**A SHARE IN
KINDNESS**

Nothing in life is more difficult for peace-loving people to bear than war with all its grim horror, its unending trail of sorrow, its disruption of homes and its utter waste of life and property. Yet the people of this nation, are in the third year of the world's most horrible war.

Each day more blue stars in service flags turn to gold as this son, that brother or that father falls on a distant and unknown battle-field. Each day hundreds, or thousands, of men are carried to hospitals with grievous wounds. Each is a member of some American family. Thousands, yes millions, of American men in uniform are tired beyond belief of battle, and homesick for home and family. Yet they know they must keep on.

There is no one of us but would give everything to lighten the burden of sorrowing families who have lost their men, or calm the fears of those whose men have been wounded. We would give all we could to ease the pain of the injured, or still the homesickness in those who must fight on.

Today, as the American Red Cross opens its campaign for funds, we can do our share in lightening the burden of sorrow, in calming the fears, and in easing the pain of the wounded.

The American Red Cross was created just for that purpose and through its channels of mercy we can do most for those who need our help.

The Red Cross is at the front keeping alive the atmosphere of home for the men who are fighting; the Red Cross is in the hospitals cheering the wounded and sending messages home to anxious and fearful relatives; the Red Cross is sending blood plasma and surgical dressings to save the lives of American youth; the Red Cross is here at home to aid and assist families in distress.

The person with his nose to the grindstone isn't likely to turn it up at others.

It's only a 60-hour journey to the most distant part of the globe but why should anyone want to go there?

A mother trains her child to drink from a bottle when he is young and expects him not to do it when he grows up.

The Tobacco Branch Experiment Station tested 1,034 different types of tobacco from all parts of the world and found only 1 that was resistant to Granville wilt. After years of breeding, Oxford 26 was developed.

CHURCH GROUPS

Group meetings of the Christian Woman's Council were held Monday evening:

GROUP ONE met with Mrs. Z. M. Whitehurst. Mrs. Frank Davis, Jr., presided and led the devotional. A Bible contest was conducted by Mrs. Whitehurst and Mrs. John Pollard scored high in the Biblical answers. Lemon bisque and coffee were served.

GROUP TWO met with Mrs. R. D. Rouse who presided. Mrs. A. C. Turnage was in charge of the devotional. The group studied the hidden answers from "The World Call."

GROUP THREE met with Mrs. T. R. Mizelle. Mrs. Hadley Bryan presided and Miss Vera Williams conducted the devotional. Plans for the Annual Mother's Day Bulletin were discussed and the group agreed to start immediate work on it. Mrs. Ernest Russell concluded the study of "The American Indian." Fruit punch, sandwiches, cookies and salted nuts were served by the hostess.

GROUP FOUR met with Mrs. Leon Jones with Mrs. C. B. Mashburn presiding. Mrs. Lee Corbett led the devotional and Mrs. L. P. Odom developed the missionary topic, "The Christian Home." The group gave the hostess a housewarming shower and she was the recipient of many attractive and useful gifts. Fruit juice and cookies were served during the social hour.

THE EPISCOPAL ALTAR GUILD met on Monday evening with the hostess, Mrs. John D. Dixon, presiding. Plans were discussed for the sweet sale which is to be held March 3, at 10:30 o'clock, at the Farmville Flower Shop. The old officers were re-elected for the coming year.

THE EPISCOPAL AUXILIARY held its Lenten study class Monday afternoon at the home of Mrs. John D. Dixon. Mrs. W. E. Burnett presided and opened the program with scripture reading and prayer.

In the business period, Mrs. Dixon

read a letter from the Good Shepherd Hospital, in New Bern, in which its needs were listed, and the Auxiliary voted to send a contribution to this institution. The group also decided to send a gift to Mrs. W. R. Hooper, a former member, who is receiving treatment in a Richmond, Va., hospital as the result of a recent fall.

Mrs. J. W. Joyner, program chairman, conducted the devotional taken from the book, "A Positive Way." Mrs. E. C. Copenhaver gave the program, the topic being, "The Supreme Ordeal." This was a fitting topic as it dealt with the people living in Southeast Asia and of their conquest by Japan; the part the church has played in the needs of the people; and what part the church will have in the rehabilitation of Asia after the war.

**Orthopedic Clinic
Greenville, Today**

We wish to remind our readers of the State Orthopedic Clinic to be held Friday in Greenville, March 2, from 12:30 a. m. to 6:00 p. m.

This Clinic takes all types of cripples, both white and colored, free of charge who are unable to afford private treatments. It is desired, though not required, that patients be referred by a physician or the Welfare Officer, and that the patient bring such note to the Clinic.

The Clinic is set up to serve especially the Counties of Beaufort, Carteret, Pamlico, Pitt and Tyrrell, though patients from other counties who desire to come may do so.

The Clinic is conducted by Dr. Hugh A. Thompson, orthopedist, Raleigh. This Clinic has been running for something over five years and is now serving a large number of cripples, adults as well as children, in this area.

The Pitt County Health Department Offices are located at the corner of Third and Greene Streets in Greenville.
