**To Begin Work Of
Fixing Allotments.**

County cotton committees and farm agents will shortly begin work fixing the allotments of lint cotton that may be sold tax-free by the growers within a county.

Each county has been allotted the amount of cotton which will be exempt from taxation but the next task is to apportion this lint among the various farms. This cannot be done until all growers have filled out form B A 8, known as the "Application for Allotment and Tax-Exemption Certificates pursuant to the Cotton Act, Approved April 21, 1934."

This form, says Charles A. Sheffield, assistant extension director at State College and in charge of the cotton program, will be filled out largely from the contracts on which rental and benefit payments have been based for those who are co-operating in the adjustment program. When all applications have been received and approved by the county committee, these will be forwarded to the State Board and the individual allotments made. Each person's allotment will be figured from the total applications approved and the amount of cotton available tax-free for the county.

"We have not yet received the various forms and regulations for starting the allotment work," said Mr. Sheffield, "but we will get to this just as soon as we have the compliance work well under way. It will take considerable time to copy all the information from the contracts onto the application blanks, but AAA has authorized us to secure the necessary help in each county and to proceed as soon as the forms have been delivered."

Mr. Sheffield pointed out that only 90 per cent of the cotton would be allotted on the applications and the remaining 10 per cent allowed North Carolina would be used to give allotments to new growers, and others who did not have a "base" in the adjustment program.

Pitt County cotton growers received \$30,000 last week as a payment on rentals of cotton land taken from production this year according to contract.

Warren County farmers are growing feed and food crops on the acreage rented to the government and the county agent says he expects to see a supply sufficient for the winter produced.

Now that small grain has been harvested in piedmont Carolina, the growers report excellent growth of lespedeza planted early last spring.

PERSONAL PRIDE AND THE LAW

(By J. B. Lewis)

The people of the Town of Farmville can now show the pride they take in the beauty of their homes and their town; the weeds are growing on vacant lots and along the sidewalks of those occupied; there is a law providing that it shall be a misdemeanor for the owner of a vacant lot to allow the weeds to grow thereon, but the owners could take pride in their town and keep the vegetation cut or so controlled that the town would be beautified, and those who occupy homes should take a personal pride in the place they live and make it as beautiful as possible.

All persons owning vacant lots are requested to keep the weeds cut for two reasons: "To beautify the Town and to obey the law; all persons occupying homes are requested to cut the weeds and grass growing on the sidewalks and along their garden fences to demonstrate their personal pride in their homes and the town."

Every time the town street force has to cut the weeds along the sidewalks or on a vacant lot, it means increased taxes; if everyone will work together to produce town expenses, then taxes can be reduced.

At the last meeting of the Town Board of Commissioners, a motion was unanimously passed to reduce the minimum light rate to \$1.00 per month.

NOTICE OF SUMMONS

North Carolina, Pitt County, In the Superior Court.

R. C. Butler
vs.
C. L. Perkins and Mrs. C. L. Perkins.

The above named defendants and all other persons claiming any interest in the subject matter thereof will take notice that an action entitled as above has been commenced in the Superior Court of Pitt County, North Carolina, to foreclose certain certificates of tax sales and liens for taxes against certain tract of land in Carolina Township, Pitt County, as follows:

Known as part of L. F. Perkins division, 6 acres, owned or formerly owned by C. L. Perkins and wife, or being listed for taxation in their name for 1930, and other years shown in complaint filed in said action.

And all of whom will further take notice that they are required to appear before the clerk of the Superior Court at his office in Pitt County, North Carolina, and present and defend their respective claims within six months from date hereof, or be forever barred from any and all interest therein or claims in or to the proceeds from sale thereof.

This July 2, 1934.
J. F. HARRINGTON,
Clerk Superior Court.

Learned Her Lesson.
A friend of ours was a collector for a lodge. His little daughter was in the habit of accepting pennies from the members. Her mother chastised her and told her she must not accept pennies any more. So the next day, when one of the members offered her a penny, she said: "I can't take pennies; I can only take nickels and dimes." — *Perkins*

STATE OF NORTH CAROLINA—County of Pitt, ss.

