Lewis, a most every person contacted thus the reader. far, according to glowing reports coming into the office.

The Junior Club has been called upon to lend its activities in practically every civic movement attempted here since its organization, and its members have rendered not only the United States, was warmly reready and valuable assistance but ceived here, and much praise and \$628,022.03; Public building, 11.37 joyful service as well, winning a commendation were given his rendi- per cent, \$736,258.20; Drainage, 6.08 deep respect and a great loyalty from tion of the immortal story. its hosts of friends.

A Junior club house would doubtless prove to be a great convenience well as the Juniors, for their record up to date has no vestige of selfishness in it. In a very real sense the Juniors have infused new life into the community's social and civic circles, have inspired those, who would be content with things as they are, to renewed activity in the field of of public endeavor, and have merited the appreciation, which a grateful community has now the opportunity to express in a very concrete way.

The benefit plan is outlined in this issue as stated above—it is a fiftyfifty proposition. The subscription price of "The Enterprise" is the same, \$1.50 per year, one half of which will go to the Juniors, whatever amount is turned in. When they have secured a thousand subscriptions they expect to begin their club house, perhaps one room, to which they will build additions from year to year.

The Juniors want a club house, The Enterprise wants a full and paid day. up list of subscribers, you want your Home Town paper-This is a plan that will benefit everybody! Will

you endorse it? The growing list of Junior Woman's Club Boosters will be printed in these columns each week, together with the member who has obtained the greatest number of subscriptions.

OUTLINE OF SALETY PROGRAM

1. Distribution during December of 500,000 copies of "Guides to Highway Safety" as the basis of instruction (1) to all officials and employees in city halls, county court houses, and state departments; (2) to members of citizens organizations, business houses, and automobile drivers, (3) to 150,000 students and teachers in 851 high schools, as the beginning of a state-wide program of accident prevention and motor yehicle law enforcement.

II. Systematic discussion during the first week of January (1) 150,000 students and teachers in 851 high schools, (2) by all citizens organizations of men and women, (3) by members of all business organizations, (4) by city councils, county commissioners, and all groups public officials and employees.

III. Systematic Instruction Schools of Law Enforcing Officers to be conducted every month in every city and county of the state by Judges and Solicitors of the Supreme Courts, Recorders' Courts, Sheriffs and Chief of Police, analyzing accimapping out programs of prevention HOGS ON STATE ROADS dents of the previous month and for the next month.

IV. Copies of "Guides to Highway Safety" may be procured from City Halls, Local School Authorities or the Institute of Government, at

Chapel Hill, N. C. V. The monthly magazine, Popular Government, will furnish a clearing house of information each month on street and highway accidents in North Carolina and safety programs and campaigns as they develop throughout the State. Write to the Institute of Government, Chapel Hill, N. C.

\$3.000.000 Paid To N. C. Farmers

The Agricultural Adjustment Administration poured almost \$3,000,000 into the pockets of North Carolina farmers during the months of July, August and September.

Rental and benefit payments to farmers cooperating in the crop adjustment programs accounted for \$2,578,086.79 of the total, said Dean I. O. Schaub, of State College. The largest sum went to tobacco

growers, who received \$1,443,792.83. Cotton growers got \$997,218.76, cornhog producers \$128,642.57, and wheat growers \$8,432.63.

In addition, cotton growers who placed surplus tax-exemption certificates in the national pool received \$1,361.73 from the sale of these certificates to other growers,

The \$337,904.53 in administrative expenses went largely to pay committeemen, farmers who helped administer the programs locally, Dean Schaub pointed out,

The rental and benefit payments are still flowing to the farmers. he added, but the amount for October and November have not been tabulated to date.

Benefit payments on all crops in Pitt county for July, August and September were \$153,019.99.

Leaf Season Ends Here Today; Offerings Through Wednesday Total 28,323,616, Lbs., Bring Farmers \$6,157,-757.55, Average \$21.74

With nearly a million and a half pounds recorded as sold, over the figure estimated about mid-summer, the Farmville tobacco market will close the 1935 season today, Friday, with a total reaching near the 28 and a half million mark.

Sales figures for the first three days of this week are 104,350 pounds. receipts \$15,558.87, average \$14.91, which brought the season's totals to 28,323,616 pounds, money paid to farmers \$6,157,757.55, average \$21.74. The poundage increase has been

fifty per cent over last season. Offerings for the past two or three weeks have been poor in quality and prices low, resulting in a daily tumhighest peak of the weekly figures being reached at the end of the 11th week, when 25,280,954 pounds were sold for an average of \$22,10 per hnudredweight. The highest daily average was recorded on October 14. when 632,854 pounds brought an average of \$28.72.

Season's totals for the 1933 season were 22,587,047, receipts \$3,-723,887, average \$16.54, for 1934, poundage 19,029,480, receipts \$5,-741,545.62, average \$30.17.
