Plans For Farm Bureau Membership Drive Made in Special Meeting Here

R. Flake Shaw Addresses Group of Representative Farmers; Urges 100 Per Cent Backing Of Farm Bureau

R. Flake Shaw, of Greensboro, who is Secretary and Treasurer of the State Farm Bureau, addressed forty of the agricultural and business leaders of Farmville township at a special supper meeting held Wednesday night in the lunch-room of the Farmville High School, for the purpose of renewing old memberships and securing new ones for the North Carolina Farm Bureau.

The speaker was introduced by John T. Thorne, who commended him on the invaluable service he has rendered farmers in this State.

Mr. Shaw stressed the fact that 60 percent of farmers belonging to any farm organization in the United States belong to the National Farm Bureau. He said all basic laws under which farmers have enjoyed operating were enacted under the supervision and with the advice of the National Farm Bureau, and that tobacco farmers are deeply indebted to the Farm Bureau for their tobacco program and stressed the fact that every farmer should show his appreciation by joining the Farm Bureau—the least any farmer can do.

In the columns of this paper, there may be found a personal message from Mr. Shaw which should be of vital interest to all citizens of this community. We recommend that his information be read and heeded to by our readers.

The meeting was presided over by W. Alex Allen, chairman of the N. C. Farm Bureau, in Farmville Township.

Carl T. Hicks, of Walstonburg, chairman of the N. C. Farm Bureau's Tobacco Committee, was present and talked on the present tobacco situation as regards the farmer and also prospects for the tobacco farmer's future. He spoke of how vitally every farmer and business man may be effected if there should be any drastic change in our control program, outlining how this program has been handled and what a great service the Farm Bureau has rendered in securing it.

Reporting on the success of membership drives in adjoining counties, he commended our neighbor, Greene, which has already gone over the top and challenged Farmville Township to fall in line.

Mr. Hicks said, "Farmers have enjoyed a War Time Price for tobacco but should not expect prices to remain at this high level in peace time. Quality production in tobacco must be stressed if we are to get the best prices from future production."

F. F. Hendrix, County Agent, of Greensboro, spoke briefly and suggested that those present organize themselves as a group to contact every landlord in the township, together with his tenants, to secure 100% membership for Farmville, in the N. C. Farm Bureau.

There was a ready and cooperative response to this suggestion by all present, which as it is carried out will assure the township of an over the top record.

Hosts for the meeting were J. W. Joyner, Mayor, Town of Farmville; Hal Winters, President Merchants' Association; L. E. Walston, Cashier, The Bank of Farmville; Dr. E. T. Williams, President Kiwanis Club; Frank Williams, President Rotary Club; John B. Lewis, Secretary Chamber of Commerce; J. I. Morgan, Jr., John T. Thorne, Monk's Warehouse, Knott's Warehouse and W. A. Allen.

KIWANIS CLUB

H. H. Bradham who was in charge of the program this week presented as guest speaker, Dr. John M. Rosenbom, who gave a very interesting and informative talk, using as his theme, "Training of the Body as Well as the Mind." He spoke briefly as to Farmville's present recreational facilities, and stressed the need for a Public Library for Farmville and a recreational center with time director of all Farmville institutions.

Froggy Pickett will be program chairman for next week's meeting.

School For Blind Opens In Greenville

All Students Will Be Taught to Be Self-Supporting

Greenville, Nov. 15.—North Carolina's first Pre-Conditioning Center for the Adult Blind was opened today in the building formerly used by the NYA on the suburbs of Greenville.

Registration started today and will continue through tomorrow and Thursday. Classes will begin Friday. Formal dedication will be held early next month.

The training center for the blind is the outgrowth of 10 years of study and experience with the blind in this State and a result of a \$15,000 appropriation made by the 1945 General Assembly.

The Greenville Lions Club and other Lions clubs throughout the State are working to match the appropriation in order that the training center for the blind may be adequately equipped. Heretofore there has been no place in the State to which the adult blind might be sent for adjustment to their condition and for much of the training they need.

The training center is sponsored by the Pitt County Association for the Blind and the Greenville Lions Club. Frank M. Brown, president of the Pitt County Association for the Blind, and members of the Lions Club were active in securing the project for Greenville.

The desperate need for the center is pointed up by the fact that 65 percent of blindness occurs in adult life, and is underscored by the 1,500 blind persons now in the State who need adjustment and training before they can be placed. Adding to the acute need are the 300 to 400 adults in North Carolina who become blind each year. Furthermore, the impending return of many veterans who have lost their sight adds urgency to the State's need of such a center.

Although the State Commission for the Blind has no specific program for blind veterans (most of this work is being done by the Federal Government), it gives preference to veterans in all its services and also will give them preference at the new Pre-Conditioning Center in Greenville.

