FOUNTAIN NEWS

(By MRS. M. D. YELVERTON)

PERSONALS

Mrs. J. N. Fountain and sons, John, Jr., and James Barker, are visiting relatives in Lumberton.

Friends of Bruce Beasley, Jr. regret that he is ill at Darlington School, but wish for him a speedy recovery.

Mrs. H. L. Stokes and children, Talmadge Charlotte and Joyce Lane, of Grifton, were week end guests of Mrs. G. W. Lane.

Students of Fountain High School who won in the preliminary debate Monday, are, Lucile Owens, Ferebee Beasley, Frank Owens and Sidney Holland. These students will now compete with two other schools in a triangular debate.

CARD OF THANKS

We wish to express our deepest appreciation for the many manifestations of sympathy extended to us during the recent illness and death of our father. For the beautiful flowers we are very grateful.

Mrs. J. T. Bundy,
Mrs. W. R. Owens,
Fountain, N. C.

WOMAN'S CLUB MEETS

Fountain Woman's Club met Tuesday afternoon at the home of Mrs. G. W. Jefferson.

Mrs. R. A. Fountain, Jr., the newly elected president, called the meeting to order and discussed with the club members certain activities in which she wanted the club to engage. Namely—cooperating with the English Department of the High School in promoting "Better English Work" and to work with the town authorities in observing a "Clean-up-Week" at an early date.

Mrs. Fountain paid a very beautiful tribute to the memory of Mrs. H. F. Owens. She portrayed her as a loyal club member and a faithful citizen of the town. She also appointed a committee to draw up resolutions of respect—a copy of which to be sent to the bereaved family.

Mrs. L. P. Yelverton as chairman of the Literary Department gave a very interesting program on the "Life of Joan of Arc." Those assisting her with the program were Mrs. W. L. Owens, Mrs. R. A. Fountain, Jr., and Miss Mary, King Fountain.

At the conclusion of the program the hostess served a delicious salad course with Russian Tea. Mrs. Jefferson was assisted in serving by her daughters, Ann Marie, Mary Emma and Martha, also by Mrs. C. L. Owens.

50 COMICS IN COLOR

You'll like the new handy-size Comic Weekly which comes regularly with the BALTIMORE SUNDAY AMERICAN. This great section carries more than 50 DIFFERENT COMICS AND ADVENTURES every Sunday. Read the BALTIMORE SUNDAY AMERICAN regularly. On sale by your favorite newsdealer or newsboy.

NOTICE OF RE-SALE.

By virtue of the power of sale contained in that certain mortgage executed by J. A. Holloman and wife, Addie Holloman, to D. F. & R. O. Lang, on the 3rd day of January, 1929, recorded in the Register's office in Pitt County, in Book V-17, page 54 and, pursuant to an order of re-sale made by the Clerk of the Superior Court of Pitt County, and default having been made in the payment of the indebtedness secured by said mortgage, the undersigned, will on Monday, February 25th, 1935, at twelve o'clock Noon, in front of the court house door, in the Town of Greenville, North Carolina, sell at public sale, to the highest bidder, for cash, the following described real estate: to-wit:

Lying and being in Farmville Township, County of Pitt, North Carolina, being bounded on the North by the lands of Effie Norville, on the East by the lands of Julia Allen, on the South by the lands of J.W. Parker and on the West by the lands of J. W. Parker, containing 45 acres, more or less. Being the shares allotted to the said J. A. Holloman, in the division of the lands of Stephen Holloman, being the shares allotted J. A. Holloman as heir and as purchaser of the interest of Louise Holloman and Ray Holloman. Being the entire right, title and interest of the said J. A. Holloman. Reference being made to a report of Commissioners for a more fully and complete description of said lands.

Said sale is made subject to all prior claims and encumbrances against the aforesaid described premises.

This the 8th day of February, 1935.
D. F. & R. O. LANG,
Mortgagees.
R. T. Martin, Atty. 2w.

MAURY NEWS

(By MISS MATTIE LEE SUGG)

PERSONALS

Mrs. R. E. Willford is sick with the flu this week.

Mr. Harmon Hardy was a Wilson visitor Monday.

Mr. M. H. Tucker spent the week end at the home of C. F. Hardy.

Miss Adele Cobb spent the week end at her home in Jason.

Mrs. L. A. Moye and daughter, Jeane, spent Thursday in Greenville.

Miss Letha Newton spent the week end at her home near Rocky Mount.

Mrs. Bert Hardy and Miss Miriam Mullins were Goldsboro visitors on Saturday.

Mrs. I. W. Dixon of Black Mountain spent Wednesday with Mrs. Herbert Sugg.

Mr. and Mrs. W. J. Turnage of Greenville spent Sunday with Mr. and Mrs. Bill Sugg.

Mr. E. A. Rasberry returned to Raleigh Monday after spending the week end at home.

Miss Agnes Virginia Quinerly of Ayden spent the week end with Miss Esther Lou Albritton.

Mrs. Snip Quinerly and son, Charles, of Ayden visited Mr. and Mrs. Hardy Albritton Sunday p. m.

Mr. and Mrs. M. H. Tucker and Mrs. Hardy Albritton and Esther Lou were Greenville visitors Saturday.

Friends will be glad to learn that Mr. W. M. Tunstall who has been sick with the flu is slowly improving.

