Initial Fall Meetings Of Clubs Being Held

Club Activities Getting Underway Here Again This Week After Summer Season of Adjourment

Mrs. W. C. Ansel was gracious hostess at the initial fall meeting of the Literary Club, which was held at the home of Mrs. G. M. Holden on Wednesday afternoon. Early fall flowers were arranged as a colorful setting for the meeting.

Introducing the new study of "Eighteenth Century," was a paper written and given by Mrs. J. H. Darden, based on Johnson's "England," and poems, read by Mrs. B. S. Sheppard and Miss Tabitha DeVisconti, portraying England of yesterday and today.

Mrs. Henrietta M. Williamson, the newly elected president, presided and read a letter from Mrs. J. E. Joyner, president of the 16th District, which gave the highlights of the program for the District meeting to be held in Williamson on October 3.

Mrs. C. E. Moore, a charter member of this group, who has moved her residence from Wilson back to Farmville, recently, was cordially welcomed as a guest at this time.

A delicious frozen salad course was served after adjournment.

Mrs. W. S. Royster delightfully entertained members of the Contract Club Tuesday, at her apartment, in which a variety of fall flowers was used with artistic effect. Mrs. Arthur F. Joyner scored high and received dusting powder as an award. Delicious refreshments were served after play.

ANNUAL DINNER TO BE HELD AT COUNTRY CLUB FRIDAY

Members of the Farmville Country Club and the Rotary Club will entertain jointly at a dinner to be held Friday evening at the Country Club, with friends invited as special guests. Around 200 people are expected to attend.

The annual Open House event, which officially opens the fall season at the Country Club was held last Friday evening with a large number of tobaccoists attending. Dancing and refreshments were enjoyed throughout the evening. Mr. and Mrs. W. S. Royster and other club officials and their wives received and extended visitors a cordial welcome.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Lester Letchworth announce the birth of a daughter on Tuesday, September 2.

Washington Notes

AID TO RUSSIA

Materials sent to Russia will not be dispatched under the Lend-Lease program, because the Soviet has enough money to pay cash for the materials they need at this time.

TO BE DISMISSED

Selectees who reached twenty-eight before July 1, 1941, will be dismissed from service upon application "as soon as practicable and when not in conflict with the interests of national defense."

LIGHTER-THAN-AIR

Lighter-than-air aviation facilities are planned at Norfolk, Virginia, Cape Hatteras, North Carolina, Boston, Massachusetts, and at Sunnyvale Calif.

COST OF LYING

Living costs in large cities increased 0.6 per cent. From mid June to mid-July, bringing the cost of living to seven per cent, more than when the war broke out in Europe two years ago.

VOLUNTEERS

Mayor La Guardia, of New York, director of Civilian Defense corps members with helmets, fire-fighting apparatus and similar tools. Individual cities will be expected to provide smaller items of equipment.

ORDNANCE

The \$50,000,000 Ravenna, Ohio, ordnance plant, once the largest shell loading plant in the world, has begun limited operations in the production of 75-mm. supercharged rounds for field artillery guns.

PRODUCTION

American industry stepped up airplane production 36 per cent in the last six months, and increased tank output 800 per cent, according to Under-Secretary of War Patterson. He says that production of Army trucks and other vehicles was 600 per cent greater during July than last December's figures, machine-gun output gained 250 per cent, and anti-aircraft and machine-gun powder increased 400 per cent. Significantly, he remarked, "This is merely the beginning."

ANTI-TANK

with speed surpassing that of an armored force and powerful enough to destroy it, will be tested during the maneuvers between the Second and Third Armies in Louisiana next month.

TO CHINA

Sixteen members of a medical commission to China will leave San Francisco by Air Clipper next month. The men will direct health measures to protect the 250,000 coolie building the 1,700-mile railroad paralleling the Burma Road.

FOOD

The average worker in the United States in 1929 spent one third of his wages on food, according to the Department of Agriculture, which points out that so far this year the average worker has had to spend only a fourth, although he has thirty-five per cent more purchasing power in non-food goods than in 1929.

ALIEN PROPERTY

A census of all foreign owned property, subject to the jurisdiction of the United States, will be taken by the Federal Reserve banks. It will reveal possessions in this country of citizens of the British Empire and Latin America, as well as the Japanese, German, Italian and other European and Asiatic interests.

FLYING PLANES TO AFRICA

American civilian pilots will soon be flying warplanes, built in this country, to the British forces in the Near East. The route of delivery will not pass through zones of actual warfare. In Africa, the flight would be across British Gambia, Anglo-Egyptian Sudan and possibly some parts of the Free French area.

