God of the living, in whose
eyes
Unveiled thy whole creation
lies,
All souls are thine; we must
not say
That those are dead who
pass away,
From this our world of flesh
set free;
We know them living unto
thee.

**RESTORATION CAMPAIGN
REPORTED AS SUCCESSFUL**

The "Parade of Pennies" campaign, being held throughout the State for the restoration of historic St. Thomas' Church, at Bath, and headed locally by Mrs. W. Alex Allen, has been concluded with the sum of \$48.20 being sent to the Restoration Committee.

The Church, the oldest in the nation, is being restored by North Carolinians, irrespective of denominational affiliation as a shrine of remembrance.

A. C. Monk, public spirited citizen, who is interested in this project, and had contributed already to the fund, started the local campaign with a donation of \$25.

Mrs. Allen and her committee wish to thank citizens here for their cooperation and announce that they will be glad to send in any additional contributions to the Restoration Fund at any time.

GO TO CHURCH

"To everything there is a season, and a time to every purpose under the heaven." Eccl. 3:1.

The right use of time! Could anything be more inclusive? What shall I do with time? This much is certain, what I do with time determines what time will do with me.

If it is true that time is the stuff out of which life is made, should we not spend the little amount of it allotted to each of us in the most profitable manner possible?

Yes, there is a time for every legitimate purpose. God has given us 313 days of every year for ourselves. Fifty-two he asks for himself. The Lord has been fair with us. We have no moral right to be less than fair with Him.

Why not start this coming Sunday right by going to church?
