PROPAGANDA

The United States continues ise alleged propaganda mail from fore m countries. Most of the seigures have been made on the West Coast, indicating that the mail came from Germany, Russia or Japan.

SAFE FLYING

1940, according to the Civil Aeronau- Wednesday elening. sies Administration which sunounce that nearly a million miles were flown per fatal accident. In 1940, pilota of 16,500 private planes flew 220,000. There were 231 fatal acci- Mrs. J. W. Redick. dents, in which 196 pilots, 138 passangers, 13 students and five ground crew members were killed.

CAMPAIGN EXPENSE

It will cost the Republican Nationcampaign.

DEFENSE TESTS

The defense of Eastern seaboard cities against air attacks will be tested by the Army Air Corps which will stage surprise mock air raids on

a large scale. The "attack" on a city will be without warning in an effort to determine the efficiency of airraid warning networks. Detection is important in order that inspector planes and anti-aircraft batteries can meet the "invaders."

AMERICAN DAY

Sunday, May 18, has been designated by President Roosevelt as "I Am an American" Day. The publie is urged to observe the day in recognition of citizens who have beduring the past twelve months.
