VOLUME THIRTY-ONE

FARMVILLE, FAY COUNTY, NORTH CAROLINA, FRIDAY, APRIL 15, 1941

NUMBER FORTY-EIGHT

"Topping The Trends" Sponsored By Local Firm

Spectacles, Features, Romance,
and Action To Great Visitors
From Entire Southeast At
"Never Before" Show Pre-
pared by Experts

One of the most interesting, practical and different furniture style Revues heretofore presented in the South is to be presented for the entire week of April 21st — Monday through Saturday. No doubt, by this time, you have seen the announcements in this newspaper, heard about it over your radio or have received a personal invitation from the local sponsor, Farmville Furniture Company, who is a member, along with hundreds of other outstanding furniture dealers in the Southeast, of the Guild of Tonilinson Furniture Dealers, producers of this new style show called, "Topping The Trends."

There are shows of many kinds, but for unique treatments and intriguing specialties, this show," says Mr. Joyner, contains numerous interesting features that have never before been staged in the South."

While the plans for the show contain much significant humor, most of the features are so staged as to be informative and practical in every respect. Even the surrealist is remembered for his home of tomorrow. The entire show, while based on furniture in correct correlated settings for the home, comparative incorrect settings are also executed for contrast.

"Topping the Trends" includes a prologue, four acts, 32 scenes and numerous spectacles. Among the titles to great visitors will be found "Dear Martha—as Mrs. Washington would have it," "Spirit of '76," "A Bed of Roses," "Fluff in the Rough," "Home Sweet Home," "What a Funny thing a Chair Are," "Look what the Louis' did for their Women," etc.

"Through our sponsorship," Mr. Joyner continues, "invitations and tickets are being distributed gratis and even though those who do not find it convenient to come into the store for their admission tickets, we urge all of that can do so attend anyway. You need only give our name as your sponsor when registering at the show in High Point. "Topping the Trends" will feature high type of entertainment and we are sure that all our patrons and their friends who attend under our sponsorship will be highly pleased with what they see."

The show, it has been pointed out, runs daily continuous from Ten in the morning to Six o'clock P. M. each of the days specified. Many local folk are planning to attend.

The features, scenes and settings are being staged under the direction of two nationally known experts. Mr. Ray Neville and Mr. Stuart Sproul have had wide experience in technical direction and consultation at Hollywood, New York and elsewhere.

Country Club Chatter Heard At 19th Hole

With creditable scores in the first two meets of the 1941 golfing season, we're getting off to an encouraging start. It must be remembered that some of our best players are temporarily away, and upon their return we should make the competition hot for anyone in the league.

The informal "get together" every other Saturday night are proving quite enjoyable to all who have come out. Nothing particular is planned and it is left up entirely to the individual or individuals, as to what they wish to do. Bridge, dancing, bingo and other forms of entertainment have all proved very popular. From now on, with the night getting warmer, a most romantic view, particularly on a moonlight night, is to be had from the Club House veranda.

A number of new members have been taken in lately and we have observed a good many of them out on the course. They are hereby warned not to go in for anything but strictly amateur golf, at least until they have learned the fundamentals of the game, as some of the more advanced players occasionally linger around the caddy house, waiting for the novice. At times though, this method of "easy pickings" has backfired at times when boys, brought in as these things seemed to be a foregone conclusion, were just average players, but to learn how to play is to learn how to play. In fact the competition proved to be much better than we anticipated. We were told that some of the new members were not so good as they seemed, but we were wrong. They were just average players, but to learn how to play is to learn how to play.

The Guide also calls for the purchase of at least 40 pounds of sugar annually for each member of the club. This is to be used in the club house for cooking.

MRS. MIRIAM LITTLE, Kelvator factory economist will hold a Kelvator Cooking School in Farmville at the Farmville Furniture Company's Store, Tuesday and Wednesday, April 22 and 23.

Mrs. Little will have a host of new range recipes and short cuts in electric cooking.

The public is cordially invited to attend both sessions which should prove delightful to all.

Singing Class Of Oxford Orphanage To Be Here April 21st

A happy bunch of young people from the Oxford Orphanage will occupy the stage in Perkins' Hall at the Farmville High School Monday night, April 21, when they will present their annual Spring Concert.

The Singing Class of the Orphanage for more than fifty years have made annual tours of the state, each year bringing a new class with a new program.

"Though the children are smaller than those taken on tour in the past, the program is declared perhaps even better than any previously presented. Plan now to attend this concert Monday night, April 21st.

WINS \$25 U. S. GOVT. BOND IN FINAL SUPER SUDS CONTEST

New York, April 17. — Fortune smiled upon Howard M. Wilson, 200 W. Pine Street, Farmville, N. C., today when it was announced here that he was one of the five hundred lucky winners of a \$25 United States Government Savings Bond awarded in the sixth and final week's sensational \$100,000 Super Suds Slogan contest sponsored by the Colgate-Palmolive-Peet Company.

Food Requirements Are Shown By Guide

A balanced home-grown food supply is one of the aims of the Food and Feed for Family Living campaign being conducted in North Carolina in 1941. The N. C. State College Extension Service, which is organizing this campaign with the support of Governor J. M. Bronghton and the active participation of other agricultural agencies, has prepared a guide to show the daily and annual food requirements for individuals and families.

In order to have a diet that will keep a person in good health and strong, each individual should eat every day: One quart of milk, if a child, and one pint a day, if an adult; five servings of fruits and vegetables, which should include one serving of leafy, green or yellow vegetables, one of tomatoes or citrus fruits, and one of potatoes; two servings of protein foods such as meat, eggs, fish, poultry, cheese, dried beans or peas; and two servings of whole grains as cereal or bread.

