TO OUR MOTHERS

Spring is here and roses bloom, And this is Mother's Day-- And what the roses express Is what we wish to say.

This flower is but a symbol Of the love we hold for you, (The pureness of your own dear hearts Its color matches true.

The form of each smooth petal Which no artist could replace, Is but a structure to reveal The beauty in your face.

The way the rose lifts up its head In pride the world to view, Is but a symbol only of How proud we are of you.

The flowers nod their pretty heads, And whisper to each other, While on this bright and glorious day We thank God for our mothers.

Wear a rose for your Mother on this Mother's Day.

BIRD CLUB

Margaret Williams, a guest, read an article by Mrs. Charlotte Hilton Greene, on the Belted Kingfisher. As the name implies, this bird is a great lover of fish and plunges headlong into the water in pursuit of this food.

If at first a woman doesn't get what she wants she'll cry and cry again. Beset with blockades, blocks and blockheads, the war effort is greatly handicapped.

Food is rationed so that the people may receive an equal amount. Why not do the same with money?

State College Hints For Farm Homemakers

By Ruth Current, N. C. State College. Play is a necessary part of the development and education of every child.

Good toys are toys with which the child can do things; playthings that are just looked at are of little value.

PIGS

On January 1, 1942 there were 60,377,000 hogs on U. S. farms. It is estimated that the 1943 pig crop may total 125,000,000 as compared with 105,000,000 last year.

"SLAP THE JAPS WITH SCRAP"

I'm the new chick with the National Trade Mark, but produced right here at home.

The scum which forms on cocoa as it cools should not be discarded, since it contains bone building material which is healthful.

W. G. KEMP

Funeral services for W. G. Kemp, who died at Woodard-Herring Hospital, Wilson, on Monday evening were held on Wednesday afternoon at 3:00 o'clock in Oriental where he had made his home for the past several years.

He is survived by his wife, three children, five brothers and one sister. For the past twenty-five years, he has been freight conductor on the Norfolk Southern Railway.

War Takes 96¢ Of Each Dollar

Out of every \$10.75 that is invested in a War Bond, \$10 goes into guns, planes, tanks, ships and other military equipment. The 75 cents goes for ordinary governmental expenditures. Out of every dollar 96 cents goes toward the war effort and 4 cents goes for Government "business as usual."

Thank You!

I take this opportunity to express my sincere thanks to the voters of Farmville for the honor bestowed upon me Tuesday, when I was re-elected to the office of Mayor.

I shall always strive to merit your every confidence.

George W. Davis
