum out of the proposed processing tax on butter fat.

According to the various programs now under way, the total will be expended as follows:

Corn and hogs, \$367,055,630; wheat, \$81,024,727; cotton, \$173,220,620; tobacco, \$35,415,000; corn \$191,796,721.

ties or other political sub-divisions said here upon his return from a twoday trip to Washington as legislative of states to scale down the principal and interest of their debts through representative of the American Cotan agreement with the majority of ton Cooperative Association. their creditor s.

Legislation already is in effect which enables the individual to rearrange his debt and interest rates through a pact with the majority of those he owes and to give similar help to railroads. There have been complaints that these laws have not

been particularly effective and that they need strengthening. The President, in letting it be known that he thought the debtor

was paying too much on obligations contracted in better times, did not

Baleage Tax To Hold Next Crop to 9,000,000 **Bales** Now Appears

Washington, Feb. 7 .- A long stride toward federal control of agriculture's output was taken today through formal approval by Secretary Wallace of the Bankhead bill to limit cotton marketed in the 1934-1935 season to

A statement issued at the farm administration said:

"If, as indicated by results of the questionnaire recently circulated among cotton growers, the South strongly favors the proposal, he (Sec-

Only a little while before, Senator Bankhead (D-Ala) author of the cotton measure, said the Secretary of Agriculture "is agreeable to the application of the proposed baleage limitation to this year's crop, and they are ready to go."

Approval by Wallace of the Bankhead bill apparently insures its passage by Congress. President Roosevelt already has given tacit support Doctor Allen said he was not certo its principles, but his Secretary of tain of just what the terms of the Agriculture, although asserting he bill are but he understood the School would be guided by the wishes of Commission would be able to apply the growers, has been dubious about the money to increasing teachers' compulsory measures.

Of the total tobacco payments, do not appeal to farmers who own and suggested two methods. One was on a voluntary basis and the other through legislation which Cotton farmers are supporting the would enable the debtor to get rebill of Congressman Fulmer (S. C.)

Southern farmers will receive \$153,-283,330, or practically all of the tobacco payments amounting to \$33, 099,939.

North Carolina will receive \$12,147,- and operate trucks. 600.

Death Rides The Highways of This Section

Seven Killed in Series of Schaub Defines Accidents in This Patrol Division During January

Greenville, Feb. 7 .- Death stalked the roads of this highway patrol division during January and claimed the lives of seven persons, the monthly report of Lester Jones, patrol lieutenant, revealed today. The figure was the highest recorded for any single month since establishment of the new patrol division, only six deaths having been reported for a previous month.

The report also shows that twentyfive persons were injured in the series of wrecps investigated from time to time by the patrol. This figure was the same as the previous month, and probably smaller than some months.

The patrolmen investigated total of 48 accidents and 538 persons were arrested for various kinds of traffic violations. Of this number, lowing signing of reduction contracts death of Mrs. Z. M. Whitehurst, Sr., 535 were found guilty and received sentences totaling 137 months.

The report also revealed that 519 persons were warned for parking on the highways, 114 for hogging the roads, 14 for hearse driving, 119 for entering the highway without stopping, 194 for walking wrong, 169 for speeding, 402 for carrying odscure tags, 46 for driving on the shoulders, 35 for passing persons on curves, and seven for passing drivers on hills.

Total warnings issued by the patrolmen were given at 1,963, and the total number of violations were 3. 251.

Fifty-four persons were arrested