ROME QUOTES AMERICANS

A dispatch from Rome to The New York Times says that Italian newspapers quote opponents of President Roosevelt, including Senators Gillette, Reynolds, McCarran and Clark, as well as Representatives Short, Hill and Woodrup. The views of Alfred M. Landon are also prominently displayed.

NEGRO EMPLOYMENT

Paul V. McNutt, Federal Security Agency Administrator, says that the Philadelphia area will need 160,000 more skilled workers in the next few months. Declaring that a great many technically trained Negroes are prevented "from getting jobs in industry" by racial prejudice, which is worse in Philadelphia than in any other large city, he appealed to employers to give the Negro a chance at a job.

FARMER VS. LABORER

Edward A. O'Neal, president of the American Farm Bureau Federation, urges that individual income tax exemptions and allowances for dependents be cut at least in half. The position of the farm leader is diametrically opposed to that of the C. I. O., which opposes the lowering of personal income tax exemptions.

BLUE STAMPS

Almost four million members of families eligible to receive public assistance use blue stamps of the Department of Agriculture to meet expenditures of agricultural products. Nearly \$10,000,000 worth of farm products was added to June diets when about 17 per cent, went for eggs 36 per cent, for pork products, 18 per cent, for flour and other cereals, 14 per cent, for fruit and 15 per cent, for vegetables.

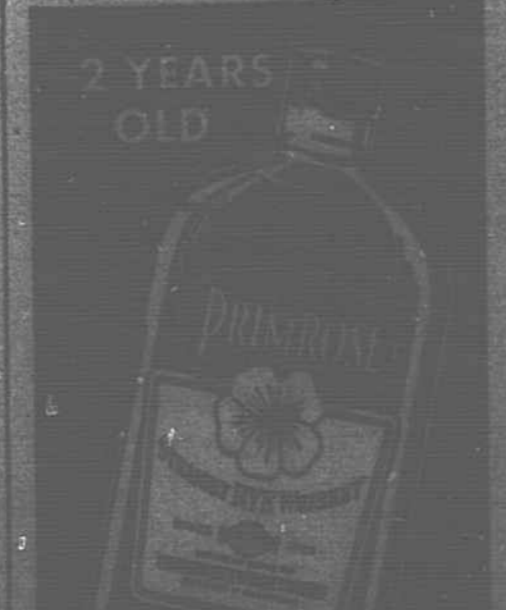

"NO NEARER"

As a result of his conference with Prime Minister Churchill, President Roosevelt says there is an Anglo-American understanding as to developments on every continent, but he reiterates that this country is no nearer to actual involvement in the war.

FARM EMPLOYMENT

Farm employment on August 1st was at the lowest level since labor estimates have been kept. A total of 10,638,000 hired and family workers were employed.

America is in a state of emergency. Every citizen is urged to do his part by buying Defense Savings Bonds and Stamps.

W. L. Matthews Succumbs on Fishing Trip Monday

Final Rites Held Thursday Morning and Interment Made in Hollywood Cemetery

Final rites were conducted for William Lennie Matthews, 61, from his late residence on Grimmersburg street, Thursday morning at eleven o'clock, by Elder J. B. Roberts, pastor of the Primitive Baptist Church. Interment was made in Hollywood cemetery.

The body of Mr. Matthews was found early Tuesday night in a fish pond at Greenwrest Park, a former bathing resort between Farmville and Falkland. Mr. Matthews had been missing since Monday evening when he failed to return to his home here from a fishing trip, which he made alone. The entire community was concerned at his disappearance and shocked at his sudden passing.

Searchers, who discovered his car at the pond Tuesday morning, said that the body was found in six feet of water in a standing position indicating that he held on to the boat for sometime. A Farmville physician stated that the death was due to a heart attack, which caused him to fall overboard. An inquest was deemed unnecessary.

Mr. Matthews was a son of the late John and Elizabeth Matthews. Of a kindly disposition and charitable nature Mr. Matthews had many friends here and will be greatly missed in the community. He had been associated with his brother in a grist mill business for several years.

Surviving are his widow, Mrs. Blanche Cobb Matthews, two daughters, Mrs. George W. Blount, of Newport News, Va.; Miss Fannie Cobb Matthews, of the home, and Lennie Glenn Matthews, a private in the U. S. army at Fort Jackson, S. C.; a sister, Mrs. Lena Norville, of Falkland; three brothers, J. A., of Oak City; Robert and John A. Matthews, of Farmville.
