Today's Live News For Fat Folks

3 GREAT LETTERS READ THEM ALL

From all over the country—north—south—east—west come letters of praise for the world's safe and healthful enemy of fat—don't miss these 3 letters.

"I am using Kruschen Salts on advice of my Doctor. Have used three bottles and lost 15 lbs., and gladly recommend it to all my friends." Mrs. G. W. Bryant, Foxboro, Mass., 1934.

"I am using your Kruschen Salts for constipation and reducing. Have taken 3 jars and have lost about 20 lbs. I can recommend it to be great." Miss A. J. Harber, Pineville, Ky., 1934.

"I have taken 3 bottles of Kruschen. I weighed 256, I reduced 56 lbs., and felt better each day, have got my 4th bottle." Ed Jordan, Leaven, Ariz., 1934.

If you are proud of your double chin and bulging abdomen don't take Kruschen Salts. Ed Jordan made up his mind to take off 50 or more pounds of fat—and he did—Ed was sick and tired of lugging it around with him—persistence won for Ed as it will for any fat man.

A half teaspoonful in a glass of hot water before breakfast every morning—get Kruschen at any drugstore.

Lady Says She Took CARDUI for Cramps;

Was Soon Relieved

Women who suffer as she did will be interested in the experience of Mrs. Maude Crafton, of Belleville, Ill., who writes: "For several years, I suffered from irregular trouble and cramping. There would be days when I would have to stay in bed. I would get so nervous, I was miserable. My aunt told me to try Cardui. She believed it would build me up, regulate me and help the nervous trouble. I knew after taking half a bottle of Cardui that I was better. I kept on taking Cardui and found it was doing me a world of good. I am in good health, which means a lot to me."

Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician. ... Price \$1.