Mrs. L. A. Moye, Mrs. Herbert Sugg and Miss Mattie Lee Sugg attended a meeting in the Christian Church at Farmville Tuesday p. m.

Mrs. J. B. Frizzelle, Mrs. J. T. Hardy and Misses Mary Alice Bullock and Hazel Ruth Turnage were Farmville visitors Tuesday afternoon.

Mrs. M. H. Tucker and Mrs. Nicy Dawson who is visiting her son, Dr. Dawson, in Hookerton, spent Tuesday with Mr. and Mrs. Hardy Albritton.

Mr. and Mrs. Milton Moye and daughter of Williamston and Mr. and Mrs. Howard Moye of Farmville spent Sunday with Mr. and Mrs. L. A. Moye.

Mrs. Betty Luedeke, of Dayton, wrote: "I am using Kruschen to reduce weight—I lost 10 pounds in one week and cannot say too much to recommend it."

To take off fat easily, safely and quickly take one half teaspoonful of Kruschen in a glass of hot water every morning before breakfast—a quarter pound jar lasts 4 weeks. Get it at Wheelers Drug Co., or any drug store in America. If this first bottle fails to convince you this is the easiest, safest and surest way to lose fat—money back.

NITROGEN

PHOSPHORIC ACID

POTASH

a better-balanced FERTILIZER

W. CHRIS TAYLOR
of Wilson
North Carolina

Ask your fertilizer man about the small extra cost of 3-8-8

"I DON'T KNOW how many years I have been using extra potash on my tobacco, but it's a long, long time", says Chris Taylor, of Wilson, N. C. "Counting the records my father left me I now have sales tickets for most of the tobacco on my farm since 1896.

"The first thing I remember about tobacco fertilizer was that my father used the old 8-2 3/4-2 mixture and about 1900 he began to experiment with potash, first using muriate and then sulphate of potash. It improved his quality and yields and has done the same thing for me.

"During the last four years I have settled on 8% potash as best for my conditions. Sometimes I use extra sulphate of potash around my tobacco at the first working. My sorriest crop in 1933 brought \$219.83 and in 1934 I had one light, poor crop of four acres that brought only \$413.19 per acre after deducting charges."

The biggest and best news you will find in the new fertilizer price lists is the very small difference in cost between a low-potash fertilizer and a fertilizer well balanced with plenty of NV POT-ASE. For example, compare 3-8-3 fertilizer with 3-8-8 fertilizer. The 3-8-3 contains 35% more actual plant food, yet it costs you very little more than the 3-8-3. Figured in terms of an acre the extra cost is so small it will surprise you.

3-8-3 TOBACCO FERTILIZER has proven its value throughout the entire bright tobacco belt. Many leading farmers in this section use 3-8-8 or increase the potash in their regular fertilizer to 8% or even more by using extra applications of potash.

The U. S. Department of Agriculture and the North Carolina State College of Agriculture recommend a fertilizer containing 4 to 10% potash for bright tobacco.

Chemical analysis of high-quality tobacco plants proves that a 1,000-pound crop contains more than three times as much potash as 500 pounds of 3% potash fertilizer contains.

Fertilizer containing too much nitrogen produces rough, bony tobacco. Avoid this by selecting a fertilizer mixture in which the nitrogen has been well-balanced with plenty of potash.

3-8-8 TOBACCO FERTILIZER gives best results with closer rows, closer spacing, ridge cultivation and late topping. Set more plants per acre and top after about half the crop is gathered.

3-8-8 TOBACCO FERTILIZER holds the tobacco on the hill after it matures, without burning, producing a thin, grainy leaf with "high-dollar" quality.

Remember that 800 pounds of 3-8-3 usually costs less than 1,000 pounds of 3-8-8, yet 800 pounds of 3-8-8 contains more actual plant food and is a much better balanced fertilizer.

Plan now to produce a thin leaf on the bright side. Use the best cultural methods, correct spacing, high topping and the proper amounts of 3-8-8 TOBACCO FERTILIZER. The extra potash in this fertilizer adds the extra quality that brings more on the floor.

Have you been missing something by not using more potash in your tobacco fertilizer? Many leading tobacco growers have found that extra potash pays extra cash. Potash is the quality-producing element in fertilizer. Tobacco removes from the soil more potash than both nitrogen and phosphoric acid combined.

Extra potash gives tobacco a better grain and increases yields. It does not make the crop rough and red. On the average the man with the most pounds makes the most dollars per acre. Extra pounds this year will give you the chance to grade your crop closer and sell more pounds of high-quality leaf.

Your fertilizer man knows about the outstanding results obtained from using plenty of potash. That is why he is featuring 3-8-8 TOBACCO FERTILIZER this season. Tell him that you want to produce "high-dollar" tobacco in 1935. Tell him you want 3-8-8 TOBACCO FERTILIZER.

EXTRA POTASH

PAYS EXTRA CASH

This advertisement is placed by N. V. POTASH EXPORT MY, Inc., P. O. Box 1432, Norfolk, Va., in support fertilizer manufacturers in encouraging the use of better-balanced fertilizers to bring better times. Your fertilizer man has 3-8-8 FERTILIZER on sale.

FOR COTTON: To help your cotton prevent rust, control wilt and produce vigorous, healthy plants with less shedding, larger bolls that are easier to pick and better yields of uniform, high-quality lint—USE 3-8-8 COTTON FERTILIZER... IT PAYS!
