The Merry Matrons concluded their club year with a delightful meeting on Tuesday afternoon, at which Mrs. M. V. Jones was hostess.

C. Monk a group of songs by Miss Mary K. Jerome, of Atlanta, Ga., who also gave a reading, "I Am Music," followed by a talk on "Life Saving," by Billy Morton, who has recently completed a course at the American Red Cross Aquatic School, Brevard, N. C., demonstrating the late methods of artificial respiration with Ras Jones as his subject.

LEGION AUXILIARY ENDORSES MRS. SHUMWAY AS DEPARTMENT PRESIDENT

Holding the final meeting for the summer months, the Farmville American Legion Auxiliary met Thursday afternoon at the home of Mrs. W. M. Willis, with Mrs. J. O. Pollard as joint hostess, and with the former presiding in the absence of the president.

A report of the treasurer, Mrs. C. A. Tyson, gave the sum of \$76.15 cleared from recent benefit projects, and a report of child welfare work, given by Mrs. Willis, presented outstanding achievements in this branch of service.

After due consideration of the Auxiliary service record of Mrs. M. H. Shumway, Lexington, this group went on record as endorsing her for the next department president.

The Membership Message of Mrs. J. B. Faulkner, national membership chairman, Southern division, was read, together with a communication from Mrs. Tom C. Daniels, department membership chairman, of New Bern, urging that each unit reach its desired quota before the convention in August.

Interesting and timely was an excellent paper, read by Mrs. Haywood Smith, on the subject of "Peace With Security."

A variety of dainty sandwiches and tea were served by the hostesses after adjournment. Artistic arrangements of summer flowers made the Willis home most attractive and inviting.

Gaming Humored

"Now, sir, what do you think of that?" said the mother, after she had heard Bobby's sum. "I don't think at all," replied the youngster. "My train of thought has been delayed by a hot hen."—New York Herald.

Thin, Worn-Out Tires Unsafe For Holiday Driving

Local tire dealers are taking an active part in the national effort being made to insure a safe and sane Fourth of July in their home towns by urging tire inspection that will remedy or eliminate doubtful tires which may mar the holiday.

"There are doubtless more cars in operation now than there were at the same time last year," said W. C. Wooten, manager of the Farmville Service Station, local Goodyear dealers, commenting upon the situation, "which means that in the case of holiday travel highway accidents are more likely to happen if a great many of these cars have to stop to repair tires or, worse, if tires go flat or blow out when traveling in heavy traffic.

"It is now pretty generally known that tires that are thin and well worn can't stand the gag of summer driving on hot pavements. It is only natural that more tires 'let go' in warm weather than in cold because hot days expand their air pressures and the thin casings won't stand the added strain.

"About the best insurance for trouble free driving, Mr. Wooten pointed out, it to take a few minutes for a careful check-up at a reliable service station. The Farmville Service Station will make this inspection without charge or obligation.

Kept Taking Cardui Until She Got Rid of the Severe Pains

When Mrs. Ida Hage, of Hillsburg, Ind., was in a painful, run-down condition, she took Cardui, with the results she describes below: "I had just been what one might say dragging around, feeling miserable and all out of sorts. I remembered how Cardui helped my aunt. I sent for six bottles of Cardui and when I had taken them, I was much better and stronger. I did not suffer so much p-in. I continued taking Cardui until I had taken nine bottles. I do not have the severe pains. . . . Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician."