In brief, the center will seek to make the blind person socially acceptable and then will train him for some occupation. Upon the successful completion of the course, the student will be placed in a job by the North Carolina Bureau of Employment for the Blind, an adjunct of the commission, which is constantly checking up on possible opportunities for jobs that may be held successfully by blind persons. But the center will not be a "home," and anyone who cannot complete the course successfully will be returned to his home.

RUSSIAN DEMAND

Washington, Nov. 14.—Russia once more is demanding a veto power in the proposed control council for Japan, Secretary of State Byrnes disclosed today.

The United States advocates a council on which Russia and the other Allies would be represented, but in which General MacArthur as Supreme Commander would have a decisive say in case of disagreement. Several weeks ago Byrnes reported that Moscow apparently agreed to this plan.

But now, Byrnes told his press conference, the Russians have veered back to their original demand. This was for a council like the one which governs Germany in which all members must agree upon a course of action before it may be adopted, and in which any one member could veto a proposed action.

The latest Russian position was made known in recent conversations between Foreign Commissioner A. A. Averell Harriman.

Methodist Assigned To Pitt Churches

Goldboro, Nov. 12.—Methodists of the North Carolina conference began their new church year today, after adjournment yesterday of their seventh annual meeting here at St. Paul's Church.

Bishop W. W. Peele of the Richmond area, who presided, read appointments of pastors at the closing session.

Other features of the closing day included a sermon by Dr. Albert E. Day, of the General Board of Evangelism of the Methodist Church; a memorial service for preachers who died during the past year, the traditional love feast, conducted by four retired ministers of the conference; and ordination of elders and deacons. Pitt County pastor assignments are as follows:

Ayden, A. L. Chaplin; Greenville, Jarvis Memorial, R. W. Bradshaw; Grifton, R. E. Walston; Grimesland, C. B. Harris; ECTC, Deaconsess, Mamie Chandler; Bethel, W. M. Howard, Jr., and Farmville, E. R. Clegg.

Farmville Tobacco Market Closes Its '45 Season Today

Growers of This Section Receive Over Eleven Million Dollars For '45 Tobacco Crop

Today, Friday, November 16, will mark the close of the Farmville Tobacco Market for the 1945 season and will write final to the most successful selling period of its history, although two weeks short of the 1944 selling season.

At the close of Thursday's sales, a season's total of 25,617,050 pounds was chalked up by R. A. Fields, Supervisor of Sales, who reported that the sum of \$11,448,229.91 had been paid farmers at an average of \$44.69 per hundredweight.

Many of the transient tobaccoists will leave immediately for their respective homes, and the residue, together with local buyers, warehousemen and workers in varied capacities expect to migrate towards the Kentucky and Tennessee markets about the first of December.

With the tobacco all worked up farmers of this section of the State are now busy gathering their corn, thrashing peanuts and baling their hay, and soon will begin preparing ground for new tobacco beds to be sown in January.

Good crops, good harvesting weather and high prices paid for their produce have brought prosperity to the farmers of the State. The buying of Victory Bonds is offered as the best opportunity for safe investment and a means of returning our fighting forces safely home as soon as conditions will permit.

SELFS TO MOVE TO NEW PASTORATE, MT. OLIVE

News that the Methodist Conference, in session at Goldboro last week, had moved the Rev. Marvin Y. Self to the Mount Olive and Faison charge, was received with expressed regret by the many friends here of the pastor of the Farmville Methodist Church, who has completed five years of efficient service in this field.

During these five years, the Church has experienced a period of great spiritual development and material progress. A total of 89 members, 55 adults, has been received into the fellowship and numerous gifts of special dispensation have been presented by loyal members. These include an Endowment Fund of \$5,000 for the local Church, the sum of \$2,000 for improvement of Sunday School equipment, Carillon Bells and an unusually generous contribution to the Endowment Fund of the Methodist Orphanage. There has been a decided increase in the activity of the young people's and children's organizations, in the finances of the Church and in benevolences as well.

Mrs. Self has proved a tireless and worthy helpmeet to her husband, and in addition to her household work as teacher of the Young Women's Sunday School class, has taken an active part in all Church affairs and rendered signal service in the various organizations.

In an interview today, the Rev. Mr. Self said, "Mrs. Self and I are deeply grateful to the people of Farmville for the kindness during our stay here, and we regret to leave this community. We are looking forward to the day when we can be of service to the people of Mount Olive and Faison."

Mr. Self was one of the late Z. M. and Emma Smith Whitehead's sons, and was born in the town of Farmville, Nov. 15, 1891.

He was educated in the public schools of Farmville and attended the University of North Carolina at Chapel Hill, where he received his Bachelor of Arts degree in 1914.

He was a member of the Phi Kappa Phi Honor Society and the Beta Beta Beta Honor Society.

He was a member of the Farmville Methodist Church and the Farmville Community Church.

Union Thanksgiving Services Planned

The community Thanksgiving service, on Thursday, Nov. 22, will be held in the Baptist Church at 10 A. M.

