RALEIGH
ROUND-UP

(By Eula Nixon Greenwood)

MOVING?—R. D. Beam, redheaded, known as "Red," and a Cleveland county native, a few weeks ago resigned as executive of the Dairy Foundation at State college to become head of the First Federal Savings & Loan Association here. Prior to going with the Foundation, he held a responsible position with the Wachovia Bank & Trust Co. He went to the Wachovia from an executive position with the State School Commission. He will likely be replaced by L. L. Ray, Alamance county native who for

the past several years has done a wonderful job with the N. C. Dairy Products Association. It is known that Ray has been offered this job with the Dairy Foundation. He is expected to take it. You should see an announcement about this in the papers very shortly, if you haven't already.

COLLEGE BOYS—Last Friday as University Chancellor Bob House and Acting President Billy Carmichael were introducing new School of Business Administration Dean Tom Carroll to directors of the N. C. Business Foundation and to officials of the State Merchants Association, Len Broughton Smith, from a good Wilkes county family, walked into George L. Bennett's room, two blocks off the campus, and shot Bennett, killing him. A few minutes later, Smith, 30-year-old war veteran, killed himself with the same pistol he had used to end the life of the 22-year-old Wadesboro senior. Meantime, students were scattering from the campus for an Easter week end at home. The killings in Chapel Hill came as the trial of Raymond Blair of Fayetteville, on trial for the murder of Roy Coble, another Wake Forest student, last December, was coming to a close. Neither Coble nor Smith was an enrolled student.

Just as President Thurman Kitchen's Christmas was ruined by a campus murder on the eve of the holidays, so was Easter a black day this year for Chancellor House and Acting President Carmichael. College officials are constantly working to improve not only their physical plants, but the mental attitudes of the students, and the Christmas and Easter tragedies at Wake Forest and Caro-

lina will cause them to devote more attention to the mental habits of their flocks. Parents can help.

WAR TALK—Visitors from North Carolina in the Nation's capital last week were astounded at the amount of war talk heard in Washington. While we get good doses of this type of conversation via the press and radio here in the Old North State, it certainly isn't the main topic of conversation. We still have the weather, the local gossip, the Senate race, and the local gossip. In Washington, nothing else seems to matter. You hear it from drivers of taxicabs and right on up the line to U. S. Senators and various members of the Cabinet.

SIGNIFICANT—Crisis Government or not, it is significant that North Carolina and other states last week started laying plans for a civilian defense program against atomic attack. Several members of the Council of State, including Attorney General Harry McMullan, State Auditor Henry L. Bridges, and Secretary of State Thad Eure were in Washington last Wednesday and Thursday getting advice on civilian defense plans which will be carried forward on a voluntary basis until the Legislature can make further provision next year.

NOTES—Dr. Norman Vincent Peale, prolific inspirational writer and minister, spoke in the huge Reynolds Coliseum here last week, but attracted 30,000 fewer people than Billy Sunday's Billy Graham did in the South Carolina capital a few weeks ago. It was a bad night and only around 5,000 went out to hear him. Reports reaching Raleigh are that Senatorial Candidates Willis Smith & Frank Graham are running neck-and-neck in most of the counties, with Graham having good strength in the upper Piedmont area of counties and Smith exceedingly strong in the mountain counties (with the exception of Burke) and in the Lumberton/Gastonia group of counties along the S. C.-N. C. line. Graham also appears to be stronger in the Northwestern N. C. counties, with Smith holding his own in the northeastern and central eastern counties. It looks now as if the race may be largely decided by the sheer physical endurance and the strength of the two men. As the days become warmer and the battle gets more vigorous, Dr. Graham will think longingly of the relatively quiet academic life at the University and Willis Smith will regard law practice as a safe and sane existence. The senatorial race of two years ago killed J. M. Broughton, J. C. B. Ehringhaus was never a strong man after the 1932 race with Dick Fountain, and Fountain was never the same after that. Dr. Ralph McDonald was an invalid for several months after the 1936 campaign with Clyde R. Hoey. Rumor persists in Washington that President Harry Truman will fit Dr. Frank Graham into an important, and comfortable position in Washington if he loses the Senate race.

Mrs. Frank Allen New
President Of P. T. A.

