BIRD NOTES

At the last Bird Club meeting Claude Barrett discussed the return of the bluebirds. Claude found in his research for information regarding this event that the female bluebird does all the work of building the new home, while the male sits nearby preening his wings and watching pleasantly, seeming to consider it his chief mission to furnish a musical background.

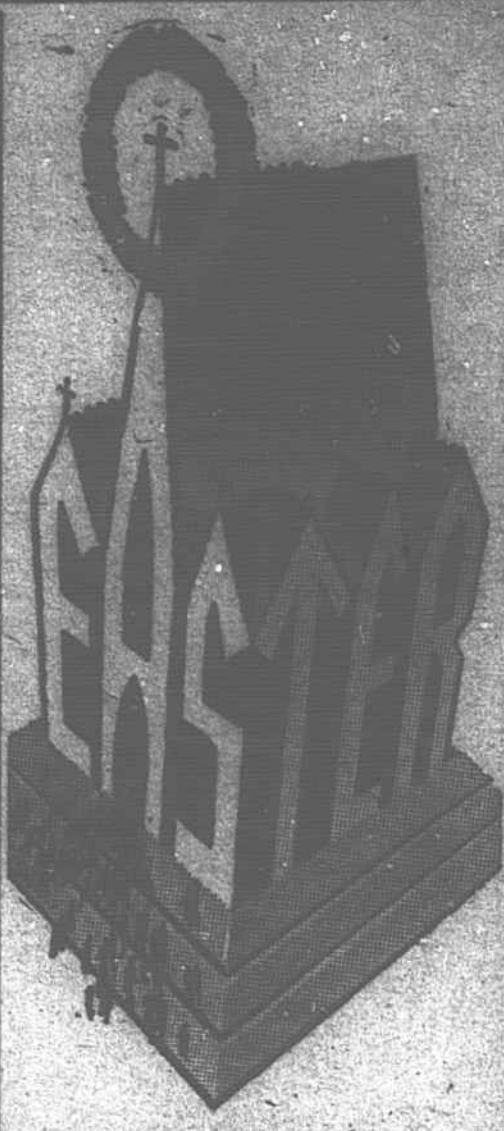

Bluebird boxes should be emptied of all debris according to Claude, for he said that the bluebird will not adopt a box that is not clean, dry and sanitary, and set up about 5 1/2 feet.

Emerson Roebuck gave a description of the purple finches, quoting John Burroughs, who said they looked as if they had been dipped in polychrome ink. The females and young males are not as colorful and may be mistaken for sparrows. These birds warble soft sweet melodies.

Harold Rouse was welcomed as a new member at this time, and Ray Enns and Ruth Tyson were present as visitors.

On Wednesday afternoon of this week the municipal park committee, composed of Mrs. T. E. Joyner, Mrs. J. I. Morgan and Miss Ruthie Joyner, met up at the city hall in the park building.

An enjoyable event of the week was the bridge tournament sponsored by the Farmville Home Demonstration Club, of which Mrs. J. R. Lewis is chairman. Mrs. Herman Baker was in charge of the tournament, which was held in the Home Demonstration club house and reported as successful, with players reserving twenty-one tables.

Leroy Parker were presented with miniature potted plants by the hostess. Sandwiches and a favorite beverage were served after the games.

A delicious grape fruit salad was served in baskets made of the fruit rind, together with ham sandwiches and food tea.

Special guests of the hostess were Mrs. Moya, Mrs. T. W. Lang and Mrs. Marvin Y. Self.

One of the loveliest of spring social affairs here was the club party given by Miss Elizabeth Davis on Wednesday afternoon, when she entertained members of her bridge club and other friends as a courtesy to Mrs. James Yancey Monk, Jr., a recent bride.

Forsythia and daffodils struck a yellow and green color note in the reception room and the colors of pink and green were emphasized in the living room, where anasias predominated in the floral decorations.

Spring tallies directed guests to four tables, the honoree's place being marked with a shoulder corsage of white flowers. When scores were compiled Mrs. John B. Lewis and Mrs. Irvin Morgan, Jr., were presented with costume jewelry as high awards for members and guests. Mrs. Monk was given informals by the hostess.

Tea was served at five o'clock in the dining room, where a green and white color note was observed. The table had a centerpiece of white empanagos and carnations, flanked by white tapers. Mrs. F. M. A flower holder containing mixed flowers, and Mrs. Frank Davis, Jr., received the consolation, a novel watering pot. A variety of sandwiches and lead drinks were served as the guests arrived.

Mrs. Archie Cayton and Mrs. Claude Tyson were joint hostesses to the Junior Woman's Club. In the business session the club voted to assist with a project benefitting crippled children. Mrs. T. S. Ryan was appointed as chairman of a committee to promote this work.

Mrs. Charles Hotchkiss discussed the pageant "The Lost Colony" by Paul Greene, and Mrs. Jesse Moya gave current events in regard to the European situation, prior to a discussion of Peru and Chile, by Mrs. John M. Mewborn.

4,368 New 4-H Club Members Are Sought

A new record for North Carolina of 55,632 members of 4-H Clubs was established in 1940, but E. L. Harrill, State 4-H Club leader of N. C. State College, promptly issued a challenge for an increase to 60,000 members in 1941. The 1,613 active 4-H Clubs last year was also a new high for the State, but Harrill says "we should have at least 1,700 clubs in 1941, and a minimum of five clubs in each county."

The Extension Service club leader announced the following important 4-H dates to remember in 1941: The 4-H crops judging contest at the N. C. Crop Improvement Association seed show in Greensboro on February 1; the annual 4-H Church Sunday on April 27; the Older Youth Conference at State College June 10-14; the State 4-H Short Course at State College July 28-August 2; the State Wildlife Conference August 25-30; and the 4-H State Dress Review at State College October 3.

Harrill extended congratulations to the Copeland 4-H Club in Surry county, which was selected as the best 4-H Club in the State in 1940. The Copeland Club had 45 members enrolled and they completed 72 projects last year. Members of the club also participated in camp, 4-H council, community, county, district and State activities.

The best club in the State receives annually a cash award of \$100 to be used for club or community development. Other State prizes include a four-year college scholarship to the outstanding 4-H Club boy, one-year college scholarship for the best corn, cotton, tobacco, horticulture and dairy calf projects; and many other honors.
