

MACCLESFIELD NEWS
(By MRS. G. W. PEEBLES)

PERSONALS

Mrs. Paul Bridgers who has been ill for the past week is much better.

Mrs. Walter Newton of Fountain is visiting her sister, Mrs. B. E. Phillips.

Miss Daisy Killebrew of Washington, D. C., is here visiting her sister, Mrs. Paul Bridgers.

Mrs. C. S. Winstead entertained the contract club Wednesday night with Miss Lucille Gammon as extra guest. Mrs. G. W. Peebles was presented with a lovely picture as a reward for scoring high. Mrs. Winstead served a salad course.

The junior class at the high school will give their play on Tuesday 17th. They also plan to have their banquet before Christmas.

BIRTHDAY PARTIES

Little Miss Delanie Winstead honored her ninth birthday with a party last Saturday. Twelve of her little friends enjoyed an afternoon of fun. They were served with ice cream and cake at dusk.

Little Miss Rosaland Webb celebrated her birthday with a party at the home of her aunt, Mrs. Henry Webb. She served her guests with an iced drink and cake. Both children were recipients of lovely gifts.

END SOUTH AMERICAN STUDY

The seventh grade here ended a study of South America with a chapel program on December 6th.

The program was made up of poems, stories, a play and a song written by the pupils. The flags of each country were shown. Also models of a peculiar weapon, the blow gun, and a South American home were shown.

Van Irvin Lewis was voted the pupil who best represented his country in the program.

SCHOOL NEWS

The Macclesfield P. T. A. held a very successful meeting, Monday night, December 18th. About fifty-five members were present.

The grounds committee reported a profitable work day December 4, and Mrs. Dow Webb was given a vote of thanks for her kindness and efforts in helping carry out this project.

Plans were made toward entertain-

ing the Edgecombe School Masters Club with a dinner at their next meeting. Ladies named on committees were; Mrs. R. M. Lewis, Mrs. V. B. Lewis, Mrs. R. L. Corbett, Mrs. G. W. Peebles and Mrs. N. T. Lewis.

Mr. J. A. Forbes made a short talk giving the history of the Macclesfield school for the past thirty-five years. He then asked Mr. N. E. Gresham, Superintendent of Edgecombe schools, to speak to the association. His topic was "Managing Personal Relations."

After the meeting adjourned a social hour was enjoyed by everyone.

Mrs. Corbett's room was the winner of the prize given for the largest percent of parents present.

All Farmers Need Accurate Records

Farmers who do not keep records are unable to tell just where they stand.

They may think they are making a profit when, actually, they are losing money, said R. E. L. Greene, assistant in farm management research for the N. C. Agricultural Experiment Station.

Running a business without records, it has been said, is like running a clock without hands. In either case, the thing is running—but where and how?

Farm records, Greene pointed out, are a basis for an intelligent study of the business, they give the information necessary to make an accurate credit statement, they show the results of the year's work, they indicate weak spots which need improvement.

Although records may be started at any time, it is usually more convenient to start them early in January. At this time feed and crop supplies are low and it is easy to take inventory. Also, most farmers are not as busy at this time as they are later on.

Greene suggested that growers who are not already keeping records should plan now to start them the first of the year. N. C. State College, has designed a record book especially for the North Carolina farmer, and it will be an aid to keeping the proper kind of records, he added.

Copies of the book may be secured from the Department of Agricultural Economics, at State College, by those

persons keeping records as a demonstration with that department.

County agents or high school agricultural teachers will be glad to assist farmers get their records started.

Why not get your 1936 Ford V-8 in time for Christmas?

A gift that all the family will love

A 1936 model — all latest improvements

A liberal allowance for your old car if traded now

Easier terms than you may think

THE Ford V-8 for 1936 is the finest Ford car ever built. It is a car that goes farther than ever beyond the accepted standards of its price class. In engine performance, riding comfort, roominess—feature after feature—it may be compared with cars costing many hundreds of dollars more. Today's Ford V-8 is backed by more than two million Ford V-8's now on the road in America alone. Here are its most outstanding values—many of them brand new this year.

V-8 ENGINE PERFORMANCE—smoothness, pick-up, power, proved V-8 economy.

25% EASIER STEERING—the result of two new roller-type bearings, a longer steering knuckle arm and an increased steering ratio.

SUPER SAFETY BRAKES—with exceptionally large braking surface (106 square inches).

EASIER, SYNCHRONIZED SHIFTING—SHIFTER OSART—silent, helical gears for all speeds.

NEW FREEDOM FROM NOISE—specially insulated, welded-steel body, steel reinforced.

NEW DRAWN-STEEL WHEELS—add comfort in riding—are easier on tires.
