GO TO CHURCH

Procrastination—putting off until tomorrow that which we should do now. But tomorrow never comes! And the good that we would do remains undone.

There are few resolutions that man makes, more serious and more well-meaning than to attend the worship services of the church. How many times we have told ourselves that we should do some worthy and worthwhile thing—but alas, we put it off. Don't put off that which is so important. Go to church—the church of your choice—this Sunday.

Bad Breath May Show You Need This Help!

Bad breath is sometimes due to bad teeth and often due to sluggish bowels.

It offends. And to neglect it may invite a host of complications—other discomforts: headaches, biliousness, loss of appetite and energy. Don't let constipation slow you down. Take a little cup of vegetable BLACK-DRAUGHT tonight. In the morning there's an evacuation that's generally thorough. You feel fine again!

BLACK-DRAUGHT'S principal ingredient is an "intestinal tonic-laxative." It helps impart tone to lazy bowel muscles. Millions of packages used yearly!
