FARMVILLE BAPTISTS TO MAKE THEIR CHURCH DEBT-FREE BY DECEMBER

Members of the local Baptist Church recently voted to pay off the remainder of the debt on their building by December nineteenth.

This beautiful church plant was completed in 1940 at an estimated cost of \$40,000. At the time of completion most of this amount was on hand due to the generosity of the local membership and some friends outside the Baptist church; but a few thousand dollars were borrowed, payable within eight years. Already after just three years more than two-thirds of this indebtedness has been paid, putting the payments much ahead of schedule. Even with this ahead-of-schedule reduction of the debt the church people are desirous of getting the entire amount behind them this year.

A committee met last Sunday at the Church to make plans toward liquidating the balance. Don Lewis was elected chairman; Carl Tyson, secretary and Miss Annie Perkins, treasurer, a capacity which she has held since the building program was first begun. Other members of this committee are: Carl Bowman, Henry Johnson, Manly Liles, J. H. Moore, Walter Jones, George W. Davis, Mrs. J. B. Joyner, Mrs. A. J. Melton, Mrs. LeRoy Rollins and E. C. Chapman, pastor.

A thermometer has been set up in the church auditorium that will keep the congregation informed as to the progress made towards this goal.
