WE ARE WEAKLINGS

A bee, weight for weight, is thirty times as strong as a horse. A very small bug can drag six matches—the equivalent to a man pulling three hundred and thirty beams as large as himself. An ordinary house fly can lift a match and in doing so exerts as much power, in proportion to its size, as a man uses when he holds a wooden beam fourteen feet long by thirty inches square. But imagine a new born baby of 8 pounds who could lift two tons, or an average man who could lift 78,400 pounds. But that is what each of them could lift if they were as strong in proportion as a crab.

DON'T FOOL YOURSELF

If you suddenly discover that the gasoline in your car is about exhausted don't speed up in order to reach the next filling station—slow down. Experiments have proved that, other things being equal, more mileage is obtained from a gallon of gasoline when an automobile is driven at moderate speed than when it is driven at high speed. You will understand why this is true from the fact that more force is required to propel a car at high speed than at low speed, because of the wind resistance.

FREAK LAWS

Our state lawmaking bodies introduce and sometimes pass many freak and amusing bills. One such bill provided that "No one shall operate a political steam-roller or band-wagon on the public highway." In 1932 a bill was introduced in the Kentucky state senate prohibiting boxing and wrestling within the state and making attendance on such contests sufficient grounds for divorce. It was referred to the Committee on Drains and Ditches. Some Federal laws are just as comical. For instance the one that prohibits the landing of sponges at any port in the United States smaller than four inches in diameter. This certainly is a small port.

YOU CAN PROVE ANYTHING BY THE BIBLE

"You can prove anything by the Bible" is an old saying. It's really so. According to the Bible itself one of its famous characters was killed twice. The 50th and 51st verses of the 17th Chapter of First Samuel read as follows: "So David prevailed over the Philistine with a sling and with a stone, and smote the Philistine, and slew him; but there was no sword in the hand of David. Therefore David ran, and stood upon the Philistine, and took his sword, and drew it out of the sheath thereof, and slew him, and cut off his head therewith."

IT IS HARD TO TELL WHO WAS SHOT

A duel was once fought in Texas, says Facts and Fancies, between Alexander Shott and John Nott. Nott was shot and Shott was not, according to circumstantial evidence. But, as many remarked, it was better to be Shott than Nott. There was a rumor that Nott was not shot, but Shott avowed that he shot Nott, which proves either that the shot Shott shot at Nott was not shot, or that Nott was shot notwithstanding. It was made to appear at the trial that the shot Shott shot shot Nott or as accidents with firearms are frequent, it might have been possible that the shot Shott shot shot Shott himself and Shott would be shot and Nott would not. It appeared to some that the shot Shott shot shot not Shott but Nott, and to others that Shott was shot by Nott. Any way, it is hard to tell who was shot.

IN COMPLIMENT TO MRS. MOORE

Among the series of recent and lovely social affairs, honoring June brides here, was that of Friday, when Mrs. J. B. Joyner entertained a hundred and fifteen guests at a tea, at her home near Farmville, in compliment to Mrs. A. B. Moore, who before her recent marriage was Miss Kathleen Boatwright, of Tenille, Ga. Guests called between the hours of 4:30 and 6 o'clock, and were greeted by Miss Bettie Joyner and Mrs. Mary M. Patterson. Mrs. J. M. Hobgood presented them to the receiving line, composed of the hostess, Mrs. A. B. Moore, Mrs. H. B. Baker, Mrs. A. B. Mewborn, Mrs. R. A. Parker and Mrs. J. R. Shearin, all brides of the past few weeks.

Mrs. T. E. Joyner and Mrs. G. M. Holden invited the guests to the screened porch, arranged to represent a lovely garden, where they were received by Mrs. T. W. Lang and directed to the punch bowl massed with daises, where they were served punch by Mrs. P. E. Jones, Mrs. D. R. Morgan and Miss Agnes Moore, and sandwiches by Mrs. I. E. Satterfield, Mrs. S. A. Roebuck and Mrs. R. LeRoy Rollins.

Mrs. R. O. Lang received at the dining room door. The table was covered with a lace cloth and centered with a silver bowl of pink roses and snapdragons, flanked by silver holders with pink candles. Gladioli were also used in the floral arrangement. Mrs. A. Q. Roebuck and Mrs. Henrietta M. Williamson served ices and cakes from the table, which also carried the color motif of pink and white. Mrs. George W. Edwards, of Snow Hill, Miss Margaret Lewis, Miss Elizabeth Lang and Mrs. Grady Smith assisted in serving, and the nuts and mints were passed by Mrs. J. M. Wheelless.

Miss Annie Perkins and Mrs. W. J. Raspberry directed the guests from the dining room to the living room, where they registered in the bride's book, presided over by Mrs. J. A. Mewborn.

Mrs. J. I. Morgan and Mrs. R. H. Knott said the good-byes.

FALSE TEETH

Needn't Worry

Don't endure loose false teeth as they are very embarrassing to you and your friends. They make your gums sore, and interfere with proper chewing. This is often a cause of indigestion. Thousands of grateful users of FASTEETH have found real security and comfort with their false teeth. It holds the plate tight all day, eases sore gums, sweetens breath—cool and soothing to the mouth membrane. FASTEETH sprinkled on your plate each morning gives all day comfort. No gummy, sticky, pasty taste or feeling because FASTEETH is alkaline and will not sour or seep away. Buy it today at any drug store.

Keep a Good Laxative always in your home

Among the necessities of home is a good, reliable laxative. Don't be without one! Do your best to prevent constipation. Don't neglect it when you feel any of its disagreeable symptoms coming on. "We have used Theodor's Black-Draught for 21 years and have found it a very useful medicine that every family ought to have in their home," writes Mrs. Perry Hicks, of Belton, Texas. "I take Black-Draught for biliousness, constipation and other ills where a good laxative or purgative is needed. I have always found Black-Draught gives good results." Sold in 28-cent packages.

BLACK-DRAUGHT

Approximately 1200 pounds of wool was pooled and sold by Macon County sheep growers in late June.

Red clover being grown for hay in Lincoln County appears to be the best that has been produced in the county for some years, report the growers.

Allegheny County sheep growers cooperated in the regional wool pool in which over 80,000 pounds of wool was sold for 29 cents a pound.

Martin County farmers have recently shared in rental and parity payments to the amount of \$153,917.10, reports the farm agent.

Chesterfields "go to town"
They Satisfy

—that's just the 1935 way of saying what Chesterfields have been saying for years . . .
Chesterfields do about everything a cigarette ought to do.
Chesterfields have TASTE—yes plenty of it. But not too strong.
And Chesterfields are MILD—but they're not insipid or flat.

"My boy says— You can't beat a Ford for the Farm

Shucks. I've known that for 20 years

and the new Ford V-8 is the best of all!"

FORDS have always been built to stand up under the hard use and long service demanded by the farmer.

You will find a great many modern, fine car features in the 1935 Ford V-8: New riding comfort, new handling ease, big car roominess—the only V-8 engine in a car selling for less than \$2300—but you will find the same sturdiness, dependability and economy that have always been characteristic of Ford cars.

The Ford V-8 meets the needs of the farmer today even better than the four cylinder models of the past—it costs even less to own and operate—for Henry Ford believes in building cars and trucks the farmer can afford to own and afford to run.

The Ford V-8 is the best Ford ever built and the biggest dollar value ever offered by the Ford Motor Company. Come in and let us explain how you can own the Ford V-8 today and arrange to pay for it out of your own crop money. We can give you a better trade on your old car right now than later when crops come in. Drive the Ford V-8 and, like your neighbor, you will find that you can't beat a Ford for the farm.