J. M. Horton, Cashier, E. B. Beasley, Director, and G. W. Jefferson, Director of the Bank of Fountain, each personally appeared before me this day, and, being duly sworn, each for himself, says that the foregoing report is true to the best of his knowledge and belief.

J. M. HORTON, Cashier,
E. B. BEASLEY, Director,
G. W. JEFFERSON, Director.

Sworn to and subscribed before me this 10th day of July, 1934
(SEAL) J. L. PEELE, Notary Public.
My commission expires January 16, 1935.

That corn planted on land where lespedeza was grown last year has made best growth in Caswell County so far this season.

Six pure bred Jersey calves have been placed so far this year with the 4-H club members of Caldwell County.

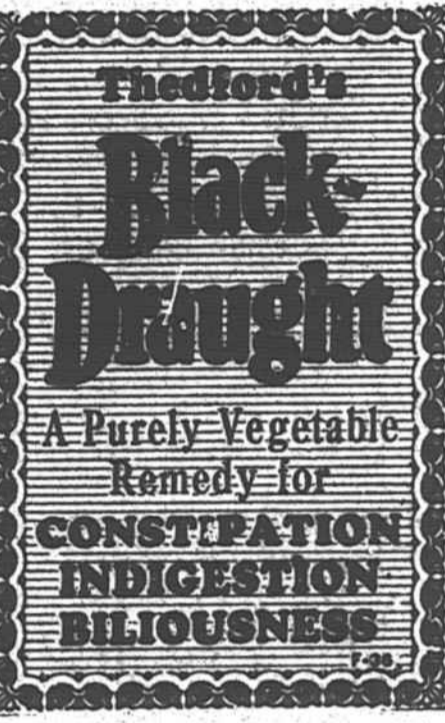

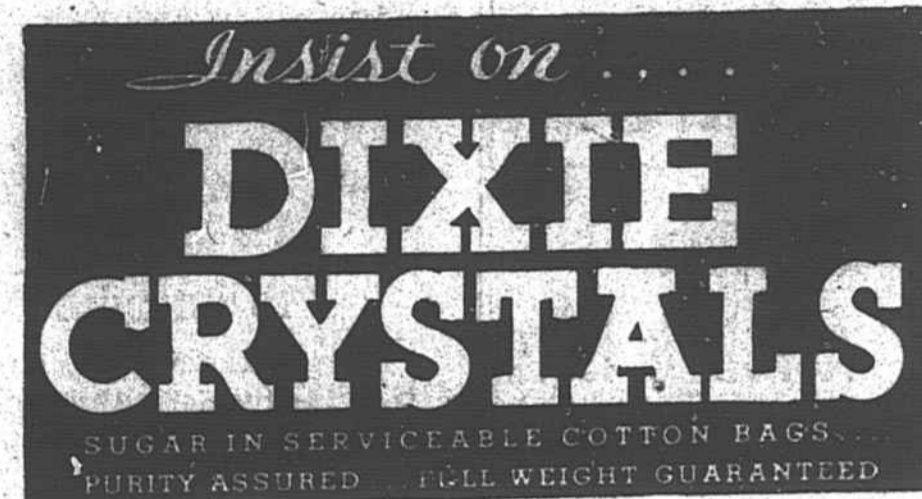

It will be necessary to measure 16,000 tobacco fields in Surry County to survey the acreage affected by the adjustment contracts signed by growers.

The wool pool arranged by County Agent W. B. Collins was participated in by 252 Alleghany sheep growers who sold 18,678 pounds.

Don't let listlessness or fatigue threaten your enjoyment of gay summer parties! When your energy sags, light a Camel. You quickly get a "lift" which sweeps away that tired, cross feeling. Smoke all you want. Camels are made from costlier tobaccos. They never ruffle your nerves!

"Get a LIFT with a Camel!"