Elected as officers of the Parent-Teacher association Thursday afternoon were Mrs. Frank Allen, president; Mrs. Sam Bundy, vice president; Mrs. Ernest Guthrie, secretary; Mrs. L. P. Thomas, treasurer. Mrs. Allen has done an outstanding job as chairman of the program committee. Mrs. J. W. Miller, presiding, called on Rev. E. S. Coates to offer prayer. Mrs. James Bennett's and Miss Lola Hardy's third grades presented "Spring's Awakening," a play. The cast included Hadley Morgan, Alex Allen, Gerry Bergeron, Edward Brady, John Lee Burgess, Carlton James, Bobbie Joyner, Robert Joyner, Wayne Latta, David Moxing, Gus Roebuck, Donald and Ronald Wainwright, Wade Winstead, Robert Matthews, John Noble, Bobby Greesh, Ann Frances Allen, Christine Allen, Claudia Javenport, Sattie Gray, Jo Ann Greig, Ramona Hardee, Fay Heath, Clara Moore, Mary Lou Strickland, Jean Vandiford, Dorothy Vincent, Evelyn Wells, Carolyn Cash, Charles Dail, Harold Fulford, Joe Fliske, Raymond Gray, Ronald Jones, Dan Jones, Jessie Joyner, William Little, Franklin Moye, Edward Earle Meeks, George Thomas, Jimmy Vaughan, Kiney Worthington, Oscar

Holloman, Charlotte Bagley, Linda Sue Dail, Yvonne Harris, Joseph James, Pat Joyner, Delphia Lockwood, Linda Murphy, Margaret Morgan, Gladys Morgan, Jackie Nolan, Beth Wainwright and Barbara Wooten. Misses Wills Rae Harper, Ruthe Tyson and Pat Corbett, accompanied by Mrs. Haywood Smith, sang two numbers. Miss Mildred Maddox and Mrs. J. W. Dunn contested the room roll call, which Mrs. Bennett's grade won. The executive committee's recommendation that the PTA sponsor the Raleigh Open group at a later date was read and approved. The meeting was dismissed after Principal Sam D. Bundy expressed his appreciation for the help of the association in the pre-school clinic. Bundy also summarized plans for the commencement programs.

SURPRISE PARTY
Mrs. Will A. Barrett entertained 12 friends at a surprise party in honor of Bobby Ray Harper's tenth birthday, Thursday, April 5. In the games and contests, Brenda Barrett and Patsy Roberts won prizes. The guests were invited into the dining room where they were served the birthday cake, fancy cookies, potato chips and drinks.

10 Facts to remember
about NATURAL
CHILEAN NITRATE

1. Natural Chilean Nitrate is the only natural nitrate in the world.
2. Nitrogen Nitrogen. The nitrogen is 100 per cent nitrate.
3. Sodium. Chilean Nitrate contains sodium equivalent to about 35% sodium azide (Na2O). This acts like potash (K2O) and helps to make the phosphate in the soil more available.
4. Fodder. Chilean Nitrate contains iodine to help meet the needs of plants, animals, and human beings.
5. Other Plant Food Elements. Chilean Nitrate contains small quantities of other elements that contribute to strong, healthy plant growth, such as manganese, potassium, magnesium, boron, calcium, iron, sulphur, copper and zinc.
6. Ideal Condition. Chilean Nitrate comes in free-flowing pellets—easy to handle and to apply in any distributor.
7. Quick Acting. Chilean Nitrate is immediately and completely available.
8. Anti-Acid. Chilean Nitrate helps keep the soil sweet.
9. Time-Tested. Chilean Nitrate has been proved by more than 100 years of research and practical farm experience.
10. Doubly Profitable—Economical. Chilean Nitrate improves the quality of crops as well as the yield. Consistently excellent effect of heavy applications year after year upon crop and soil alike makes it an outstandingly profitable and economical nitrate for every need and purpose.

"THEY'RE ONLY ONE NATCHEL SODA!"
"I figure Nature know best how to make soda right... so's plants can get all the nitrogen easy-like. And farmers can see crops needs the soda and other minerals natchel soda's got. Chilean is the only natchel soda!"

"CAN I CUT THE COST
OF MY AUTO INSURANCE?"

If you're a select risk driver you can qualify for economical protection with Farm Bureau Mutual Automobile Insurance Co., Columbus, Ohio.

GIVE THE PERSON YOU
ARE TELEPHONING
TIME TO
ANSWER

Wait at
Least 10 Rings

Very often the person you are telephoning cannot drop everything to answer the telephone. So, when telephoning, it's a wise policy to wait a minute—that's ten rings—before hanging up. This gives the person you are calling a reasonable time to answer. You'll also be likely to complete a lot more telephone calls this way. And your consideration will help us to serve everyone more efficiently by cutting down the number of "in-completed" calls. So always wait 10 rings—won't you, please?
