BEFORE THE NEW ORDER

(The Christian Century)

It is quite possible that there will be far more disorder in Asia than there now is before the new order begins to emerge. The peoples of the West, the nations in the UN, will simply have to learn to live patiently with that disorder. The Dutch and French hope of maintaining their empires and hanging on to the rich profits of the old Asiatic colonialism is a dream, as the British had sense enough to know.

No military, political or economic intervention will end the prevalent disorder for more than a brief moment; if attempted, such intervention will presently make the disorder worse. The only kind of intervention that will help toward a firm peace and order in the East is the Christian intervention, through constructive service in the lifting of educational, social and moral standards. But that is the long, slow process of leaven in the lump.

CANAL DREDGING PROJECT

Planned for Greene Co.

Farmers owning land adjoining Polecat Canal, beginning at Contentnea Creek and running approximately three miles, have shown an interest in having this canal dredged out. The Greene Soil Conservation Service and the county agent's office are cooperating in helping these farmers determine the possibility of getting this work done. Crop land along this canal would be greatly benefited by better drainage.

A. E. Cobb, R-2, La Grange, has treated his herd of hogs for internal worms by the use of Sodium Flouride. This new treatment is proving to be highly satisfactory, if properly carried out.

W. J. Rasberry, Farmville, has had a soil analysis made of three fields on his farm in Speight's Bridge township to determine the best fertilization on these fields for oats and lespedeza.

A. C. Edwards and Tull Hill, Hookerton, produced 602 1/2 bushels of corn on six acres or slightly over 100 bushels per acre average. They planted hybrid N. C. 27, ten inches in drill, 3 1/2 foot rows. Fertilized with 550 pounds 4-10-6, 366 pounds Cal-nitro and 383 pounds 10-0-10. Any Greene county farmer who believes he has an average yield of 100 bushels per acre is requested to notify Agent A. J. Harrell.

GREENE COUNTY 4-H COUNCIL HAS MEETING IN SNOW HILL

(By J. B. McLawhorn, Reporter)

The Greene County 4-H Council meeting was held in Snow Hill Community Building Friday night, Oct. 3. Twenty-five members were present.

It was made clear by our leaders and vote of council that the meetings were to be held each Friday night following the third Sunday in the month. Officers for the coming year were elected. They are: Robert Parker, president, Walstonburg; Arden Dixon, vice president, Hookerton; Sarah Slater, Snow Hill, secretary; J. B. McLawhorn, Maury, reporter; Barbara Harrison, Snow Hill, song leader. The floor was then open for discussion, which was centered about exhibits for National 4-H Club Week, November 1-5. Another important factor discussed was the 4-H meeting in the various clubs.

The 4-H County Council is made up of officers from each club. Its duty is to discuss problems that may arise concerning the work. The club motto is "To make the best better" and all members are working to have a better 4-H program in 1948.

SEED ALFALFA

F. E. Dail of the Walstonburg community and A. B. Mewborn of the Bullhead community, both cooperators with the Coastal Plains Soil Conservation District, have recently seeded alfalfa on their farms.

The land was prepared, fertilized and seeded according to approved recommendations and the crop is up to a good stand.

PITT CLUBS ORGANIZE

Pitt county 4-H clubs began their year of club work in September by having reorganization meetings during the month. All meetings were opened by repeating the 4-H pledge: "I pledge my head to clearer thinking; my heart to greater loyalty; my hands to larger service and my health to better living for my club, my community and my country." Announcements concerning activities for the year's work were made.

Achievement Day will be held November 7. The first county council meeting will be held tonight (Friday) at 7:30 in the auditorium of the Agriculture Building in Greenville. Boys and girls were urged to turn in their project books as soon as possible for possible entry in State contests.

Reports were made on the 4-H Camp at Manteo and Club Week at State College in August by the following: Curtis Lee, Pactolus; Hazel Garris, Langs; Fred Boyce, Grimesland; William Owens, Farmville; Pauline Robinson and Harper Rasberry, Bell Arthur. Ruth Moore of Langs gave a report of her trip to Camp Long, Aiken, S. C.

New officers for the clubs follow:

Bell Arthur Junior—Shirley Wayno, president; Hilda Waters, vice-president; Aileen Nichols, secretary; Josephine Hobgood, reporter.

Bell Arthur Senior—Bill Erwin, president; Harper Rasberry, vice-president; A. B. McLawhorn, secretary; Virginia Crawford, reporter.

Grimesland Senior—Fred Boyce, president; Frances Elks, vice president; Nancy Poe Fleming, secretary; Pansy Sue Edwards, reporter.

Langs Community—Sue Worthington, president; Jimmie Allen, vice-president; Hazel Garris, secretary; Jean Moore, song leader; Ruth Moore, reporter. Ruth and Jean Moore were joint hostesses at their home for this meeting. After the business session, recreation and refreshments were enjoyed by those who attended.

Pactolus Junior—Margaret Ann Whitehead, president; Eleanor Copeland, vice-president; Shirley Gray, secretary; Henry Clifton Harris, reporter.

Pactolus Senior—Ralph Langley, president; Curtis Whitehurst, vice-president; Hilda Johnson, secretary; Curtis Lee, reporter.

Officers of the Farmville club were listed in last week's issue of The Enterprise.

How women and girls may get wanted relief from functional periodic pain

Cardui, many women say, has brought relief from the cramp-like pain and nervousness of functional periodic distress. "When I take a Cardui, it stimulates circulation and digestion," they say, "and relieves the pain." In some cases, they feel it does before "your time" is due. It gives functional periodic pain. **STAY IN THE CARDUI**
