HOME OF MILTON EASON DAMAGED BY FIRE SAT.

Answering a fire alarm and driving the fire truck to the scene himself, Milton Eason found flames and smoke pouring from his own home Saturday afternoon. Members of the fire company and spectators worked frantically for two hours to save the furniture and the house. This was finally accomplished, though damage by fire, smoke and water was estimated at around \$1500. The fire, which started in a cedar lined clothes closet, spread rapidly, and the smoke was very dense, handicapping the fire department in its efforts to bring it under control. The source of the fire has not been determined.

NOTE OF APPRECIATION

To the Farmville Fire Department, Neighbors and Friends:

Since we cannot see each one of you personally, we wish to take this method of expressing our deep appreciation for the very able help and assistance you rendered us in the recent fire which damaged our home.

Your timely help in an hour of great need will never be forgotten by us. We wish to also thank Mr. S. A. Roebuck, of the Commercial Insurance Co. for the prompt and satisfactory adjustment made on our furniture loss.

MILTON EASON and FAMILY.