**Feels a Lot Better
When Black-Draught
Relieves Constipation**

From many states come reports like the following from Mr. W. M. Henderson, of Jasper, Fla.: "I have been taking Theodor's Black-Draught twenty years. I take it for constipation that gives me a dull, tired, aching feeling, and I have headaches, too. Black-Draught relieves me of this trouble. After a few doses, I feel as good as new. I keep it in my home. I have a big family. When one of us is ailing (from constipation), we take Black-Draught and almost always feel a lot better. It has been worth its weight in gold to my family." ... Sold in 25¢ packages. "Children like the Syrup."

NOTICE OF TRUSTEE'S SALE

Under and by virtue of the power of sale contained in that certain Deed in Trust executed and delivered to F. G. James, Trustee, by J. H. Coward and wife, Blanche Coward, and A. R. Cannon and wife, Hattie K. Cannon, on the 10th day of January, 1927, which said Deed in Trust is duly recorded in the office of the Register of Deeds of Pitt County in Book O-16, at page 521, default having been made in the payment of the indebtedness thereby secured, the undersigned will offer for sale, for CASH, before the Court House door in Greenville, Pitt County, North Carolina, at 12:00 o'clock, Noon on Wednesday, August 8, 1934, a one-half undivided interest in the following property, to-wit:
"That certain tract of land situate in Ayden Township, Pitt County, bounded on the North by the lands of Luther Dail and Harvey Dail; on the South by the lands of C. V. Cannon and wife; on the East by the lands of T. R. Allen, and on the West by Little Contentnea Creek, containing 251 acres, by estimation, and being the same land conveyed by Absley P. Rountree or Henry M. Rountree on October 26, 1858, by Deed recorded in the office of the Register of Deeds of Pitt County in Book P-P, page 190, and the same land conveyed by R. H. Rountree and wife to Winnie May by deed recorded in Book Y-Y, page 285, and being the one-half undivided interest conveyed by A. R. Blount to A. R. Cannon and J. H. Coward."
This the 6th day of July, 1934.
F. G. JAMES, Trustee,
CHAS. JAMES y J. B. JAMES, Executors.

BEAUTY in the HOME

Modern Home Decorative Service

A Black And White Bathroom

THIS more than usually attractive bathroom designed by George Sekler illustrates the effective use of white in the most modern manner and what really smart effects can be gained, either when building or remodeling, by the use of a black and white color combination. It also suggests easy conversion of the average bathroom to a scheme which is distinctly modern. The lower half of the wall is in black lacquer, the upper half in white paint. The floor too is in black and white pattern. The wall paneling which can be installed with-

out tearing down the walls—as the unit is complete in itself—and the dressing table of black glass and chromium, further carry out the black and white modern note. In remodeling a bathroom to conform to the returned vogue of white, it is important to plan for a wall finish that will stand hard washing. The new household finishes, which stay white and do not turn yellow or gray with age, are especially well adapted to bathroom use because of their exceptional durability under hard wear, and their pure whiteness which has distinct decorative value.

KNEE-ACTION

tops a 22-year record of engineering progress that makes Chevrolet the best riding car in the low-price field

CHEVROLET Year after year, it's been the same story: Chevrolet **FIRST** with the **NEWEST** and **BEST!** Chevrolet **leading**—others **following**. Chevrolet **out in front** with the latest proved advancements. Self-starter! Sliding gear transmission! Streamlined design! **It was Chevrolet aggressiveness and progressiveness that forced all low-priced cars eventually to adopt these and other major improvements.** And now, this year, comes the climax of Chevrolet's engineering leadership: the **Knee-Action ride!** This

newest of motoring sensations is a marvel of smooth, easy, gentle motion. No other ride in the world can even compare with it. It makes Chevrolet far and away the best riding car in the low-price field.

Have you noticed how America has taken to the Knee-Action ride? In the first 6 months, demand for Chevrolet cars sent production to the highest total attained by any automobile during 1934.