To provide an adequate year-round diet, the Food Guide shows that there should be produced on the farm annually for each person in the family at least: 75 gallons of milk; 25 pounds of butter; 55 pounds (dressed weight) of beef or veal; 75 pounds (dressed weight) of pork and lard; 25 pounds (dressed weight) of poultry; 30 dozen eggs; 25 pounds of lamb, fish and game; 4 bushels of wheat or Irish potatoes; 150 pounds of green and yellow vegetables; 25 pounds of dried beans or peas; and 25 pounds of dried fruit; 100 pounds of other vegetables, such as carrots, onions and pumpkins; 150 pounds of fruit; 3 gallons of cream or butter; 3 bushels of corn for meal; 300 pounds of corn for feed; and 3 bushels of wheat for flour and cereal.

The Guide also calls for the purchase of at least 40 pounds of sugar annually for each member of the family. This is to be used in the club house for cooking.

London Says Axis Convoy of Eight Ships Destroyed

Sent to Bottom in Mediterranean; Cairo Reports Axis Blitzkrieg Is Halted

London, April 15. — An entire convoy of three Axis destroyers and five cargo ships bound for Africa with troops, munitions and mechanical equipment was blown up and sunk between Sicily and Tripoli by a Mediterranean squadron last night at the cost of one British destroyer, the Admiralty announced tonight.

Disclosure of the annihilation—so described—followed announcement that the Mediterranean fleet is continually bombarding the German and Italian troops, airports and forts along the Libyan shore in support of the hard-fighting imperial desert armies.

Two of the sunken ships were of about 5,000 tons each, heavily laden with motor transports, the Admiralty said; two others of 3,000 tons each, "probably transports," were blown up; and the fifth, a 4,000-ton ammunition ship, blew up with a terrific explosion.

One Italian destroyer was identified as the 1,628-ton Luca Tarigo. The two others were said to be smaller, but were not mentioned by name.

Whether the eight vessels were destroyed by gunfire or torpedoes was not specified.

The Admiralty said that "during this successful operation" the British destroyer Mohawk, 1,870 tons, was hit by torpedoes and sank, but that the majority of the crew (normally 190 men) had been rescued.

CAIRO REPORTS BLOW AT VITAL AXIS POINTS

Cairo, Egypt, April 16. — A lightning-like British blow at the German-Italian rear at Fort Capuzzo and hand-to-hand fighting just across the border in the Egyptian village of Salm, both backed up by guns of the Royal Navy, were announced by the British today, with intimations that these desert outposts might have been wrested from the Axis.

Military circles expressed the view that the Nazi-Fascist blitzkrieg along the narrow strip between the desert and the sea has about spent its force—at least for the moment.

Farmville Girl Elected An Officer at Y. W. A. Associational Meeting

There was held in Roanoke Rapids last evening the annual supper meeting of the Roanoke Association of the Young Women's Auxiliaries of the W. M. U., of the Southern Baptist Convention with approximately 150 in attendance.

An important feature of the meeting was the election of new officers. These were: Miss Clyde Fisher, President; Rocky Mount; Miss Hilda Hines, Vice-President; Rosemary; Miss Frances Whithead, Secretary, Farmville; Miss Mary Helen Barnhill, Treasurer, Scotland Neck. Mrs. John T. Coley of Rocky Mount was named Y. W. A. Association's Leader for the next two years period.

The local organization was one of only five recognized as being A-1 for the year 1940.

The principal speaker of the evening was Miss Elsie Currie, who is the Associate Young People's Secretary of the Southern Baptist Convention. She brought a most inspirational address.

The year 1942 brings the Association's annual meeting to Farmville at the Y. W. A. of the Farmville Baptist Church as hostess.

Local girls attending the meeting last evening were: Misses Frances Bowman, Frances Whithead, Lee Caraway, Christine Joyner and Mrs. Chester Outland. Mrs. John D. Holmes accompanied them to Roanoke Rapids.

BRATH-MCKEL

At eight o'clock Saturday, April 12, Miss Doris Heath, daughter of Mr. and Mrs. D. T. Heath became the bride of Mr. Fitzhugh Lee McKel. The bride and groom were accompanied by a few intimate friends. The ceremony was performed by Rev. C. B. Mathison. Mr. McKel holds a position with Colonial Ice Co. They will make their home in Weldon.

ONE SHAVE IN 20 YEARS

Stanford, N. C. — It required some time as long for a man to shave as it does for a woman to give a haircut. That is the way it was in the days of the early pioneers. It was not until the late 1800s that the first safety razor was introduced. Since then, the art of shaving has changed greatly. Today, a man can shave in less than a minute. This is a great improvement over the old-fashioned straight razor. The safety razor has made shaving a much easier and safer task. It has also made it possible for men to shave at home. This has been a great convenience for many men. The safety razor has also made it possible for men to shave more often. This has helped to keep men's faces clean and fresh. The safety razor has been a great blessing to men. It has made shaving a much easier and safer task. It has also made it possible for men to shave at home. This has been a great convenience for many men. The safety razor has also made it possible for men to shave more often. This has helped to keep men's faces clean and fresh. The safety razor has been a great blessing to men. It has made shaving a much easier and safer task. It has also made it possible for men to shave at home. This has been a great convenience for many men. The safety razor has also made it possible for men to shave more often. This has helped to keep men's faces clean and fresh. The safety razor has been a great blessing to men. It has made shaving a much easier and safer task. It has also made it possible for men to shave at home. This has been a great convenience for many men. The safety razor has also made it possible for men to shave more often. This has helped to keep men's faces clean and fresh.
