Reveals Prom 161 Advocating Dr. Frank Graham and Other Tar Heels Sign Appeal

Washington, Duc. 26. - A round robin petition bearing the names of and now are said to be install 169 prominent persons and urging more heavy batteries along the charge President Roomevelt to do "every- nel coast." thing that may be necessary to insure defeat of the Axis powers" was that the watchword for the New made public by the White House to- Year is:

and the military nad naval and air past experiences and in us lies the strength we now have and the imple-unswervable decision that out of this ments we can now produce are war shall come a better and more enough to make certain the defeat beautiful ermany." of the Axis powers, so long as Britain But the presence of both Hitler is on her feet and fighting, but that and Field Marshal General Walther with Britain down, they are not won Brauchitsch, the German conenough and may not in the future be mander-in-chief, at the front does increased enough to hold the whole mean an immediate attempt to inworld at bay."

opinion made itself manifest on Capi- at the German Westwall last Christtool Hill. For example, Senator King mas, but that no attack in that sector (D-Utha) said that "all possible aid" took place then. for England, Greece and China was imperative, while Senator Holt (D-W. Va.) said the appeal to the White House was made by a "collection of warmongers," man y of whom, he asserted, "have financial interest in the continuation of the war."

The appeal was delivered to the White House in the form of a telegram. Attached were the names of educators, editors, authors, business men, religious and labor leaders,