Let us meet together publicly acknowledging dependence upon and gratitude to the Great Giver of all gifts. An inspirational program is being planned by the ministers and the various church choirs.

President Truman has called upon Americans to observe Nov. 22 as a day of national thanksgiving for the blessing of victory. The President's proclamation requests that the people "give thanks with the humility of free men, each knowing it was the might of no one army but of all together by which we were saved."

The proclamation follows: "In this year of our victory, absolute and final, over German fascism and Japanese militarism; in this time of peace so long awaited, which we are determined with all the United Nations to make permanent; on this day of our abundance, strength and achievement; let us give thanks to almighty providence for these exceeding blessings.

"We have won them with the courage and the blood of our soldiers, sailors and airmen. We have won them by the sweat and ingenuity of our workers, farmers, engineers and industrialists. We have won them with the devotion of our women and children. We have bought them with the treasure of our rich land. But above all we have won them because we cherish freedoms beyond riches and even more than life itself.

"We give thanks with the humility of free men, each knowing it was the might of no one army but of all together by which we were saved. Liberty knows no race, creed or class in our country or in the world. In unity we found our first weapon, for without it, both here and abroad we were doomed. None have gained this better than our very gallant dead, none better than their comrade, Franklin Delano Roosevelt. Our thanksgiving has the humility of our deep mourning for them, our vast gratitude for them.

"Triumph over the enemy has not dispelled every difficulty. Many vital and far reaching decisions await us as we strive for a just and enduring peace. We will not fail if we preserve in our own land and throughout the world, that same devotion to the essential freedoms and rights of mankind which sustained us throughout the war and brought us our final victory.

"May we on this day of national thanksgiving day, in our homes and in our places of worship, individually and as groups, express our humble thanks to Almighty God for the abundance of our blessings and may we in that occasion rededicate ourselves to those high principles of citizenship for which so many splendid Americans have recently given all."

THE REUNION OF TYSONS-MAYS TO MEET ON NOVEMBER 23rd

Rotary Club Hears Program On Scouting

The Rotary Club, sponsors of local Boy Scout activities, had as speaker on Tuesday evening, John Hackney, of Wilson. Mr. Hackney, Scout Executive for the East Carolina Council, was introduced by Paul Ewell, program chairman for the evening.

To begin his program Mr. Hackney had the Rotarians play a game about following instructions, which was enjoyable and amusing to the entire club. In his talk he stressed the five points of Scouting. First, "the Boy," saying scouting treats boys as an individual and in so doing develops the best that is in each boy; second, "leadership," referring to the one thousand men in Eastern Carolina who give freely of their time and energy in carrying on Scout activities. At this time the speaker paid tribute to Rotarians Ed Nash, Warren and James Monk for their work. Continuing he spoke of the splendid outdoor life and program for Boy Scouts, asserting that this phase of scouting left lasting impressions on the boys. The fourth point was relative to the organization of the entire Scout movement, from National Headquarters down to the local committee.

In conclusion, the fine Oath and Motto of the Scouts was repeated and the different meanings pointed out. Mr. Hackney said that scouting is for every boy who is interested and is something to offer any boy that will seek it.

Levi Walston reported that the current Victory Bond Loan Drive has reached about 25% of the total quota. He urged every Rotarian to "get behind the drive and help put it over."

Russell Misselle reported on the matter of placing Rotary signs at the entrance to the Town. The committee in charge was authorized to proceed with the purchase of the signs. The Rotary Club had the proper signs in place until a few years ago.

Lt. Lowell Liles of the U. S. Army was a guest of his father, Manly Liles. Dr. W. M. Willis won the attendance prize donated by James Monk.

John B. Lewis will present General Turnage, who will be heard with great interest by the people of this community and visitors from various points in the State.

Walter G. Sheppard, of Snow Hill, will conduct a round table discussion and Miss Tabitha M. DeViscount, genealogical chairman, will give her annual report.

Rev. C. B. Mashburn, pastor of the Christian Church, and an adopted son of the reunion, will conduct a memorial service for those who have "fallen asleep" since the last meeting.

Mrs. James Coughlin, of Morehead City, the former Miss Helen Willis, of Farmville, will be soloist and a male quartet will also feature a musical program to be directed by Mrs. G. Alex Boush.

New officers will be elected during the business session. A banquet lunch will be served at noon in the banquet hall of the Chapter House.

Invitations to the reunion were not sent in Farmville or immediate vicinity as descendants here are expected to attend and to assume their duties as hosts to the reunion.

COUNTRY CLUB OFFICERS NAMED

At the annual meeting of Farmville Recreation Committee, held Tuesday night at the City Hall, the following were elected to have charge of the Country Club: W. S. Doyler, president; F. K. Ewell, vice president; S. A. Roscock, secretary-treasurer; S. B. Lewis, J. Y. Monk, Jr., T. S. Ryan, B. O. Taylor and H. H. Bradham, directors.
