AMERICAN HEROES
BY LEFF

Because he sealed the walls of the fortification at Kaba-Mehdia, French Morocco, and from that hazardous position diverted the attention of the enemy with his rifle fire, enabling our troops to enter through the main gates of the fort, Pte. C. L. Mohler was awarded the Distinguished Service Cross. He risked his life for you. How many more Bonds and Stamps can you afford to help him? Figure it out yourself.

WHEAT

No wheat marketing quotas will apply for the 1944 marketing year and no payments will be conditioned upon meeting or planting within goals, says Extension officials at N. C. State College.

What You Buy With WAR BONDS

Battle of the Atlantic

A sinking smokestack, a great air bubble, an empty lifeboat, all that is visible of a torpedoed tanker, all that is evident of the hard work, the savings we put into War Bonds to build this tanker, to load it with 50,000 gallons of high octane gas.

Our money is still safe but the tanker is lost forever. Another and another and another must be built to take its place.

The men who sail the seas are giving their lives to win the Battle of the Atlantic. We are asked only to lend our money.

REAL DISCOVERY FOR HIGH BLOOD PRESSURE

Dangerous High Blood Pressure (Essential Hypertension) is usually marked by distressing symptoms such as dizziness, throbbing headaches, sleeplessness and nervousness. If disregarded, this may lead to Heart Trouble, Stroke, Paralysis, Hardening of the Arteries or Kidney Trouble. Diamonex, discovery of a heart specialist, is designed to quickly aid in the relief of these distressing symptoms.

A Chicago resident says: "I suffered from High Blood Pressure for several years—with increasingly severe throbbing headaches, dizziness and shortness of breath. I showed the Diamonex formula to my doctor and, on his advice, tried the treatment for two weeks under identical conditions as previous treatments. Within only three days my bad headaches and dizzy spells were gone. My high blood pressure was reduced and I sleep fine."

Diamonex goes directly to work in three different ways to aid in the relief of these dangerous symptoms. Results are speedy—within as short a time as two weeks sufferers often find that Diamonex has accomplished 75% of the total reduction possible with this formula. If you suffer from High Blood Pressure you may try DIAMONEX without risking a penny. To introduce this wonderful treatment to a million new sufferers this liberal trial offer is made for a limited time only.

Send only \$1.50 to the Diamonex Company, 318-A North Michigan Ave., Chicago, Illinois for a full TWO weeks supply of genuine DIAMONEX, prepaid. Use Diamonex according to the simple directions for only two weeks. If, at the end of that test period you are not delighted with results your money will be refunded immediately on request. There are no strings or conditions—you owe it to yourself to make this wonderful test at once. Write today as this offer is fully guaranteed.
